For information: Fees for postgraduate research degrees at Writtle University College are published by the College at www.writtle.ac.uk/fees

Section E: Modular Study

(a) **Undergraduate:**

Fees for modules taken on an individual basis by students registered part-time in order to complete modules for reassessment, will be charged by credit value pro rata to the relevant full-time fee, e.g. a 30 credit module will cost 1/4 of the relevant full-time fee.

Fees for modules taken on an individual basis by students concurrently studying for a degree are determined on an individual basis, but are normally charged by credit value pro rata to the relevant full-time fee that the particular student is paying for their year of entry.

(b) **Essex Modern Languages Certificates:**

Members of the public: £890 per 30 credit module (costs of the study abroad element on intensive language courses would be charged as an extra)

Members of the University (i.e. registered students and members of staff): £560 per 30 credit module

(c) **Languages for All Programme:**

All students wishing to learn a language in addition to their main course of study can do so at no additional cost through Languages for All. Students who wish to undertake a second language course can do so for a fee. The fee for both Express and Portfolio additional modules has been set at £260.

(d) **Postgraduate Taught:**

Fees for individual modules can be found in Section B above.

Modular study students declaring at the outset that they will not undertake assessments are entitled to a 10% fee reduction, rounded to the nearest £5. There are no refunds for intended assessments which are not completed.

Overseas students would normally be unable to study part-time because of their immigration status.

Section F: Postgraduate Visiting Research Students

The University has a tariff for visiting students seeking research attachments to departments and/or individual members of academic staff. This is intended to reflect the cost of providing a research attachment for an occasional student. These fees are calculated as a proportion of the standard postgraduate research degree fees. The monthly rate is calculated as a quarter of a 'four month' term.

(a) Home/EU Fee - Classroom and Lab Based:

Full Year: £2,205

2 terms*: £1,470

1 term*: £735

Monthly (3 months maximum): £185

(b) Overseas Fee - Classroom:

Full Year: £7,010

2 terms*: £4,675

1 term*: £2,335

Monthly (3 months maximum): £585

(c) Overseas Fee - Lab Based:

Full Year: £8,110

2 terms*: £5,405

1 term*: £2,705

Monthly (3 months maximum): £675

* includes vacation subsequent to final term, e.g. 1 term would be c.1 October to c.15 January.

The fee will include contact time with academic staff which would not exceed that delivered to a registered research degree student and occasional lecture attendance. Full module attendance would still require separate registration and payment in order to be registered for classes, examinations and to receive credit at the conclusion of the module.
