

SAFE-World Project/Initiative Summary

Country: China

Project/Initiative Title: Yunnan Mixed Rice

Hectares: 3342

Agro-Ecological Zone: I

Improvement types

1x	2	3	4	5	6x	7	8	9
----	---	---	---	---	----	---	---	---

A. Key Impacts

A1 – Productivity

	Before/Without	After/With	% change
Rice			89

D. Contact Point for Project/Initiative

Christopher C Mundt
Dept. Entomology and Plant Pathology
IRRI
MCPO Box 3127
1271 Makati City
The Philippines

Email: mundtc@bcc.orst.edu

If you would like further information on this project please contact Christopher Mundt above or see full text of paper at:
