Change a life. Help a child.

Summer School
31 July – 4 August 2017

Psychodynamic Thinking for Child and Adolescent work is an intensive, one-week course teaching you psychodynamic theory and therapeutic approaches.

We'll help you understand what’s behind the difficulties faced by children and adolescents, equipping you with skills to help them.

Who is it for?
If you work with children and adolescents, or would like to, this course is for you.

Our course also serves as a conversion for MA Psychodynamic Counselling if you've completed a relevant diploma.

The course fee is £400 for the week.

The Centre for Psychoanalytic Studies is ranked top 20 in the UK for research excellence (REF 2014) and achieved a 94% student satisfaction rate (NSS 2016).
