EBS Scholarship for Home/EU Masters Students

This scholarship of £2,000 is available for students of Home (UK) or EU fee status on postgraduate taught courses (excluding MBA) at EBS. It is available to students who have achieved a UK first class honours Bachelor's degree or an EU university equivalent (.pdf).

The scholarship is deducted from your tuition fees. All course applications received by the given deadline will automatically be considered for this scholarship. A fee discount is applied to all who meet our grade requirements.

Terms and conditions

These terms and conditions apply to the academic year 2015-16. The University of Essex reserves the right to update these as necessary.

Who is eligible?

- These scholarships are restricted to applicants who are entirely self-funded. They are not available to students who are fully or partly sponsored.
- The award is only available to students who are Home (UK) or EU fee payers and is for the first year of study only.
- Students must hold a UK first class honours Bachelor's degree or equivalent from a university in the EU.
- Only one scholarship award can be made per student and the award cannot normally be held in conjunction with other University of Essex scholarships.
- These scholarships do not apply to deferred entry. Where a student, to whom a scholarship has been offered, requests deferred entry, the award will be considered again in line with the terms and conditions that apply in the new proposed year of entry.

How do I apply?

These scholarships will be awarded on the basis of academic merit and all academic applications will automatically be considered.

The University will use official transcripts and certificates, submitted as part of the original application, as evidence of grades achieved and no alternative supporting evidence will be accepted.

Applicants who have firmly accepted an offer of a place by 31 August 2015, and met the academic conditions of entry, will be considered for these scholarships. Applications submitted after that date may be considered depending on availability of funds.

How will I be notified?

Successful applicants will be informed, in writing, by the end of October 2015 of any award to be offered.

How will the scholarship be paid?

These Scholarship awards will only be made available as a discount on the tuition fee that is payable on registration at the University.

Promotional activities

By accepting the scholarship, recipients are giving the University permission to use their details for promotional purposes and may be asked to provide a case study which may be used in University publications or on the website.
