

RECRUITMENT PACK

This document includes the following information:

- Job Description
 - Person Specification
 - Additional information
-

Making an application:

When completing the on-line application form you will be asked to answer questions to help you demonstrate how you meet the requirements of the post. Your answers will be used at the shortlisting and interview stages of the recruitment process. We therefore recommend that you take a copy of this recruitment pack to help with your preparation.

NOTE: You don't have to answer the questions in one attempt, but can save your incomplete application and return to it at another time. You may want to draft your answers using Microsoft Word and then copy your text into the application form. Please be aware that formatting (e.g. underline, bold, bulleting) will be lost in this process. If you are using an Apple product you will need to use an alternative web browser to Safari such as Google Chrome.

- Links to Guidance Notes and Frequently Asked Questions can be found on the Search Results page. These pages will open in a new window.
- We recommend that you take a copy of this recruitment pack to help with your preparation.

A commitment to sustaining an inclusive and diverse community is one of the University's Core Values and we are keen to address any imbalances in our workforce.

The University of Essex is proud to be part of the Disability Confident scheme and is committed to supporting diversity and equality, representative of our inclusive community. As part of our commitment to this scheme any candidate who has a disability and meets all the essential criteria for the role will be offered an interview. We also work in partnership with national disability organisation [DisabledGo](#) who provide detailed online access guides to many of our campus buildings and facilities which you may find useful.

Please note: We are only accepting on-line applications for this post. However, if you have a disability that makes it difficult for you to provide us with information in this way, please contact the Resourcing Team (01206 876559) for help.

Closing Date: 02 December 2018

Interviews are planned for: 17 December 2018

JOB DESCRIPTION – Job ref REQ02062

Job Title and Grade:	EIRA Knowledge Exchange Lead (Biotechnology) Grade 9
Contract:	Fixed-term, Part-time. This position is fixed-term until 31 March 2021, due to being funded for a limited period by Research England's Connecting Capabilities Fund.
Hours:	18 hours per week (0.5fte)
Salary:	£40,793-£48,676 per annum pro rata
Department/Section:	Research and Enterprise Office (REO)
Responsible to:	Director of REO
Reports on a day to day basis to:	Head of School of Biological Sciences
Purpose of job:	The EIRA Knowledge Exchange Lead will develop and deliver specific Biotech innovation projects supporting the needs of business through a combination of well-established and more novel methods. Working closely with the Enabling Innovation: Research to Application (EIRA) network and other partners, the Knowledge Exchange Lead will bring together research and expertise from across the consortium, build critical mass, coordinate with Knowledge Exchange teams and develop linkages with business collaborators.

Duties of the Post:

The main duties of the post will include:

1. Co-develop and co-deliver annual plans for the Biotech theme to maximise the impact of EIRA interventions, ensuring a high level of responsiveness to the needs of local businesses.
2. Collaborate with Knowledge Exchange and academic colleagues located across eastern England to deliver the aims of the EIRA programme.
3. Support and contribute to the ambitions of productivity and growth in eastern England as highlighted in the Government's Industrial Strategy and the Science and Innovation Audits (SIAs).
4. Deliver specialist Biotech expertise to businesses in support of the EIRA theme and to complement the existing capacity of the partners.
5. Develop and cultivate sustainable partnerships with both the business support community and directly with businesses to shape EIRA's sector activities during the programme and to ensure the impact of EIRA continues after its end.
6. Closely collaborate with all EIRA institutions and other thematic Knowledge Exchange Leads at EIRA partners to identify opportunities for future collaboration.
7. Contribute to the development and delivery of training and mentoring activities with academics across the institutions.
8. Represent EIRA as required at business, community and other events and meetings.

9. Develop knowledge and relationships as appropriate with existing sector groups and networks in the Biotech theme in order to further the success of the EIRA partnerships and the programme ambitions.
10. Identify and explore funding streams, partnerships and opportunities for additional and leverage grant (e.g. Innovate UK) and commercial funding to amplify the impact of activities during the award, and sustain the network beyond the initial funding period.
11. Contribute to the evaluation and reporting of EIRA programme activities.

The post will require extensive travel within the region, and occasionally nationally.

Any other duties as may be assigned from time to time by the Director of Research and Enterprise Office or their nominee.

These duties are a guide to the work that the post holder will initially be required to undertake. They may be changed from time to time to meet changing circumstances.
