

## RECRUITMENT PACK

This document includes the following information:

- Job Description
  - Person Specification
  - Additional information
- 

Making an application:

When completing the on-line application form you will be asked to answer questions to help you demonstrate how you meet the requirements of the post. Your answers will be used at the shortlisting and interview stages of the recruitment process. We therefore recommend that you take a copy of this recruitment pack to help with your preparation.

NOTE: You don't have to answer the questions in one attempt, but can save your incomplete application and return to it at another time. You may want to draft your answers using Microsoft Word and then copy your text into the application form. Please be aware that formatting (e.g. underline, bold, bulleting) will be lost in this process. If you are using an Apple product you will need to use an alternative web browser to Safari such as Google Chrome.

- Links to Guidance Notes and Frequently Asked Questions can be found on the Search Results page. These pages will open in a new window.
- We recommend that you take a copy of this recruitment pack to help with your preparation.

A commitment to sustaining an inclusive and diverse community is one of the University's Core Values and we are keen to address any imbalances in our workforce.

The University of Essex is proud to be part of the Disability Confident scheme and is committed to supporting diversity and equality, representative of our inclusive community. As part of our commitment to this scheme any candidate who has a disability and meets all the essential criteria for the role will be offered an interview. We also work in partnership with national disability organisation [DisabledGo](#) who provide detailed online access guides to many of our campus buildings and facilities which you may find useful.

Please note: We are only accepting on-line applications for this post. However, if you have a disability that makes it difficult for you to provide us with information in this way, please contact the Resourcing Team (01206 873461/873521/874588) for help.

Closing Date: 20 June 2018

Interviews are planned for: TBC

## JOB DESCRIPTION – Job ref REQ01458

<b>Job Title and Grade:</b>	Maintenance Craftsperson (Electrical)
<b>Contract:</b>	Permanent, Full-time
<b>Hours:</b>	36 hours per week (see 'General Information')
<b>Salary:</b>	£24,938 - £26,495 Competent Person (CP) or £26,495 - £28,090 Authorised Person (AP)
<b>Department/Section:</b>	Estate Management Section
<b>Responsible to:</b>	Director of Estates and Campus Services
<b>Reports on a day to day basis to:</b>	Electrical Supervisor
<b>Purpose of job:</b>	On-site maintenance, electrical installations and testing associated with the building services, plant and equipment in all of the premises owned and operated by the University of Essex.

**Duties of the Post:**

The main duties of the post will include:

1. Become the Competent Person (CP) or Authorised Person (AP) for working on electrical systems in accordance with the University of Essex LV Policy document and comply with the University of Essex LV Policy document.
2. Diagnosing and repairing faults in complicated electrical installations, plant and equipment.
3. Undertake inspections and testing to current BS 7671 17<sup>th</sup> Edition on complex LV systems.
4. Dealing with new situations as they arise and passing on knowledge to others.
5. Understanding the complete working of electrical systems in the University.
6. Fault finding on all types of plant and equipment.
7. Working in confined spaces.
8. Working without supervision from manuals, instructions, drawings and specifications.
9. Installing new plant, equipment and services, including manufacture and assembly when required.
10. Carrying out full PPM programmes on all types of University plant and electrical systems. This will include some mechanical procedures.
11. Carrying out work involved in statutory inspections.
12. Ensuring that plant and equipment is running at maximum efficiency.
13. Carrying out all work in accordance with the Electricity at Work Regulations and the current addition of the IEE Regulations.
14. Maintaining accurate logs of all plant operations and reporting any untoward occurrences immediately to the Electrical Supervisor.

15. Reporting any technical problems to the Electrical Supervisor and working with them to solve these problems.
16. Working with all relevant tools, instruments and equipment safely and effectively and ensuring such tools and instruments are in good order and certification in place and valid.
17. Learning new techniques and attending any training courses that the Supervisor may deem relevant to the duties of the post and keeping up with new technology. Some training courses could involve being away from home overnight.
18. Instructing others on any specialist knowledge that they may have learnt.
19. Understanding other Craftsperson's work in relation to their own.
20. Performing a wide range of other Craftsperson's work. This will include some work normally carried out by other Craftsperson's but will not include requiring the post holder to carry out work outside their area of competence.
21. Carrying out duties in a manner that is safe to themselves, colleagues and the public and in accordance with the Health and Safety at Work Act.
22. Adopt a flexible attitude towards work in order that the most effective use of manpower resources can be made and ensuring that urgent requests are dealt with. This could include undertaking duties normally carried out at a lower grade or assisting contractors.
23. Complying with the requirements of the Labour Management System.
24. Driving to any of the University's sites as required.
25. Duty Engineer Role: Due to the vital importance of the University's services all maintenance craftsperson's may be required to take part in a roster and out of hours on call duties as detailed below. Remuneration for this is provided within the salary however additional overtime payments may apply to on call duties resulting in on site attendance.

Any other duties as may be assigned from time to time by the Director of Estates and Campus Services or their nominee.

***These duties are a guide to the work that the post holder will initially be required to undertake. They may be changed from time to time to meet changing circumstances.***
