External Examiners

1. For every assessment for an award of the University there shall be at least one External Examiner.

2. Taught provision

An External Examiner may be appointed as an ‘Award External Examiner’ or a ‘Module External Examiner’. No External Examiner shall be a current member of staff or shall have been a member of staff within the previous five years, either of the University of Essex or of a partner institution delivering programmes of study leading to a degree of the University. The Senate may designate awards of the University other than degrees, for which External Examiners should be appointed.

3. External Examiners shall be appointed for a period of four years by the Chair of the relevant Faculty Education Committee or nominee appointed by the Chair, or by the Dean of Partnerships or nominee appointed by the Dean of Partnerships, under powers delegated by the Senate, receiving nominations from the Departments or partner institutions concerned. Appointments may be terminated with two months' notice by either party. External Examiners for taught degree courses may not normally be re-appointed by the University for four years. Exceptional cases may require approval by the Pro-Vice-Chancellor (Education).

4. Decisions as to the classification of a degree and the conferment or not of a Bachelor's degree shall normally require the consent of the appropriate Award External Examiner. If the External Examiner cannot consent, the decision requires the consent of a two-thirds majority of the examination board, including the Chair. The exception to this is when the board is suspended under Regulation 6.28.

5. Research provision In any examination for a research degree of the University there shall be at least one External Examiner.

6. External Examiners for research degrees shall be appointed by the Chair of the relevant Faculty Education Committee or nominee appointed by the Chair under powers delegated by the Senate, receiving nominations from the Departments or partner institutions concerned.

7. No External Examiner for research provision shall be a current member of staff or shall have been a member of staff within the previous five years, either of the University of Essex or of a partner institution delivering programmes of study leading to a degree of the University. Exceptional cases may require approval by the Pro-Vice-Chancellor (Education).
