(e) Diplomas and Certificates

Fees for Postgraduate Diplomas and Certificates are linked to the HEU or Overseas fee for the Masters course in the same subject discipline and charged at 80% and 40% of the relevant Masters fee (the “baseline fee”) respectively.

HEU Fees for Graduate Diplomas and Certificates, which are postgraduate in time but not in level, i.e. they are taken after a first degree but are final year honours in level, are charged at 80% and 40% of the Band A or (exceptionally) the B Masters fee. Overseas fees for these courses are charged as set out below.

Fees for diplomas and certificates are therefore within a range as follows:

<table>

SECTION D: MODULAR STUDY

a) Undergraduate

Fees for modules taken on an individual basis by students registered part-time in order to complete modules for reassessment, will be charged by credit value pro rata to the relevant full-time fee, e.g. a 30 credit module will cost ¼ of the relevant full-time fee.

Fees for modules taken on an individual basis by students concurrently studying for a degree are determined on an individual basis, but are normally charged by credit value pro rata to the relevant full-time fee that the particular student is paying for their year of entry.

b) Essex Modern Language Certificates

Fees for 2015-16 are:

Members of the public:
- £890 per 30 credit module (costs of the study abroad element of intensive language courses would be charged as an extra)

Members of the University (i.e. registered students/members of staff):
- £556 per 30 credit module

c) Languages for All Programme

All students wishing to learn a language in addition to their main course of study can do so at no additional cost through Languages for All. Students who wish to undertake a second language course can do so for a fee. For 2015-16 the fee for both Express and Portfolio additional modules has been set at £250.

d) Postgraduate Taught

Please see Appendix 1 for details of Postgraduate Modular Study Fees.

i. Home/EU

Modular study students declaring at the outset that they will not undertake assessments are entitled to 10% fee reduction, rounded to the nearest £5. There are no refunds for intended assessments which are not completed.

ii. Overseas

Overseas students would normally be unable to study part-time because of their immigration status.

SECTION E: POSTGRADUATE VISITING RESEARCH STUDENTS

The University has a tariff for visiting students seeking research attachments to departments and/or individual members of academic staff. This is intended to reflect the cost of providing a research attachment for an occasional student. These fees are calculated as a proportion of the standard PhD fees. The monthly rate is calculated as a quarter of a “four month” term.

</tr>
<tr>
<td>1 term*</td>

</tr>
<tr>
<td>Monthly (3 months max.)</td>
<td>£170</td>
</tr>
</tbody>
</table>

* includes vacation subsequent to final term, eg 1 term would be c.1 October to c.15 January.
The fee will include contact time with academic staff which would not exceed that delivered to a registered research degree student and occasional lecture attendance. Full module attendance would still require separate registration and payment in order to be registered for classes, examinations and to receive credit at the conclusion of the module.

**SECTION F: PREPARATORY ENGLISH AND PRE-SESSIONAL ENGLISH COURSES**

The International Academy fees for students on Preparatory English and Pre-Sessional English courses are not set in tandem with academic courses for the same academic year owing to the nature of the market. The following fees apply to courses in the academic years 2014-15 and 2015-16.

General Notes:
1. The amounts set out in this document for academic tuition are composite fees which include admission, registration, examination and graduation fees as well as an obligatory contribution towards the cost of student societies, sports activities and other amenities. The fees identified in this document do not include accommodation, or the cost of meals, or special or re-examination fees.
2. Late payment penalties are charged if tuition fee payments are late. Home and EU undergraduates are charged £25 per term – all other students are charged interest at 12.5% pa.
3. Once registered at the University, all students, regardless of funding source and fee status, are liable for their fees for the relevant degree course or research degree. If for any reason a student withdraws from their course, information on tuition fee payment and liability can be found on our website at: www.essex.ac.uk/fees/policies.aspx.
4. Liability for payment of overseas fees is determined by reference to the Education (Fees and Awards) Regulations. The Admissions Officer is responsible for determining the fee status of applicants to the University; following admission, an appeal by a student against an overseas classification is considered by Student Support. In the event of a disagreement between the Admissions Officer and Student Support, the matter will be referred to the Academic Registrar.

5. Other Fees and Charges:
