20.4. In all circumstances, members of Council shall ask themselves whether members of the public, knowing the facts of the situation, would reasonably conclude that the interest involved might influence the approach taken to the actions of Council. If so, the interest is sufficient for the member to declare that interest.

20.5. Members of staff of the University do not need to declare an interest or to withdraw from discussion when general terms and conditions of service of staff or a group of staff are considered. However, if a member of staff has a particular interest in the issue which is greater than the interest of the group of staff as a whole, then that interest shall be declared and the member of staff shall withdraw from the meeting and not speak, participate in or otherwise seek to influence any decision taken by the Council relating to the matter under discussion.

**Ordinance 39 - Functions of the Academic Staff**

1. The Academic Staff shall perform such functions as may from time to time be defined by the Senate, in accordance with the Charter and these Ordinances.

2. It shall be the duty of Professors, Readers, Senior Lecturers, or Lecturers to devote themselves to the advancement of knowledge in their subjects. It shall be the duty of all Academic Staff to give instruction in their subjects to students of the University and to take part in examining, and generally to promote the function of the University as a centre of learning and education. It shall also be their duty to undertake such functions of teaching and administration as may reasonably be assigned to them by the Head of the Department to which their posts are allocated.

3. Professors, Readers and Senior Lecturers shall, provided that they hold permanently established posts in the University, normally be appointed with permanency of office (subject to the provisions of the Ordinances as to termination). Lecturers who have held a permanent appointment in a teaching post in a university may, provided that they hold permanently established posts in the University, be appointed with permanency of office (subject to the provisions of the Ordinances as to termination). Lecturers who are appointed without having held a permanent appointment in a teaching post in a university shall normally be appointed subject to confirmation after a Pathway to Permanency period of three years, and if this appointment as Lecturer is confirmed they shall then have permanency of office (subject to the provisions of the Ordinances as to termination).

4. Decisions as to confirmation of an appointment which has been made with a view to permanency are made by Academic Staffing Committee. The Committee may make a decision on confirmation at any point prior to the end of the Pathway to Permanency period and the decision will be based
on evidence that, having regard to their standing, experience and the opportunities which have been afforded to them, the member of Academic Staff under review has met the criteria laid down for Pathway to Permanency academics by the Committee.

5. Members of Academic Staff may undertake consultancy work in accordance with the terms of the University's Consultancy Policy, or other additional paid work with the permission of the Vice-Chancellor.

**Ordinance 40 - Research Leave and Leave of Absence**

This Ordinance applies only to those Academic Staff ('eligible Academic Staff') who have a contractual requirement to carry out research.

1. Each member of eligible Academic Staff employed as a Lecturer, Senior Lecturer, Reader or Professor has an entitlement to research leave. The fundamental purpose of research leave is to enable eligible Academic Staff to undertake research that contributes to the University’s mission and research strategy and to the further development of the individual as a scholar.

2. The entitlement is one term of research leave with full salary for each six terms’ service as a member of the full time eligible permanent or Pathway to Permanency Academic Staff. Temporary Academic Staff are not entitled to research leave. However, if a member of the temporary Academic Staff becomes permanent or on Pathway to Permanency, they can count their length of service as a member of the temporary Academic Staff for the purpose of accruing entitlement to research leave, provided that they are eligible for research leave. Part time Academic Staff who are eligible for research leave are entitled to research leave on a pro-rata basis. A term of research leave will start half-way between the end of the preceding term and the start of the term to be taken as research leave, and will end half-way between the end of the term taken as research leave and the start of the term in which duties re-commence. If more than one term of research leave is taken consecutively then the research leave will end half-way between the end of the final term and the start of the term in which duties re-commence.

3. For the purpose of accruing entitlement to research leave, time spent on maternity, paternity or adoption leave will count towards entitlement. Time spent on paid leave of absence (funded, for example, by a Research Council or academic foundation) which results in research that contributes to the University’s mission will also count towards entitlement. Time spent on unpaid leave of absence, research leave or extended sick leave will not count towards entitlement. However, the Pro-Vice-Chancellor (Research) may agree to the counting of time spent on unpaid leave of absence or sick leave if this is clearly in the interests of the Department concerned.
4. Providing an eligible academic member of staff has accrued the necessary entitlement then research leave will be granted subject to the following conditions:

(a) that the work to be undertaken during a period of research leave is of benefit to the University, the Department and the individual member of staff;

(b) that the application has been signed by the Head of Department (and, if appropriate, Executive Dean) who will comment on whether they approve the application in relation to content and timing;

(c) that the research leave will be spent on the work specified in the application for leave; and

(d) that the member of staff submits a report on the study undertaken at the end of the period of research leave which indicates how far the stated objectives of the research leave have been achieved. In certain circumstances a member of staff may for good reason change their plans provided that a case has been made to their Head of Department.

(e) A satisfactory report on the research undertaken during a period of research leave is required before further applications for research leave can be approved.

5. Application for research leave for a particular term or terms shall be made by the member of staff, using the appropriate form, at least two terms before the first day of the term from which research leave is requested.

6. The Pro-Vice-Chancellor (Research) will be responsible for approving research leave applications. If the Pro-Vice-Chancellor (Research) does not approve an application they will give the reason(s) to the individual.

7. During a period of research leave a member of Academic Staff shall not be required to undertake teaching or administrative duties.

8. Members of staff are reminded that the purpose of research leave is to enhance the research profile of the University and the individual. It is not intended to function as an indirect subsidy for the research output of other universities. For that reason, special provisions apply where a member of staff tenders their resignation immediately before or during a period of research leave. Following discussions with the member of staff, the University reserves the right to withdraw approval of research leave at the point where a member of staff tenders their resignation. The options to be discussed with the member of staff will be:

(a) To allow the member of staff to continue with their research leave where the planned programme of research is agreed to be in the interests of the University, the Department and the individual member of staff.
(b) To terminate the research leave and require the member of staff to undertake such teaching, research and administrative duties as reasonably allocated by the Head of Department.

(c) To waive the notice period in order to allow the member of staff to leave their employment with the University early and take up their new post.

In the event that neither (a), (b) nor (c) above are agreed and the member of staff does not return to work, the University will stop pay during what will then be deemed a period of unauthorised absence.

**Ordinance 41 - Grievance, Discipline, Dismissal and Related Matters**

**Part I Construction, Application and Interpretation**

**Construction**

1. This Ordinance or any Regulation made under this Ordinance shall be construed in every case to give effect to the following guiding principles, that is to say:

   (a) to ensure that Academic Staff have freedom within the law to question and test received wisdom, and to put forward new ideas and controversial or unpopular opinions, without placing themselves in jeopardy of losing their jobs or privileges;

   (b) to enable the University to provide education, promote learning and engage in research efficiently and economically; and

   (c) to apply the principles of justice and fairness.

**Reasonableness of Decisions**

2. No provision in Part II or Part III shall enable the body or person having the duty to reach a decision under the relevant Part to dismiss any member of the Academic Staff unless the reason for their dismissal may in the circumstances (including the size and administrative resources of the University) reasonably be treated as a sufficient reason for dismissing them.

(a) conviction for an offence which may be deemed by a Tribunal appointed under Part III to be such as to render the person convicted unfit for the execution of the duties of the office or employment as a member of the Academic Staff; or

Meaning of ‘redundancy’

6. For the purposes of this Ordinance dismissal shall be taken to be a dismissal by reason of redundancy if it is attributable wholly or mainly to:

(a) the fact that the University has ceased, or intends to cease, to carry on the activity for the purposes of which the member of the Academic Staff concerned was appointed or employed by the University, or has ceased, or intends to cease, to carry on that activity in the place in which the member concerned worked; or

(b) the fact that the requirements of that activity for members of the Academic Staff to carry out work of a particular kind, or for members of the Academic Staff to carry out work of a particular kind in that place, have ceased or diminished or are expected to cease or diminish.

(3) Provided that nothing in this sub-paragraph shall prevent waivers made under section 142 of the Employment Protection (Consolidation) Act 1978 from having effect.

(4) Nothing in any Ordinance or Regulation made there under shall authorise or require any officer of the University to sit as a member of any Committee, Tribunal or body appointed under this Ordinance or to be present when any such Committee, Tribunal or body is meeting to arrive at its decision or for the purpose of discussing any point of procedure.

(5) In this Ordinance references to numbered Parts, paragraphs, and sub-paragraphs are references to Parts, paragraphs, and sub-paragraphs so numbered in this Ordinance.

(a) of the University as a whole; or

(b) of any school, department or other similar area of the University by way of redundancy.

11.

(1) Where the appropriate body has reached a decision under paragraph 10(2) it shall appoint a Redundancy Committee to be constituted in accordance with sub-paragraph (3) of this paragraph to give effect to its decision by such date as it may specify and for that purpose:

(a) to select and recommend the requisite members of the Academic Staff for dismissal by reason of redundancy; and

(3) Each separate notice shall sufficiently identify the circumstances which have satisfied the appropriate body that the intended dismissal is reasonable and in particular shall include:
(a) a summary of the action taken by the appropriate body under this Part;

(b) an account of the selection processes used by the Redundancy Committee;

(c) a reference to the rights of the person notified to appeal against the notice and to the time within which any such appeal is to be lodged under Part V (Appeals); and

(2) Where the matter is more serious but falls short of constituting possible good cause for dismissal the following procedure shall be used:

Stage 1 - Oral Warning

If conduct or performance does not meet acceptable standards the member of the Academic Staff will normally be given a formal ORAL WARNING. The member will be advised of the reason for the warning, that it is the first stage of the disciplinary procedure and of the right of appeal under this paragraph. A brief note of the oral warning will be kept but it will be spent after 12 months, subject to satisfactory conduct and performance.

Stage 2 - Written Warning

If the offence is a serious one, or if a further offence occurs, a WRITTEN WARNING will be given to the member of the Academic Staff by the Executive Dean. (For posts within Professional Services coming within the scope of this ordinance a written warning will be issued by the appropriate Head of Section). This will give details of the complaint, the improvement required and the timescale. It will warn that a complaint may be made to the Registrar and Secretary seeking the institution of charges to be heard by a Tribunal appointed under paragraph 16 if there is no satisfactory improvement and will advise of the right of appeal under this paragraph. A copy of this written warning will be kept but it will be disregarded for disciplinary purposes after two years subject to satisfactory conduct and performance.
Stage 3 - Appeals

A member of the Academic Staff who wishes to appeal against a disciplinary warning shall inform the Registrar and Secretary within two weeks. The appropriate Pro-Vice-Chancellor shall hear all such appeals and their decision shall be final.

Preliminary Examination of Serious Disciplinary Matters

14. (1) If there has been no satisfactory improvement following a written warning given under Stage 2 of the procedure in paragraph 13, or in any other case where it is alleged that conduct or performance may constitute good cause for dismissal or removal from office, a complaint seeking the institution of charges to be heard by a Tribunal appointed under paragraph 16 may be made to the Registrar and Secretary who shall bring it to the attention of the Vice-Chancellor.

(2) To enable the Vice-Chancellor to deal fairly with any complaint brought to their attention under sub-paragraph (1) they shall institute such investigations or enquiries (if any) as appear to them to be necessary.

(3) If it appears to the Vice-Chancellor that a complaint brought to their attention under sub-paragraph (1) relates to conduct or performance which does not meet acceptable standards but for which no written warning has been given under paragraph 13 or which relates to a particular alleged infringement of rules, regulations or byelaws for which a standard penalty is normally imposed in the University or within the School, Department or other relevant area, or is trivial or invalid they may dismiss it summarily, or decide not to proceed further under this Part.

(4) If the Vice-Chancellor does not dispose of a complaint under sub-paragraph (3) they shall treat the complaint as disclosing a sufficient reason for proceeding further under this Part and, if they see fit, they may suspend the member on full pay pending a final decision.

(5) Where the Vice-Chancellor proceeds further under this Part, they shall write to the member of the Academic Staff concerned inviting comment in writing.

(6) As soon as may be following receipt of the comments (if any), the Vice-Chancellor shall consider the matter in the light of all the material then available and may:

   (a) dismiss it themselves; or

   (b) refer it for consideration under paragraph 13; or
(c) deal with it informally themselves if it appears to the Vice-Chancellor appropriate to do so and if the member of the Academic Staff agrees in writing that the matter should be dealt with in that way; or

(d) direct the Registrar and Secretary to prefer a charge or charges to be considered by a Tribunal to be appointed under paragraph 16.

(7) If no comment is received within 28 days, the Vice-Chancellor may proceed as aforesaid as if the member concerned had denied the substance and validity of the alleged case in its entirety.

Institution of Charges

15.

(1) In any case where the Vice-Chancellor has directed that a charge or charges be preferred under paragraph 14(6)(d), they shall request the Council to appoint a Tribunal under paragraph 16 to hear the charge or charges and to determine whether the conduct or performance of the member of the Academic Staff concerned constitutes good cause for dismissal or otherwise constitutes a serious complaint relating to the member’s appointment or employment.

(2) Where the Council has been requested to appoint a Tribunal under paragraph 16 the Registrar and Secretary or, if they are unable to act, another officer appointed by the Vice-Chancellor shall take charge of the proceedings.

(3) The officer in charge of the proceedings shall formulate, or arrange for the formulation of, the charge or charges and shall present, or arrange for the presentation of, the charge or charges before the Tribunal.

(4) It shall be the duty of the officer in charge of the proceedings:

   (a) to forward the charge or charges to the Tribunal and to the member of the Academic Staff concerned together with the other documents therein specified, and

   (b) to make any necessary administrative arrangements for the summoning of witnesses, the production of documents and generally for the proper presentation of the case before the Tribunal.
The Tribunal

16. A Tribunal appointed by the Council shall comprise:

(a) a Chair; and

(b) one member of the Council, not being a person employed by the University; and

(c) one member of the Academic Staff nominated by the Senate.

Provisions Concerning Tribunal Procedure

17. The procedure to be followed in respect of the preparation, hearing and determination of charges by a Tribunal shall be that set out in Ordinance made under this paragraph.

(2) Without prejudice to the generality of the foregoing such Ordinances shall ensure:

(a) that the member of the Academic Staff concerned is entitled to be represented by another person, whether such person be legally qualified or not, in connection with and at any hearing of charges by a Tribunal;

(b) that a charge shall not be determined without an oral hearing at which the member of the Academic Staff concerned and any person appointed by them to represent them are entitled to be present;

(c) that the member of the Academic Staff and any person representing the staff member may call witnesses and may question witnesses upon the evidence on which the case against them is based; and

(d) that full and sufficient provision is made:

i. for postponements, adjournments, dismissal of the charge or charges for want of prosecution, remission of the charge or charges to the Vice-Chancellor for further consideration and for the correction of accidental errors; and

ii. for appropriate time limits for each stage (including the hearing) to the intent that any charge thereunder shall be heard and determined by a Tribunal as expeditiously as reasonably practicable.
Notification of Tribunal Decisions

18.

(1) A Tribunal shall send its decision on any charge referred to it (together with its findings of fact and the reasons for its decision regarding that charge and its recommendations, if any, as to the appropriate penalty) to the Vice-Chancellor and to each party to the proceedings.

(2) A Tribunal shall draw attention to the period of time within which any appeal should be made by ensuring that a copy of Part V (Appeals) accompanies each copy of its decision sent to a party to the proceedings under this paragraph.

Powers of the appropriate Officer where charges are upheld by Tribunal

19.

(1) Where the charge or charges are upheld and the Tribunal finds good cause and recommends dismissal or removal from office, but in no other case, the appropriate officer shall decide whether or not to dismiss the member of the Academic Staff concerned.

(2) In any case where the charge or charges are upheld, other than where the appropriate officer has decided under sub-paragraph (1) to dismiss the member of the Academic Staff concerned, the action available to the appropriate officer (not comprising a greater penalty than that recommended by the Tribunal) may be:

(a) to discuss the issues raised with the member concerned; or

(b) to advise the member concerned about their future conduct; or

(c) to warn the member concerned; or

(d) to suspend the member concerned for such period as the appropriate officer shall think fair and reasonable, not to exceed 3 months after the Tribunal's decision; or

(e) any combination of any of the above or such further or other action under the member's contract of employment or terms of appointment as appears fair and reasonable in all the circumstances of the case.
Appropriate Officers

20. (1) The Vice-Chancellor shall be the appropriate officer to exercise the powers conferred by paragraph 19 and any reference to the appropriate officer includes a reference to a delegate of that officer.

(2) Any action taken by the appropriate officer shall be confirmed in writing.

Part IV Removal for Incapacity on Medical Grounds

21. (1) This Part makes separate provision for the assessment of incapacity on medical grounds as a good cause for dismissal or removal from office.

(2) In this Part references to medical grounds are references to capability assessed by reference to health or any other physical or mental quality.

(3) In this Part references to the appropriate officer are references to the Vice-Chancellor or an officer acting as their delegate to perform the relevant act.

(4) References to the member of the Academic Staff include, in cases where the nature of the alleged disability so requires, a responsible relative or friend in addition to (or instead of) that member.

22. (1) Where it appears that the removal of a member of the Academic Staff on medical grounds would be justified, the appropriate officer:

(a) shall inform the member accordingly; and

(b) shall notify the member in writing that it is proposed to make an application to the member's doctor for a medical report and shall seek the member's consent in writing in accordance with the requirements of the Access to Medical Reports Act 1988.

(2) If the member shares that view the University shall meet the reasonable costs of any medical opinion required.

(3) If the member does not share that view the appropriate officer shall refer the case in confidence, with any supporting medical and other evidence (including any medical evidence submitted by the member), to a Board comprising one person nominated by the
Council; one person nominated by the member concerned or, in default of the latter nomination, by the Senate; and a medically qualified Chair jointly agreed by the Council and the member or, in default of agreement, to be nominated by the President of the Royal College of Physicians.

(4) The Board may require the member concerned to undergo medical examination at the University's expense.

Termination of Employment

23. If the Board determines that the member shall be required to retire on medical grounds, the appropriate officer shall direct the Registrar and Secretary or their delegate to terminate the employment of the member concerned on those medical grounds.

Part V Appeals

Purpose of Part V

24. This Part establishes procedures for hearing and determining appeals by members of the Academic Staff who are dismissed or under notice of dismissal or who are otherwise disciplined.

Application and Interpretation of Part V

25.

(1) This Part applies:

(a) to appeals against the decisions of the Council as the appropriate body (or of a delegate of that body) to dismiss in the exercise of its powers under Part II;

(b) to appeals arising in any proceedings, or out of any decision reached, under Part III other than appeals under paragraph 13 (Appeals against disciplinary warnings);

(c) to appeals against dismissal otherwise than in pursuance of Part II or Part III;

(d) to appeals against discipline otherwise than in pursuance of Part III; and

(e) to appeals against decisions reached under Part IV and 'appeal' and 'appellant' shall be construed accordingly.

(2) No appeal shall however lie against:

(a) a decision of the appropriate body under paragraph 10(2);
(b) the findings of fact of a Tribunal under paragraph 18(1) save where, with the consent of the person or persons hearing the appeal, fresh evidence is called on behalf of the appellant at that hearing;

(c) any finding by a Board set up under paragraph 22(3).

(3) In this Part references to ‘the person appointed’ are references to the person appointed by the Council under paragraph 28 to hear and determine the relevant appeal.

(4) The parties to an appeal shall be the appellant and the Registrar and Secretary and any other person added as a party at the direction of the person appointed.

**Institution of Appeals**

26. A member of the Academic Staff shall institute an appeal by serving on the Registrar and Secretary, within the time allowed under paragraph 27, notice in writing setting out the grounds of the appeal.

**Time for Appealing and Notices of Appeal**

27.

(1) A notice of appeal shall be served within 28 days of the date on which the document recording the decision appealed from was sent to the appellant or such longer period, if any, as the person appointed may determine under sub-paragraph (3).

(2) The Registrar and Secretary shall bring any notice of appeal received (and the date when it was served) to the attention of the Council and shall inform the appellant that they have done so.

(3) Where the notice of appeal was served on the Registrar and Secretary outside the 28 day period, the person appointed under paragraph 28 shall not permit the appeal to proceed unless they consider that justice and fairness so require in the circumstances of the case.

**Persons Appointed to Hear and Determine Appeals**

28.

(1) Where an appeal is instituted under this Part the Council shall appoint a person described in sub-paragraph (2) to hear and determine that appeal.
(2) The persons described in this sub-paragraph are persons not employed by the University being persons holding, or having held, judicial office or being barristers or solicitors of at least ten years' standing.

(3) The person appointed shall sit alone unless they consider that justice and fairness will best be served by sitting with two other persons.

(4) The other persons who may sit with the person appointed shall be:

   (a) one member of the Council not being a person employed by the University; and

   (b) one member of the Academic Staff nominated by the Senate.

Provisions Concerning Appeal Procedures and Powers

29.

(1) The procedure to be followed in respect of the preparation, consolidation, hearing and determination of appeals shall be that set out in paragraphs 2 and 3 below.

(2) Without prejudice to the generality of the foregoing such Ordinances shall ensure:

   (a) that an appellant is entitled to be represented by another person, whether such person be legally qualified or not, in connection with and at any hearing of their appeal;

   (b) that an appeal shall not be determined without an oral hearing at which the appellant, and any person appointed by them to represent them are entitled to be present and, with the consent of the person or persons hearing the appeal, to call witnesses;

   (c) that full and sufficient provision is made for postponements, adjournments, dismissal of the appeal for want of prosecution and for the correction of accidental errors; and

   (d) that the person appointed may set appropriate time limits for each stage (including the hearing itself) to the intent that any appeal shall be heard and determined as expeditiously as reasonably practicable.

(3) The person or persons hearing the appeal may allow or dismiss an appeal in whole or in part and, without prejudice to the foregoing, may:

   (a) remit an appeal from a decision under Part II to the Council as the appropriate body (or any issue arising in the course of such an appeal) for further consideration as the person or persons hearing the appeal may direct; or
(b) remit an appeal arising under Part III for re-hearing by a differently constituted Tribunal to be appointed under that Part; or

(c) remit an appeal from a decision of the appropriate officer under Part IV for further consideration as the person or persons hearing the appeal may direct; or

(d) substitute any lesser alternative penalty that would have been open to the appropriate officer following the finding by the Tribunal which heard and pronounced upon the original charge or charges.

Notification of Decisions

30. The person appointed shall send the reasoned decision, including any decision reached in exercise of their powers under paragraph 29(3)(a), (b) or (c), on any appeal together with any findings of fact different from those come to by the Council as the appropriate body under Part II or by the Tribunal under Part III, as the case may be, to the Vice-Chancellor and to the parties to the appeal.

Part VI Grievance Procedures

Purpose of Part VI

31. The aim of this Part is to settle or redress individual grievances promptly, fairly and so far as may be, within the school, department or other relevant area by methods acceptable to all parties.

Application

32. The grievances to which this Part applies are ones by members of the Academic Staff concerning their appointments or employment where those grievances relate:

(a) to matters affecting themselves as individuals; or

(b) to matters affecting their personal dealings or relationships with other staff of the University, not being matters for which express provision is made elsewhere in this Ordinance.
**Exclusion and Informal Procedures**

33. (1) If other remedies within the school, department or other relevant area have been exhausted the member of the Academic Staff may raise the matter with the Head of the school, department or other relevant area.

(2) If the member of the Academic Staff is dissatisfied with the result of an approach under sub-paragraph (1) or if the grievance directly concerns the Head of the school, department or other relevant area, the member may apply in writing to the Vice-Chancellor for redress of the grievance.

(3) If it appears to the Vice-Chancellor that the matter has been finally determined under Part III, IV or V or that the grievance is trivial or invalid, they may dismiss it summarily, or take no action upon it. If it so appears to the Vice-Chancellor, they shall inform the Council accordingly.

(4) If the Vice-Chancellor is satisfied that the subject matter of the grievance could properly be considered with (or form the whole or any part of):

(a) a complaint under Part III;

(b) a determination under Part IV; or

(c) an appeal under Part V

they shall defer action upon it under this Part until the relevant complaint, determination or appeal has been heard or the time for instituting it has passed and they shall notify the member and the Grievance Committee accordingly.

(5) If the Vice-Chancellor does not reject the complaint under sub-paragraph (3) or if they do not defer action upon it under sub-paragraph (4) they shall decide whether it would be appropriate, having regard to the interests of justice and fairness, for them to seek to dispose of it informally. If they so decide they shall notify the member and proceed accordingly.

**Grievance Committee Procedure**

34. If the grievance has not been disposed of informally under paragraph 33(5), the Vice-Chancellor shall refer the matter to the Grievance Committee for consideration.
35. The Grievance Committee to be appointed by the Council shall comprise:

(a) a Chair; and

(b) one member of the Council not being a person employed by the University; and

(c) one member of the Academic Staff nominated by the Senate.

Procedure in Connection with Determinations; and Right to Representation

36. The procedure in connection with the consideration and determination of grievances shall be determined in Ordinances in such a way as to ensure that the aggrieved person and any person against whom the grievance lies shall have the right to be heard at a hearing and to be accompanied by a friend or representative.

Notification of Decisions

37. The Committee shall inform the Council whether the grievance is or is not well-found and if it is well-found the Committee shall make such proposals for the redress of the grievance as it sees fit.

Annex (See Paragraph 3(1)(c))

Provisions as to the Vice-Chancellor

1. The Council may request its Chair to remove the Vice-Chancellor from office for good cause in accordance with the procedure described in this Annex.

   (1) A complaint seeking the removal from office of the Vice-Chancellor for good cause may be made by not less than three members of the Council to the Chair of the Council.

   (2) If it appears to the Chair of the Council, on the material before them, that the complaint raises a prima facie case and that this could, if proved, constitute good cause for dismissal or removal from office they shall request the Council to appoint a Tribunal to hear and determine the matter.

   (3) If it appears to the Chair of the Council that a complaint made to them under sub-paragraph (1) does not raise a prima facie case or is trivial or invalid, they may recommend to the Council that no further action be taken upon it.
(4) When the Council has appointed a Tribunal under sub-paragraph (2) it shall instruct a solicitor or other suitable person to formulate a charge or charges and to present, or arrange for the presentation of, the charges before the Tribunal.

(5) A Tribunal appointed by the Council shall comprise:

(a) an independent Chair; and

(b) one member of the Council, not being a person employed by the University; and

(c) one member of the Academic Staff.

(6) Subject to the principles of justice and fairness the Tribunal may determine its own procedure.

(7) The Tribunal shall send its reasoned decision on any charge referred to it together with its findings of fact regarding the charge and its recommendations, if any, as to the appropriate penalty to the Chair of the Council and to the Vice-Chancellor drawing attention to the period of time within which any appeal should be made.

(8) Persons appointed to hear such an appeal shall be persons independent of the University holding, or having held, judicial office or being barristers or solicitors of at least ten years' standing and the person so appointed shall, subject to the principles of justice and fairness, determine the procedure to be adopted in hearing the appeal.

(9) A person appointed shall send the reasoned decision on the appeal, together with any findings of fact different from those come to by the Tribunal and their recommendations, if any, as to the appropriate penalty, to the Vice-Chancellor and to the Chair of the Council.

(10) Where a charge or charges have been upheld by the Tribunal and not dismissed on appeal, the Chair of the Council shall decide whether or not to dismiss the Vice-Chancellor.

2. Where a complaint is to be referred to a Tribunal under this Ordinance, the Chair of the Council may suspend the Vice-Chancellor from their duties and may exclude the Vice-Chancellor from the precincts of the University or any part thereof without loss of salary.

3. ‘Good cause’ in this Annex has the same meaning as in paragraph 5 of this Ordinance.

4. For the purpose of the removal of the Vice-Chancellor for incapacity on medical grounds, Part IV of this Ordinance shall have effect subject to the following modifications:

(a) for references to a member of the Academic Staff there shall be substituted references to the Vice-Chancellor;
(b) for any reference to the office of Vice-Chancellor there shall be substituted a reference to the office of Chair of the Council;

(c) for paragraph 23 there shall be substituted: ‘23. If the Board determines that the Vice-Chancellor should be required to retire on medical grounds, it shall ask the Chair as the appropriate officer, to decide whether or not to terminate the appointment of the Vice-Chancellor on those medical grounds.’

Ordinance 42 - Retirement, Resignation or Termination of Contract of Officers and Academic Staff

1. The members of the Academic Staff, the Vice-Chancellor, the Registrar and Secretary, and the holders of any other posts specified contractually for this purpose may retire from office on a date of their choosing subject to the provision of notice in accordance with paragraph 2.

2. The holder of any of the posts referred to in paragraph 1 shall be at liberty to resign their appointment and terminate their engagement with the Council on giving the Council in writing at least three calendar months' notice and shall include one complete full academic term, unless a longer period of notice is agreed mutually at the time of appointment.

3. The holder of any of the posts referred to in paragraph 1 whose employment with the University is to be terminated under Ordinance 41 shall be entitled to be given, in writing, three calendar months' notice.

Ordinance 43 - Suspension or Removal of Officers and Members of the Council

1. The Chancellor may be suspended or removed from office for a Substantial Reason.

2. Any member of the Council who is not employed by the University may be suspended or removed from any office and/or membership of the Council for a Substantial Reason.

3. Any member of the Council who is employed by the University (other than an ex-officio member to whom Ordinance 41 applies) may be suspended or removed from membership of the Council for a Substantial Reason.

4. Where a member of the Council who is also employed by the University is suspended from their employment with the University, the Registrar and Secretary (or relevant nominee) should be notified immediately or, if this is not possible, within two working days of the suspension being
confirmed. The Registrar and Secretary (or relevant nominee) will notify the Chair of the Nominations Committee as soon as is practicable so that a meeting can be scheduled to determine whether to suspend the individual from their role as a member of the Council.

**Process for suspension or removal**

5. Decisions to suspend or remove a member of the Council will be taken by the Nominations Committee. Where the need to suspend or remove a member of the Council is extremely urgent, the decision may be taken by the Chair of the Nominations Committee. Should the Chair be unable to fulfil their role due to incapacity or a conflict of interest, the role will be undertaken by the longest serving Pro-Chancellor. Any decision taken in this way should be reviewed and ratified by the Nominations Committee within three working days.

6. Where a member of the Council who is also employed by the University is suspended from employment with the University on the basis of a medical assessment (by a qualified practitioner in the University's Workplace Health and Wellbeing Team or an independent medical practitioner), the Nominations Committee shall consider whether an independent medical assessment should be sought in regard to their role as a member of the Council. In urgent situations, the suspension or removal from the Council may need to take place with immediate effect and before the independent medical assessment is received, but all efforts should be made to secure an independent medical assessment at the earliest opportunity, if this is required.

7. Before the Nominations Committee decides to suspend or remove, or to ratify an urgent suspension or removal of a member of the Council, the member shall be given a reasonable opportunity to be heard by the Nominations Committee, to see all evidence that is being considered in reaching a decision and to provide their own evidence and make representations.

8. When any decision is taken to suspend or remove a member of the Council, the reason for the decision and in the case of suspension, the duration and the mechanisms and timeframe for review, should be made clear to the individual concerned and reported to the Council within three working days of the decision having been made by the Nominations Committee.

**Review of suspension**

9. A member of the Council that has been suspended following the decision of the Nominations Committee may seek a review of the decision by making written representations to the Registrar and Secretary within 28 working days, following the date of notification of the decision of the Nominations Committee.
10. The Registrar and Secretary (or their nominee) shall bring any representations received (and the date when they were received) to the attention of the Council, and within seven working days of doing so, shall inform the suspended member of the Council in writing that they have done so. The written representations will be considered by the Council at its next scheduled meeting or at a specially convened meeting if this is deemed preferable by the Chair of Council. Any decision of the Council following consideration of the written representations shall be communicated within 28 working days to the suspended member of the Council.

**Termination of membership of the Council**

11. Where a member of the Council is suspended from the Council, and during the period of that suspension, the term of appointment to the role comes to an end, they will cease to be a member of the Council at the end of the term of appointment.

12. Any member of the Council who is also employed by the University shall cease to be a member of the Council upon termination of their employment contract.

13. ‘Substantial Reason’ in this section means:

(a) conviction of an offence which the Council decides, at its absolute discretion, renders the person convicted unfit for the execution of the duties of the office; or

(b) conduct of an immoral, scandalous or disgraceful nature incompatible with the duties of the office; or

(c) conduct constituting failure or persistent refusal or neglect or inability to perform the duties or comply with the conditions of office whether such failure results from physical or mental incapacity or otherwise; or

(d) conduct which means that the member is no longer a fit and proper person for the requirements of any Regulatory Framework to which the University is subject; or

(e) breach of the Governors’ Code of Conduct applicable to Council members from time to time; or

(f) medical incapacity which means that the member is no longer fit to undertake the duties of the office; or

(g) any other substantial reason which is considered to justify suspension or removal.
Ordinance 44 - Emeritus Professors

A Professor, on retirement and in recognition of distinguished service to the University of Essex, may be granted by the Senate, the title Emeritus Professor. Emeritus Professors shall not have any specific duties or powers, but are expected to maintain contact with their School or Department and contribute, as appropriate and in so far as they are able, for the benefit of their School or Department and the University as a whole. As part of this association with the University, in accordance with Ordinance 20, Emeritus Professors shall be members of the Court.

Ordinance 45 - External Examiners

1. For every assessment for an award of the University there shall be at least one External Examiner.

Taught provision

2. An External Examiner may be appointed as an ‘Award External Examiner’ or a ‘Module External Examiner’. No External Examiner shall be a current member of staff or shall have been a member of staff within the previous five years, either of the University of Essex or of a partner institution delivering programmes of study leading to a degree of the University. The Senate may designate awards of the University other than degrees, for which External Examiners should be appointed.

3. External Examiners shall be appointed for a period of four years by the Chair of the relevant Faculty Education Committee or nominee appointed by the Chair, or by the Dean of Partnerships or nominee appointed by the Dean of Partnerships, under powers delegated by the Senate, receiving nominations from the Departments or partner institutions concerned. Appointments may be terminated with two months' notice by either party. External Examiners for taught degree courses may not normally be re-appointed by the University for four years. Exceptional cases may require approval by the Pro-Vice-Chancellor (Education).

4. Decisions as to the classification of a degree and the conferment or not of a Bachelor’s degree shall normally require the consent of the appropriate Award External Examiner. If the External Examiner cannot consent, the decision requires the consent of a two-thirds majority of the examination board, including the Chair. The exception to this is when the board is suspended under Regulation 6.28.
Research provision

5. In any examination for a research degree of the University there shall be at least one External Examiner.

6. External Examiners for research degrees shall be appointed by the Chair of the relevant Faculty Education Committee or nominee appointed by the Chair under powers delegated by the Senate, receiving nominations from the Departments or partner institutions concerned.

7. No External Examiner for research provision shall be a current member of staff or shall have been a member of staff within the previous five years, either of the University of Essex or of a partner institution delivering programmes of study leading to a degree of the University. Exceptional cases may require approval by the Pro-Vice-Chancellor (Education).

Ordinance 46 - Boards of Examiners

1. The Senate has responsibility delegated from Council to arrange for the conferral of Degrees, Diplomas, Certificates and other awards of the University. As such, Senate is responsible for the system of academic governance whereby final decisions on the results for modules, progression, awards and degree classification for all students of the University are determined.

Taught provision

2. The Senate has delegated to Boards of Examiners the power to make the final decision on the results for modules, progression, awards and degree classification for all students of the University, provided that the Board of Examiners is properly constituted in accordance with the procedures approved by the Senate.

3. In circumstances in which Boards of Examiners are not able to be properly constituted in accordance with the procedures approved by Senate, or are unable for any other reason to exercise the powers delegated to them by the Senate, the Chair of that board (or where this is not possible the Secretary) after taking all reasonable steps to address the situation shall be responsible for drawing this matter to the attention of the Chair of Senate and requesting that this power should revert to the Senate. The Chair of Senate may delegate authority to an alternative board of examiners which, provided it is properly constituted, can take forward the responsibilities subject to the normal powers outlined in (1) above.
Research provision

4. The Senate has delegated to the Chair of the relevant Faculty Education Committee or nominee appointed by the Chair the power to make the final decision on the results for all research degrees following recommendations from the examiners.

Ordinance 47 - Regulations, Policies and Procedures

The Senate shall determine University regulations, policies and procedures for all programmes of study of the University. The Academic Registrar shall ensure that accurate and timely information is published to students. No change of substance shall be made to the regulations, policies and procedures pertaining to programmes of study of the University unless such change has been approved by the Senate and published by the Academic Registrar in advance of the academic year in which the change is to apply or, in exceptional circumstances, to be approved in each case by the Chair of Senate, on behalf of the Senate, before the first day of the period of study in which the change is to apply. In-year changes are normally only made where they are designed to bring benefits to all affected students and/or they relate to changes in the law, statutory requirements or obligations imposed upon the University by the government. Such changes shall be enacted immediately, subject to approval by the Chair of Senate and the Academic Registrar shall ensure the relevant information is published in a timely manner.

Ordinance 48 - Year and Term

1. In the Charter, Ordinances and Regulations 'year' shall be defined as 12 calendar months.

2. With reference to the report of the Auditors and the Accounts, 'year' shall be 12 calendar months from the first day of August, unless in a particular case the circumstances require otherwise.

3. With reference to the appointment of the Principal Officers of the University, 'year' shall be 12 calendar months from the first day of August, unless in a particular case the circumstances require otherwise.

4. With reference to meetings of the Council and the Senate and their Boards and Committees, and to the Annual Report, 'year' shall be 12 calendar months from the first day of August.

5. The period from the first day of the Autumn Term to the last day of September, both days included, shall be known as the 'academic year'.

6. The structure of the academic year shall be determined by the Senate.
Ordinance 49 - Use of the University Seal

1. All deeds and documents requiring to be sealed by the University shall be sealed in the virtual (whereby all participants can see and hear each other) and/or physical presence of two members of the Council, or of one member of the Council and the Registrar and Secretary or the Director of Finance, Planning and Data Insight, or of the Registrar and Secretary and the Director of Finance, Planning and Data Insight.

2. A Register shall be kept by the Registrar and Secretary, or their nominee, listing all deeds and documents signed under seal. The Register shall be available for inspection by any member of the Council.
