# WELCOME

A warm welcome to you and thank you for choosing Essex. We hope that you will enjoy your stay with us.

## About us

DerwentFM operate the Quays, Meadows and Copse on behalf of uliving and in partnership with the University, in accordance with the ANUK code and the University's Tenancy agreement.

This pack provides information and useful contact details to help you settle in and make the most of your surroundings.

Our staff are trained professionals who offer assistance and advice with accommodation related issues. We are always willing to provide support, especially to those who are living away from home for the first time.

Keep this guide in a safe place and refer to it when you need it.

An electronic version of this document is:

## ► Quality standards

Your accommodation is covered by the Accreditation Network UK (ANUK) code of practice for the management of student housing.

## Building Safety Act – Engaging with our Residents

If you are resident in Cole Building at the Meadows or The Oaks Building at the Copse, your building falls into the High Risk Category under the Building Safety Act, due to the height of the buildings.

## What does this mean to you?

Living in a tall building does not mean you are at any greater risk of a fire breaking out, but it does mean that you need to be more aware of the procedures you should follow in the event of a fire and make sure you are as attentive as possible to the fire safety advice you are given by your Building Management team and the University. This is to ensure the buildings can be evacuated as safely and quickly as possible should a fire occur.

## What are your responsibilities?

All students, regardless of which building you live in, are expected to

take part in any prearranged fire evacuations, as well as evacuating if the alarm sounds unexpectedly. This will ensure that you understand the quickest and safest route to evacuate the building should an emergency occur.

Familiarise yourself with where the fire blanket is in your kitchen and ensure that fire doors are kept closed

Sound the alarm if you see a fire.

Maintain good housekeeping – minimise clutter and ensure that walkways and fire exits are kept clear

Report issues when you see them.

## What are our responsibilities?

To maintain a safe environment and ensure you are kept informed about the building you live in.

The following website details how we will do that;

<https://www.derwentstudents.com/building-safety-act/>

If you would like further information or need to report and issue or concern about your building please contact reception.

## The ANUK code sets out the specific standards of good management practice of student housing for its members

The code protects your rights to:

- A healthy, safe environment
- Timely repairs and maintenance
- A clean, pleasant living environment
- A formal, contractual relationship with your landlord
- Access to health and wellbeing services
- A living environment free from anti-social behaviour

Further information is available at [essex.ac.uk/life/accommodation](https://essex.ac.uk/life/accommodation) and the full code can be found on the ANUK website

## Keys

When you arrive, you will receive a key and a fob/card (The Copse is fob/card only) which will give you entry into your flat and your room. On the kitchen notice board you will find 2 Post box keys for your flat mailbox.

## Lost key/key fob/post box key

Look after your key. If you lose it you will have to pay a £15 fee for a replacement.

If you lose your key fob/card there will be a £5 charge for a replacement and if you lose your post box key, there will be a £5 charge for a replacement.

If you lose any of your keys or your fob, take your student registration card to reception to get a new one. Outside office hours contact security at reception.

When you receive your replacement keycard and fob, you will be invoiced which must be paid within seven days, you can pay at the Student Services Hub.

If you find your key or fob and return it to us within a 3 month period, we will refund the fee.

## Locks

If your lock is showing an amber light, this means that the battery in the unit is running low. Please email [mgessexhelpdesk@derwentfm.com](mailto:mgessexhelpdesk@derwentfm.com) and one of the team will come to replace it.

## Locked out

Don't worry. Contact reception, or security on 07460 373172 outside office hours, and they will arrange for you to be let back in.

## Move out

When it is time to leave at the end of your contract, you are required to move out by 10am on the last day of your contract. Take a look at our moving out pages for further information in guidance on what to do, and how to donate unwanted items [essex.ac.uk/student/accommodation/moving-out](https://essex.ac.uk/student/accommodation/moving-out). Your room, your kitchen items and food should be completely cleared and items either donated or disposed of in the bins outside.

## TIP:

If you install VOIP for your computer you will need a microphone. If you don't have one you can buy a headset from Essex Essentials, or the University Computer Services Helpdesk.

We strongly recommend that you install VOIP on your computer. This will enable you to dial emergency numbers quickly. You will also be able to dial any University department free of charge, by simply dialling 224 before the four digit extension number (this is the last four digits of the telephone number).

When moving out – if Reception is closed please use the drop box located outside The Copse reception, The Meadows reception or outside the University Quays Security Office.

## Going away?

To make sure we comply with health and safety regulations we need to know if you are going to be away from your room for more than seven days. So, if you are going home for a break at anytime do let us know by completing our online form [essex.ac.uk/student/accommodation/going-away](https://essex.ac.uk/student/accommodation/going-away)

## Recycling and rubbish

We are committed to reducing the impact of our carbon emissions on the environment, and take every opportunity to reduce waste and use resources wisely.

Our caretakers will check kitchens daily, Monday to Friday. There is no rubbish removal at weekends or Bank Holidays.

Please ensure when disposing of fat (oil, lard, fat from meat), that you do not pour down either the sink or toilet. The reason for this is that the fat builds up within the pipes and can cause the pipes to burst once blocked. Please securely bag up the fat and dispose of in your rubbish. Please note that there maybe a charge if we are required to unblock your kitchen sink.

Clothing banks are available at all sites.

We provide recycling bins in each kitchen for mixed recycling including cans, plastic, glass, paper and cardboard.

Please do not put recyclable items in with the general rubbish.

## Waste reduction

Not producing waste in the first place is a great way to reduce your environmental impact. Wasting food is expensive and bad for the environment.

## Pest control

Pest infestations occasionally happen and should be reported to reception [mgessexhelpdesk@derwentfm.com](mailto:mgessexhelpdesk@derwentfm.com) as soon as possible. The contractor will respond as soon as possible. Non urgent infestations will be responded to within 72 hours.

## Gym Membership

All students living in the University's Colchester Campus accommodation will receive an Essex Sport Silver membership.

Silver membership gives you off-peak access to Essex Sport Gym and fitness classes, as well as anytime access to sports facilities, such as badminton and basketball courts and the climbing wall.

You will need to activate your membership before you can use it. Essex Sport will send you an email with instructions on how to do this. Alternatively, you can activate it at the Sports Centre upon your arrival in the Autumn Term.

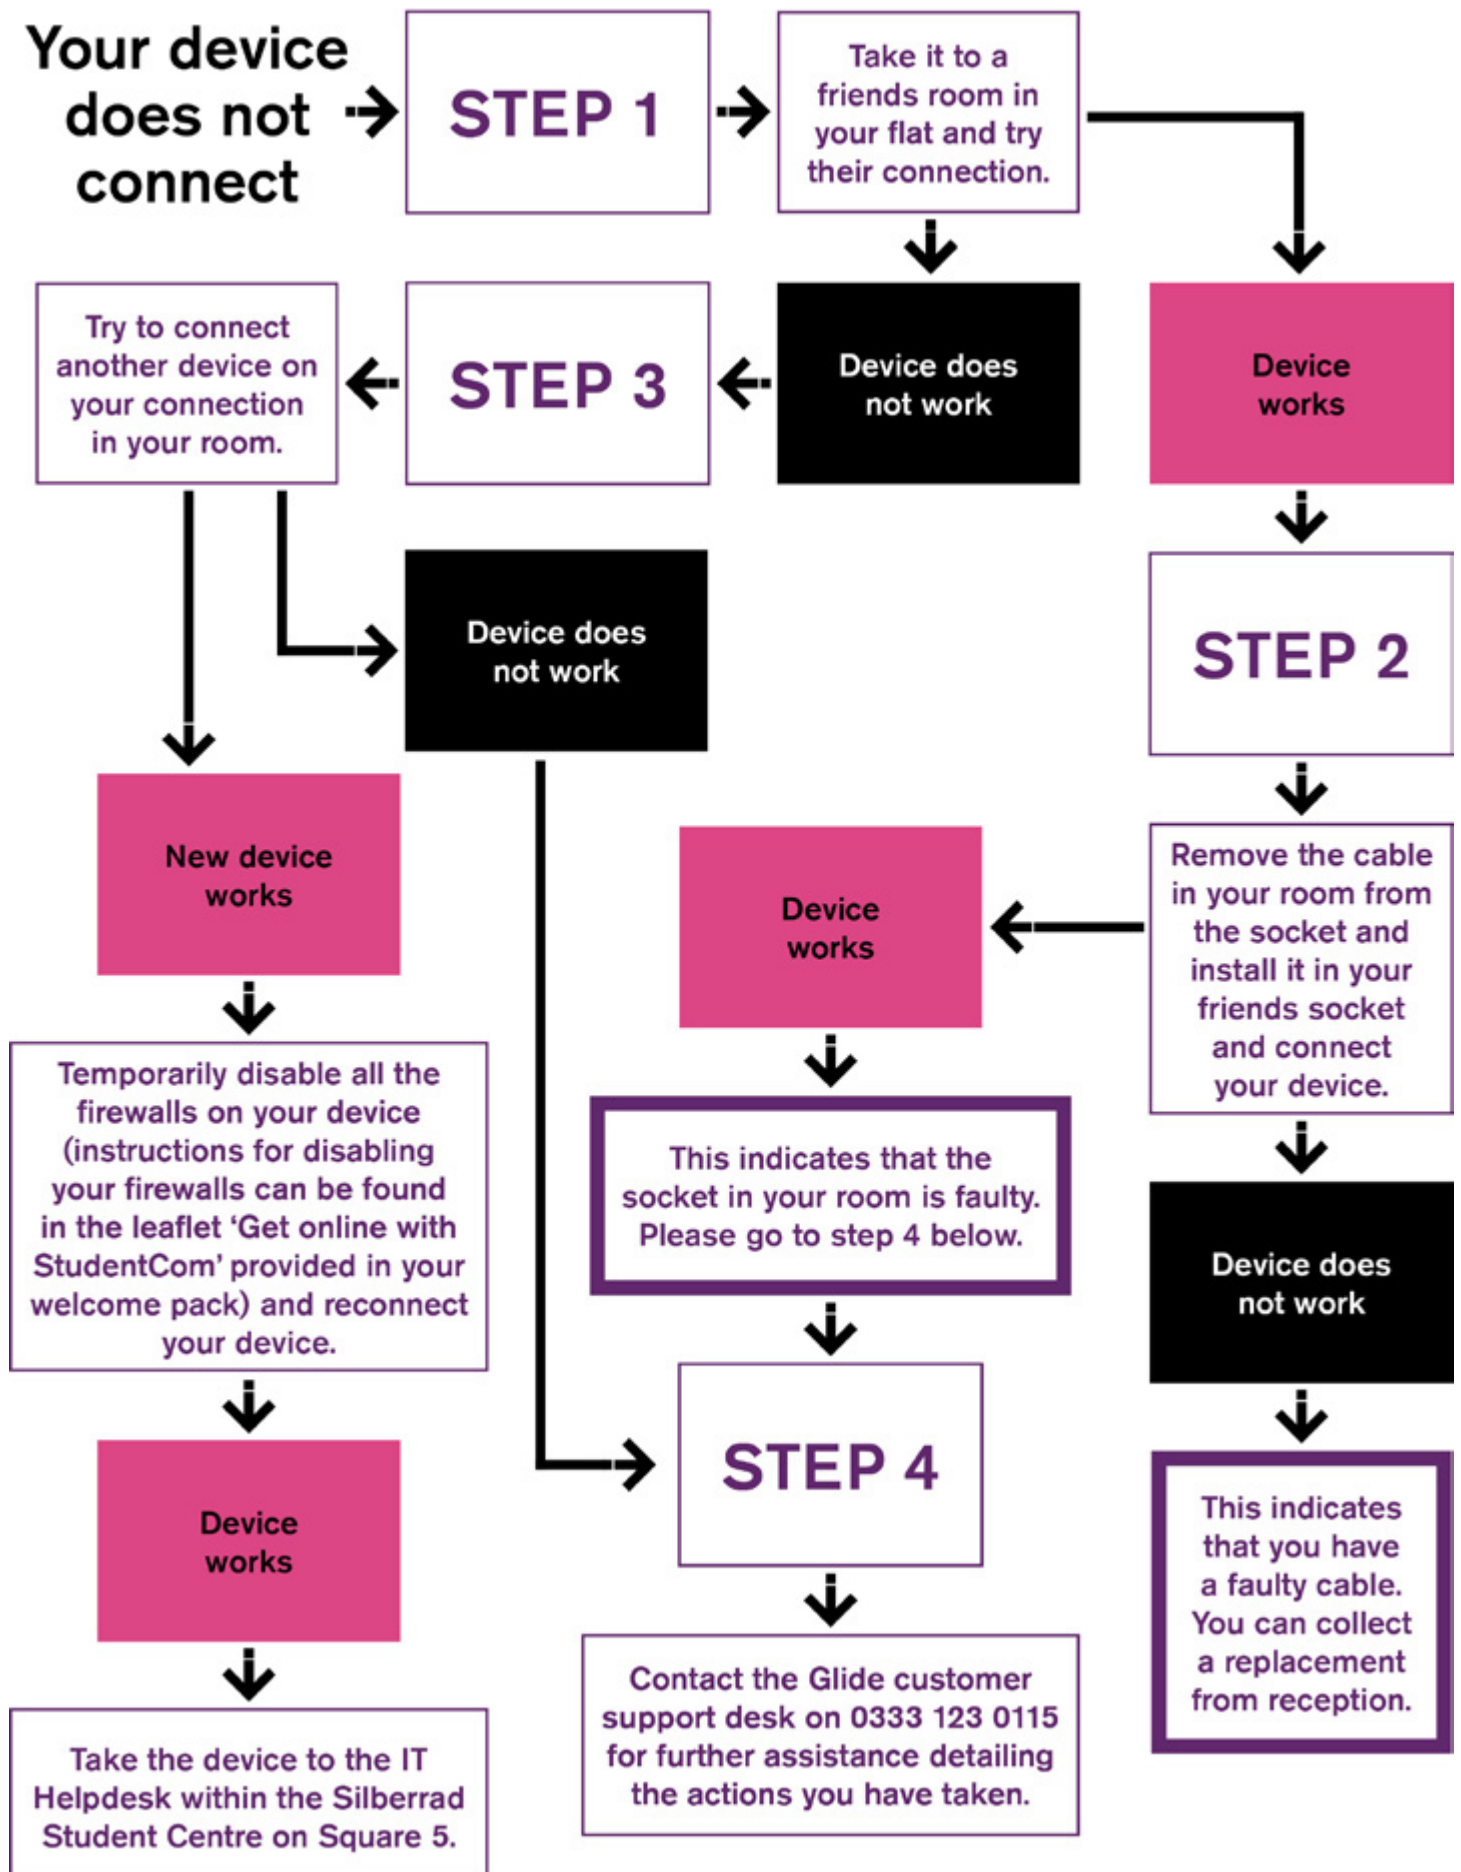

More information can be found here: [essex.ac.uk/sport/membership/student-membership](https://essex.ac.uk/sport/membership/student-membership)

## Cleaning and maintenance

We provide a cleaning service during term time to the communal areas of all our single accommodation.

Our housekeepers clean surfaces and cooking facilities, such as cookers and microwaves, but they do not clean or wash up personal items including cutlery and cooking pans. Please help by clearing the sinks and worktops on your kitchen cleaning day.

You are expected to keep your room and en suite bathroom clean and tidy, as well as the communal areas of your flat. This is especially important when living with other people.

## Ice, snow and leaf clearing

Information regarding the removal of ice, snow and leaves during the winter season is available at [essex.ac.uk/student/accommodation/safety-and-security](http://essex.ac.uk/student/accommodation/safety-and-security)

## Room inspections

We inspect all bedrooms twice yearly. This helps us ensure that the accommodation is being kept in accordance with our terms and conditions, and that the health and safety of all students and staff is maintained.

You will be notified of the date of these inspections via your Essex email address.

# YOUR ACCOMMODATION

## Post

Mail will be delivered daily from Monday to Friday to your post box. There is no delivery at weekends, on public holidays or between Christmas and the New Year.

Large items and those requiring a signature should be collected from The Copse post room at reception or the Quays reception. When you leave your University accommodation after your contract with us has finished, please ensure that you redirect your mail for any post/parcels that may arrive after your departure. Please note that parcel collection will not be available at weekends and Bank Holidays.

You will receive an email from reception when a parcel has been received for you. The post room cannot forward post to addresses outside the UK.

If you choose to stay with us during the summer vacation, the post room will continue to deliver your post to you.

## Utilities

Heating, hot water and electricity are included in your rental charge; but please consider the environment and try and minimise use. As well as keeping the University's carbon footprint low it helps the University lower fuel bills, which keeps rents low.

Heating runs continuously throughout the winter season for your comfort. The temperature in most rooms can be controlled by the thermostat on the heater. The heating is normally turned on when temperatures start to fall at the end of September. We then turn the heating off, towards the middle to end of June, when temperatures start to rise again.

## Returning accommodation applications

Returning accommodation applications open in November, so don't forget to head to our website <https://www.essex.ac.uk/life/accommodation/apply/returning-students>, to check out your options and any special offers for the 2025-26 academic year in campus accommodation.

## TIP:

TIP: Help save energy – remember to turn off lights in empty rooms. Don't leave electrical equipment on standby, this uses a lot of electricity.

The University Sustainability team runs the #LittleChoicesBigChanges campaign, with competitions for saving energy and recycling. The greenest flats on campus will win prizes. Visit [facebook.com/UoESustainability](https://facebook.com/UoESustainability) for more information.

## Paying your rent

Information on how much your rent is and when it has to be paid by can be found on your letter of allocation which would have been emailed to you before you arrived. Please make sure you are aware of when your rent is due and pay it in good time.

Further information can also be found online at <https://www.essex.ac.uk/life/accommodation/payments>

## Insurance

Your personal possessions that you keep in your room are covered by Endsleigh Insurance. This does not cover items such as your laptop and your phone when you use them outside your room. You should check that the cover provided meets your needs. If you wish to take out additional cover this can be arranged with Endsleigh direct, [endsleigh.co.uk/my-endsleigh](https://endsleigh.co.uk/my-endsleigh)

## Residence Life

Residence Life is a campus service to help you gain a positive experience from living and learning. The team is formed of student-staff called Residents' Assistants (RA) who focus on community building, supporting students' transition to university life, and providing programs that enhance cultural competencies. The Resident Assistants (RAs) are there to help you integrate into University life and will organise a range of social activities where you can get to know other students in your accommodation and familiarise yourself with the local area. They are also there to offer support should you have trouble settling in or are home sick. The Residence Life program includes monthly activities, guidance on being a good neighbour, promotion of wellbeing events, and support for international students adjusting to the local community.

For any support, email: [reslife@essex.ac.uk](mailto:reslife@essex.ac.uk).

## Guests

You can start having a guest to stay, two weeks after your contract has started for occasional stays of up to three nights duration. Due to Health and Safety reasons, you are required to let the us know on each occasion, who you have staying with you, so please contact the Student Services Hub, with their details and length of stay.

If you want your guest to stay for more than 3 nights (maximum of 7 nights), then you are required to request permission by contacting the Student Services Hub.

Please let the team know the name of the person staying overnight, as well as their contact details and how long they will be staying (children under 16 are not permitted to stay overnight in our accommodation).

Should your request be at short notice, please also let your area accommodation office know, as the Student Services Hub may not have had enough time to inform them about your guest.

If you live in a designated single gender flat, you are not permitted to have guests of the opposite gender visit or stay overnight.

Please remember, that you are responsible for the behaviour of your guests.

Additional beds are available upon request for main campus in Colchester (South Courts, The Towers, The Houses, and Wolfson Court) and University Square in Southend. Please contact the Student Services Hub for this request.

## Circuit laundry app

You can now use our smart-scan technology Circuit Laundry app for paying for your laundry via your smart phone. This makes doing your laundry less of a hassle. The laundry app lets you top-up your Circuit app account in seconds and then you are good to go. Just turn up at either the Meadows or Copse laundry, load your laundry, scan a machine's QR code and select the programme you want to start – job done! Once the washer or dryer gets going, the app will give you a countdown that tells you how long until your laundry is done.

Check out the useful guide online, which shows you how it all works [circuit.co.uk/help-support/video-guide](https://circuit.co.uk/help-support/video-guide)

For further information on how to use the Laundry please go to this link [circuit.co.uk/i-want-to-do-my-laundry/laundry-help](https://circuit.co.uk/i-want-to-do-my-laundry/laundry-help)

## Laundrettes

Laundrettes are located in The Pavilion at The Meadows, Hawkins 1 at University Quays and in The Oaks at The Copse.

The laundrettes are operated by Circuit. To ensure a consistent level of service, it is very important that you report faults directly to Circuit on:

# LIVING ON CAMPUS

T 01422 820026 or visit

► [circuit.co.uk/contact-us/report-a-fault](https://circuit.co.uk/contact-us/report-a-fault)

Laundry cards can be purchased for £2 from the machine in reception at The Copse and University Quays. Please note the machines only accept coins.

You can put credit on your card online.

The University with DerwentFM will not accept responsibility for any items left in the laundrette, please ensure you do not leave your belongings unattended.

## Food and drink

You won't go hungry at Essex – If you don't want to cook for yourself we offer a wide choice of cafés, restaurants and bars to suit all tastes and budgets. You can grab a coffee from the shop located at The Pavilion at The Meadows and a vending area at University Quays. From tasty 'grab and go' snacks to traditional, home-cooked cuisine, we aim to cater for all.

## Sport

The University has excellent sports facilities with a fitness studio and the Evolve Gym, as well as a range of outdoor facilities. There is something for everyone. Further details can be found at:

► [essex.ac.uk/sport](https://essex.ac.uk/sport)

## Car parking and bike storage

There is no provision for students (other than disabled students) living in University accommodation (other than students living in The Meadows) to register a car to park on campus.

You may park a motorcycle on campus. Your vehicle must be registered with the University estates department, but you will not need to pay any parking charges. Parking for motorcycle is available under podia or in the North Campus car park.

Bike storage is available at The Copse, The Meadows and the Quays. Please be aware that you park your bike at your own risk so always remember to lock it before you leave. We recommend that you take out appropriate insurance cover for your bike. You must not keep your bike inside the building, so not in your flat, room or any of the corridors.

# SAFETY AND SECURITY

---

## Fire

Please make sure you are familiar with our fire safety procedures which can be found online at [essex.ac.uk/student/accommodation/safety-and-security](https://essex.ac.uk/student/accommodation/safety-and-security). Fire safety information is available in your room and the kitchens of all flats.

If you discover a fire:

### SHOUT OUT

Raise the alarm. Alert other people and activate the fire alarm by breaking the glass alarm panel near the exit to the building.

### GET OUT

Follow the fire exit signs and leave the building. Go to the designated assembly points at the front of the building away from the door. Do not go back to collect personal belongings.

### STAY OUT

Do not re-enter the building until a member of staff or the Fire Service inform you it is safe to do so.

Watch our Fire Safety video for tips on how to stay safe.

► [vimeo.com/145121411](https://vimeo.com/145121411)

## Fire Alarms

Interlinked smoke and heat detectors are fitted throughout the accommodation.

Cooking or showering with the door open or using aerosols near the detectors may cause the alarms to be activated.

## Fire alarm testing

Fire alarms are tested each week on Wednesdays at approximately 1.30pm.

## TIP:

Keep yourself safe, don't wear headphones in bed as you may not hear the fire alarm if it goes off.

## Fire doors

For your safety, doors in the residences are fitted with self closing mechanisms. They are designed to prevent the spread of smoke and fire and must not be wedged open.

## Cooking

All flat kitchens are fully equipped so you can prepare and cook meals.

You must not cook food in your bedrooms. This is a serious fire risk; food should only be cooked in the kitchen.

## Fire blankets

Fire blankets are available for you to use in an emergency. Please make yourself familiar with how to use one.

## Candles

The use of lighted candles, incense sticks, aromatic oil heaters or any other device which has a naked flame, is prohibited in University owned or administered residential accommodation, except with the prior written permission of the Registrar & Secretary.

Candles and other prohibited devices will be removed from residential accommodation by university staff including where these are for display purposes only.

## Halogen Lamps

Please note that halogen heaters and lamps are not permitted in accommodation.

## Flammable materials

You are not permitted to store any kind of flammable material in your accommodation.

Disciplinary action may be taken for breaches of any of the above conditions.

# SAFETY AND SECURITY

## E-scooters and e-bikes

E-scooters are not permitted on campus, which includes accommodation. E-Scooters and e-bikes should not be taken into your accommodation for charging or storage. Should an e-scooter or e-bike be found during our annual inspections, then it will be reported and may be confiscated. This is because the equipment can produce significant heat which could start a fire or cause injury.

## Personal emergency evacuation plans (PEEPs)

If you think you might have difficulty exiting a building in an emergency, we can prepare a PEEP for you. This can also be done if you have temporary mobility difficulties such as broken limbs.

To request a PEEP contact:

**Derwent security safeguard supervisor**

**T 07460 373172**

**E [mquessexhelpdesk@derwentfm.com](mailto:mquessexhelpdesk@derwentfm.com)**

## First aid emergency, accident or illness contact security

If you require emergency assistance/medical assistance call:

**07460 373172**

There are trained first aiders in reception.

In the event of a serious accident or illness, please call reception and give your location.

In the event of a medical emergency please call the emergency services and then inform us so we can direct them to the exact site of the emergency without delay.

If you require medical assistance call:

**07460 373172**

## Smoking

Smoking, including e-cigarettes is not permitted in any area of University provided accommodation. This means you must not smoke in your room or the communal areas or corridors of the accommodation. This includes e-cigarettes. Further information is available at [essex.ac.uk/student/values/code-of-student-conduct](https://essex.ac.uk/student/values/code-of-student-conduct)

Smoking within the accommodation will result in disciplinary action and a charge will be applied to deep clean, replace the mattress and repaint the room. See page 16 for charges.

## Electrical safety

If you are an overseas student, you must ensure that your electrical equipment is compatible with the UK mains power supply which is 220-240V, 50 Hz. If your equipment has a different rating it may not work properly and could be dangerous to use.

The plugs on your electrical equipment may require an international adapter so they fit a UK three pin mains socket. Adaptors must be fused and comply with UK and University safety standards.

Fused travel adaptors and other electrical appliances approved by the University are available to buy online from [essex.ac.uk/online\\_shop/essexessentials/default.aspx](https://essex.ac.uk/online_shop/essexessentials/default.aspx)

Guidance on electrical safety and pictures of the recommended travel adaptor are available on the webpage, [essex.ac.uk/student/accommodation/safety-and-security](https://essex.ac.uk/student/accommodation/safety-and-security)

## TIP:

Add the emergency number in this book into your mobile phone.

## Windows

To ensure the safety of everyone on campus, you must not throw any items out of the windows of the accommodation. This is an offense under the Code of Conduct and could result in disciplinary action; further details are available at [essex.ac.uk/governance-and-strategy/governance/regulations](https://essex.ac.uk/governance-and-strategy/governance/regulations)

## Stay safe

Our campus accommodation provides a safe and secure place to live, however you should take precautions to ensure that you keep yourself and your belongings as safe as possible.

### TIP:

Always close your windows when you leave your room – especially if you live on the ground floor. This will deter opportunist thieves and prevent windows from closing sharply during windy conditions.

Don't hold building or flat doors open for other people if you do not know them.

Don't prop flat main entrance doors open.

Don't leave belongings unattended within your communal areas.

# HEALTH AND WELFARE

---

## Health services

You are required to register with a local doctor for the duration of your studies at the Essex and you can do this online at [rowhedgesurgery.co.uk](http://rowhedgesurgery.co.uk) for our own Health Centre, located on the north side of campus, behind Raleigh Tower. Here they offer a full range of NHS services including GP appointments, a nurse and specialist clinics for asthma, diabetes, sexual health and contraception.

## Prescriptions

The Health Centre is unable to dispense prescriptions, however, the Students' Union (SU) offer a prescription service.

If you drop off your prescription at the SU reception by midday, it will be ready for you to collect by 3pm the following day.

## Consent and keeping yourself safe

Sexual consent is when someone willingly agrees to sexual activity with another person(s) and they are free and able to make their own decision. Sex without consent is rape or sexual assault so understanding what consent means really matters. Consent needs to be enthusiastic, freely given, and can be withdrawn at any point during a sexual encounter. If you are still unsure about consent and how it works then watch this short video clip [youtube.com/watch?v=oQbei5JGiT8](https://www.youtube.com/watch?v=oQbei5JGiT8) or check out [pauseplaystop.org.uk](http://pauseplaystop.org.uk)

## Report and Support

Your safety is paramount. You can use this online tool to report incidences of physical assault, sexual harassment, hate crimes, online harassment, stalking, bullying or discrimination. For more information [reportandsupport.essex.ac.uk](http://reportandsupport.essex.ac.uk)

## Student Services Hub

Our Student Services Hub offers confidential advice and information on many welfare issues to assist you through your time here at Essex. These include adjusting to University life, financial concerns and immigration issues or if you just need to talk. They provide support to disabled students including advice and assistance regarding any adaptations you may require in your room (further details are available at [essex.ac.uk/student/advice-and-support](http://essex.ac.uk/student/advice-and-support)). They also provide support to students with specific learning difficulties, mental health difficulties or long term medical conditions, as well as offering a counselling service.

# MAKING A COMPLAINT

---

We aim to provide students with accommodation which is clean, well maintained and allocated as set out in our Allocation Policy.

We aim to provide you with an excellent service at all times, so we need you to tell us if we have made a mistake. This procedure explains how you can do this, and how we will deal with your complaint.

If you have any concerns about the service you have received from us, you should raise them with a member of staff at your earliest opportunity. We will always try to resolve your complaint quickly and informally.

## **Stage 1 – make a formal complaint**

If you do not believe your complaint has been dealt with correctly, you can ask the relevant manager to look into your complaint formally. You can make a complaint in a number of ways:

- face-to-face
- by email: [mgessexhelpdesk@derwentfm.com](mailto:mgessexhelpdesk@derwentfm.com)
- by letter
- Services and Administration online form

We will investigate your complaint and send you an email response within 10 working days. Sometimes we will need another department to provide us with information to investigate your complaint fully. If this is the case, we will let you know if your complaint will take longer than 10 working days to respond to. Further details about how to make a complaint can be found at [essex.ac.uk/student/accommodation/accommodation-complaints](https://essex.ac.uk/student/accommodation/accommodation-complaints)

## **Complaints about a member of staff**

If your complaint is about a member of staff, you can ask to speak to their manager directly. If you make a complaint about a member of staff you must be prepared to make a formal statement and to attend any disciplinary hearing that might result.
