**Lost key/key fob/post box key**

Look after your key. If you lose it you will have to pay a £15 fee for a replacement.

If you lose your key fob there will be a £5 charge for a replacement and if you lose your post box key, there will be a £5 charge for a replacement.

If you lose any of your keys or your fob, take your student registration card to reception to get a new one. Outside office hours contact security at reception.

When you receive your replacement item, you can pay at the Student Services Hub.

If you find your key or fob and return it to us within a 3 month period, we will refund the fee.

**Locked out**

Don’t worry. Contact reception, or security outside office hours, and they will arrange for you to be let back in.

**Key Return**

When moving out - if Reception is closed please use the drop box located outside The Meadows reception or outside the Quays Security Office.

**Internet access**

Internet access and Wi-Fi is provided free of charge in all of our rooms. Switch on your computer, connect to Glide and follow the on-screen instructions to register.

Glide offers a range of services; file backup, web security, music and gaming as well as freewire phone using VOIP (Voice Over Internet Protocol).

Some of these services are free of charge and some can be purchased through the Glide portal. More information can be found at my.glidestudent.co.uk/registration/extras.

If you have any difficulties accessing the network once you are registered, please follow the fault-finding flow chart on the following page. If, after having done so you still cannot access the network, contact:

- **Glide**
  - T 0333 123 0115
  - E support@studentcom.co.uk

**Recycling and rubbish**

We are committed to reducing the impact of our carbon emissions on the environment, and take every opportunity to reduce waste and use resources wisely.

Our caretakers will check kitchens daily, Monday to Friday. There is no rubbish removal at weekends or Bank Holidays.

Please ensure when disposing of fat (oil, lard, fat from meat), that you do not pour down either the sink or toilet. The reason for this is that the fat builds up within the pipes and can cause the pipes to burst once blocked. Please securely bag up the fat and dispose of it in your rubbish. Please note that there maybe a charge if we are required to unblock your kitchen sink.

Clothing banks are available at all sites.

We provide recycling bins in each kitchen for mixed recycling including cans, plastic, glass, paper and cardboard.

Please do not put recyclable items in with the general rubbish.

**Waste reduction**

Not producing waste in the first place is a great way to reduce your environmental impact. Wasting food is expensive and bad for the environment.

**Pest control**

Pest infestations occasionally happen and should be reported to reception as soon as possible. The contractor will respond to urgent infestations within 24 hours. Non urgent infestations will be responded to within 72 hours.
Cleaning and maintenance

We provide a cleaning service during term time to the communal areas of all our single accommodation. Our housekeepers clean surfaces and cooking facilities, such as cookers and microwaves, but they do not clean or wash up personal items including cutlery and cooking pans.

You are expected to keep your room and en suite bathroom clean and tidy, as well as the communal areas of your flat. This is especially important when living with other people.

Ice, snow and leaf clearing

Information regarding the removal of ice, snow and leaves during the winter season is available at www.essex.ac.uk/life/accommodation/living-on-campus

Room inspections

We inspect all bedrooms twice yearly. This helps us ensure that the accommodation is being kept in accordance with our terms and conditions, and that the health and safety of all students and staff is maintained.

You will be notified of the date of these inspections via your Essex email address.

Reporting a repair

You can report a non-urgent repair by email. Urgent faults or repairs should be reported on the telephone number below.

Large items and those requiring a signature should be collected from The Copse post room at reception or the Quays reception. Please note that parcel collection will not be available at weekends and Bank Holidays.

Utilities

Heating, hot water and electricity are included in your rental charge; but please consider the environment and try and minimise use. As well as keeping the University’s carbon footprint low it helps the University lower fuel bills, which keeps rents low.

Heating runs continuously throughout the winter season for your comfort. The temperature in most rooms can be controlled by the thermostat on the heater.

Paying your rent

Information on how much your rent is and when it has to be paid by can be found on your letter of allocation which would have been emailed to you before you arrived. Please make sure you are aware of when your rent is due and pay it in good time.

TIP:
- Help save energy - remember to turn off lights in empty rooms. Don’t leave electrical equipment on standby, this uses a lot of electricity.

Residence Life
The aim of Residence Life is to create a community environment where students can live and study. Residence Life is a network of volunteers and members of staff that live in the residences and are available to offer support to residents day and night, and to signpost to a range of support services.

The Resident Assistants (RAs) are there to help you integrate into University life and will organise a range of social activities where you can get to know other students in your accommodation, and familiarise yourself with the local area. They are also there to offer support should you have trouble settling in or are home sick.

The RAs will arrange to meet with you and your flatmates to help you agree on some of the day to day issues that can arise, such as cleaning of communal spaces and quiet times. The RAs are also able to give information and support if you experience anti-social behaviour.

A contact telephone number for the RA in your area can be found on your flat notice board or online at www.essex.ac.uk/life/accommodation/living-on-campus/residence-life

Guests
You cannot request permission for a guest to stay until two weeks after your autumn term contract has started because it is disruptive to the process of students settling in. After then, you are allowed to have one guest for an occasional stay of up to three nights duration. You do need to seek permission by contacting the Student Services Hub. Please let the team know the name of the person staying, as well as their contact details and how long they are staying for. We may also ask for the gender of your guest, if you are living in a single gender flat. If you want to request for your guest to stay longer than three nights, then speak to the Manager for your area. (children under the age of 16 are not permitted to stay in the accommodation).

Laundrettes
Laundrettes are located in The Pavilion at The Meadows, Hawkins 1 at The Quays and in The Oaks at The Copse.

The laundrettes are operated by Circuit. To ensure a consistent level of service, it is very important that you report faults directly to Circuit on: T 01422 820026 or visit www.circuit.co.uk/machine-faults-and-breakdowns/

Laundry cards can be purchased from reception at The Copse and The Quays.

You can put credit on your card either at the machine or online. Please do not leave your belongings unattended when using the laundrettes.

For further information on how to use the Laundry please go to this link www.circuit.co.uk/i-want-to-do-my-laundry/laundry-help/

Food and drink
You won’t go hungry at Essex – If you don’t want to cook for yourself we offer a wide choice of cafés, restaurants and bars to suit all tastes and budgets. There is a coffee shop located in The Pavilion at The Meadows and a vending area at University Quays. From tasty ‘grab and go’ snacks to traditional, home-cooked cuisine, we aim to cater for all.

Sport
The University has excellent sports facilities with a fitness studio and the Evolve Gym, as well as a range of outdoor facilities. There is something for everyone. Further details can be found at:

www.essex.ac.uk/sport

Car parking and bike storage
There is no provision for students (other than disabled students) living in University accommodation to register a car to park on campus.

You may park a motorcycle on campus. Your vehicle must be registered with the University estates department, but you will not need to pay any parking charges. Parking for motorcycle is available under podia or in the North Campus car park.

Bike storage is available at The Copse, The Meadows and the Quays. Please be aware that you park your bike at your own risk so always remember to lock it before you leave. We recommend that you take out appropriate insurance cover for your bike.
SAFETY AND SECURITY

Fire
Please make sure you are familiar with our fire safety procedures. Fire safety information is available in your room and the kitchens of all flats. If you discover a fire:

SHOUT OUT
Raise the alarm. Alert other people and activate the fire alarm by breaking the glass alarm panel near the exit to the building.

GET OUT
Follow the fire exit signs and leave the building. Go to the designated assembly points at the front of the building away from the door. Do not go back to collect personal belongings.

STAY OUT
Do not re-enter the building until a member of staff or the Fire Service inform you it is safe to do so.

Watch our Fire Safety video for tips on how to stay safe. vimeo.com/145121411

Fire Alarms
Interlinked smoke and heat detectors are fitted throughout the accommodation.

Cooking or showering with the door open or using aerosols near the detectors may cause the alarms to be activated.

Fire alarm testing
Fire alarms are tested each week on Wednesdays at approximately 1.30pm

TIP:
Keep yourself safe, don’t wear headphones in bed as you may not hear the fire alarm if it goes off.

Fire extinguishers
Fire blankets are available for you to use in an emergency. Please make yourself familiar with how to use one.

Fire extinguishers are provided for trained staff and fire service staff to use. Do not discharge fire extinguishers yourself. There is a possibility of disciplinary action or criminal proceedings for misuse of equipment provided for safety reasons.

Candles
The use of lighted candles, incense sticks, aromatic oil heaters or any other device which has a naked flame, is prohibited in University owned or administered residential accommodation, except with the prior written permission of the Registrar & Secretary.

Candles and other prohibited devices will be removed from residential accommodation by university staff including where these are for display purposes only.

The Registrar & Secretary will give permission only in exceptional circumstances, for example, where candles are to be used for religious purposes and where the lighting of candles is accepted practice for that form of religious worship. The precaution to be adopted for the safe use in these cases will be defined by the University Safety Officer and must be followed. In no circumstances will permission be given for unattended lit candles or devices.

Halogen Lamps
Please note that halogen heaters and lamps are not permitted in accommodation.

Flammable materials
You are not permitted to store any kind of flammable material in your accommodation.

Disciplinary action may be taken for breaches of any of the above conditions.

Personal emergency evacuation plans (PEEPs)
If you think you might have difficulty exiting a building in an emergency, we can prepare a PEEP for you. This can also be done if you have temporary mobility difficulties such as broken limbs.

To request a PEEP contact:
Kim Norell – Accommodation Manager
T 01206 890546
E mqessxhelpdesk@derwentfm.eu

First aid, accident or illness
contact security
There are trained first aiders in reception.

In the event of a serious accident or illness, please call reception and give your location.

Do not contact the emergency services yourself. We will contact them for you and ensure they can access the accommodation and direct them to the exact site of the emergency without delay.

If you require emergency assistance call: 07460379172

Emergency telephones
Emergency telephones are located in the residences which will connect you to Security for first aid or other emergencies, and to Nightrike or the on-call Residents’ Assistants. Emergency numbers are provided on posters next to the telephones.

Telephone locations:
Ground floor entrances in each building at The Copse. Lift landings in the Meadows flats.

Electrical safety
If you are an overseas student, you must ensure that your electrical equipment is compatible with the UK mains power supply which is 220-240V, 50 Hz. If your equipment has a different rating it may not work properly and could be dangerous to use.

The plugs on your electrical equipment may require an international adapter so they fit a UK three pin mains socket. Adaptors must be fused and comply with UK and University safety standards.

Fused travel adapters and other electrical appliances approved by the University are available to buy online from www.everythingessex.co.uk

Guidance on electrical safety and pictures of the recommended travel adapter are available on the webpage, www.essex.ac.uk/student/accommodation/safety-and-security

Windows
To ensure the safety of everyone on campus, you must not throw any items out of the windows of the accommodation. This is an offense under the Code of Conduct and could result in disciplinary action; further details are available at www.essex.ac.uk/academic/docs/regs/residence.shtm

Stay safe
Our campus accommodation provides a safe and secure place to live, however you should take precautions to ensure that you keep yourself and your belongings as safe as possible.

Smoking
Smoking, including e-cigarettes is not permitted in any area of University provided accommodation. This means you must not smoke in your room or the communal areas or corridors of the accommodation. This includes e-cigarettes; further information is available at www.essex.ac.uk/academic/docs/regs/residence.shtm

Smoking within the accommodation will result in disciplinary action.

TIP:
Add the emergency number in this book into your mobile phone.

Fused travel adaptors and other electrical appliances approved by the University are available to buy online from www.everythingessex.co.uk

Guidance on electrical safety and pictures of the recommended travel adapter are available on the webpage, www.essex.ac.uk/student/accommodation/safety-and-security

TIP:
Always close your windows when you leave your room – especially if you live on the ground floor. This will deter opportunist thieves and prevent windows from closing sharply during windy conditions.

Do not hold building or flat doors open for other people if you do not know them.

Do not prop flat main entrance doors open.

Don’t give the door entry code to anyone, including delivery companies.

Don’t leave belongings unattended within your communal areas

Health services
You are required to register with a local doctor for the duration of your studies at the University. We have our own Health Centre, located on the north side of campus, behind Raleigh Tower. Here they offer a full range of NHS services including GP appointments, a nurse and specialist clinics for asthma, diabetes, sexual health and contraception.

T 01206 794484

Prescriptions
The Health Centre is unable to dispense prescriptions; however, the Students’ Union (SU) offer a prescription service. If you drop off your prescription at the SU reception by midday, it will be ready for you to collect by 3pm the following day.

For more information on healthcare for students, visit the website www.essex.ac.uk/students/health-and-wellbeing/default.aspx

Consent and keeping yourself safe
Sexual consent is when someone willingly agrees to sexual activity with another person(s) and they are free and able to make their own decision. Sex without consent is rape or sexual assault so understanding what consent means really matters. Consent needs to be enthusiastic, freely given, and can be withdrawn at any point during a sexual encounter. If you are still unsure about consent and how it works then watch this short video clip www.youtube.com/watch?v=oQbei5JGiT8 or check out pauseplaystop.org.uk

Report and Support
Your safety is paramount. You can use this online tool to report incidences of physical assault, sexual harassment, hate crimes, online harassment, stalking, bullying or discrimination. For more information reportandsupport.essex.ac.uk/

Student Services Hub

We aim to provide students with accommodation which is clean, well maintained and allocated as set out in our Allocation Policy.

We aim to provide you with an excellent service at all times, so we need you to tell us if we have made a mistake. This procedure explains how you can do this, and how we will deal with your complaint.

If you have any concerns about the service you have received from us, you should raise them with a member of staff at your earliest opportunity. We will always try to resolve your complaint quickly and informally.

**Stage 1 - make a formal complaint**

If you do not believe your complaint has been dealt with correctly you can ask the relevant manager to look into your complaint formally. You can make a complaint in a number of ways:
- face-to-face
- by email: mqessexhelpdesk@derwentfm.eu
- by letter
- Services and Administration online form

We will investigate your complaint and send you an email response within 10 working days. Sometimes we will need another department to provide us with information to investigate your complaint fully. If this is the case, we will let you know if your complaint will take longer than 10 working days to respond to. Further details and the Services and Administration form can be found at [www.essex.ac.uk/student/accommodation/accommodation-complaints](http://www.essex.ac.uk/student/accommodation/accommodation-complaints)
