Recycling and rubbish
We are committed to reducing the impact of our carbon emissions on the environment, and take every opportunity to reduce waste and use resources wisely. There are bin stores adjacent to the cycle stores, close to all blocks.

Your Kitchen bins will be emptied once per week, in the meantime, should bins become full, you are expected to take you own rubbish to the bin stores, including recycling. There is no rubbish removal at weekends or Bank Holidays.

Please ensure when disposing of fat (oil, lard, fat from meat), that you do not pour down either the sink or toilet. The reason for this is that the fat builds up within the pipes and can cause the pipes to burst once blocked. Please securely bag up the fat and dispose of in your rubbish in the external bins. Please note that there maybe a charge if we are required to unblock your kitchen sink.

Clothing banks are available at all sites at various times of the year.

We provide recycling bins in each kitchen for food, mixed recycling including cans, plastic, glass, paper and cardboard.

Please do not put recyclable items in with the general rubbish as this effects our recycling capabilities.

Waste reduction
Not producing waste in the first place is a great way to reduce your environmental impact. Wasting food is expensive and bad for the environment.

Pest control
Pest infestations occasionally happen and should be reported to reception UoE.Helpdesk@bouygues-es.co.uk as soon as possible. The contractor will respond as soon as possible. Non urgent infestations will be responded to within 72 hours.

Gym Membership
All students living in the University’s Colchester Campus accommodation will receive an Essex Sport Silver membership.

Silver membership gives you off-peak access to Essex Sport Gym and fitness classes, as well as anytime access to sports facilities, such as badminton and basketball courts and the climbing wall.

You will need to activate your membership before you can use it. Essex Sport will send you an email with instructions on how to do this. Alternatively, you can activate it at the Sports Centre upon your arrival in the Autumn Term.

More information can be found here: essex.ac.uk/sport/membership/student-membership

Cleaning and maintenance
We provide a cleaning service during term time to the communal areas of all our single accommodation. Our housekeepers clean surfaces and cooking facilities, such as cookers and microwaves, but they do not clean or wash up personal items including cutlery and cooking pans.

You are expected to keep your room and en-suite, or shared bathroom clean and tidy, as well as the communal areas of your flat. This is especially important when living with other people.

Our domestic team will check kitchens weekly but please make sure that you are keeping on top of day to day cleaning. A cleaning rota will be on your kitchen notice board so you will know when a cleaner will be visiting your flat. Make sure to keep surfaces clear so that our domestic team can clean your kitchens effectively.

Ice, snow and leaf clearing
Information regarding the removal of ice, snow and leaves during the winter season is available from reception. We will grit all pedestrian access leading to the residences in case of ice or snow. Snow will be cleared from the pedestrian vehicle access routes following heavy snowfall.

Room inspections
We inspect all bedrooms periodically. This helps us ensure that the accommodation is being kept in accordance with our terms and conditions, and that the health and safety of all students and staff is maintained.

You will be notified of the date of these inspections via your Essex email address.

Reporting a repair

- Report maintenance issues e.g. leaking taps, to the facilities team
- Complete your room and kitchen inventories
- Download your site map and Guide to Living in Halls

Post
Mail will be delivered daily from Monday to Friday to your post box. There is no delivery at weekends, on public holidays or between Christmas and the New Year.

Large items and those requiring a signature should be collected from Saltmarsh post room near reception. When you leave your University accommodation after your contract with us has finished, be sure to give your forwarding address (if in the UK) to the post room so they can redirect your post to you. Please note that parcel collection will only be available between 9am – 5pm Monday to Friday.

You will receive an email from reception when a parcel has been received for you. The post room cannot forward post to addresses outside the UK.

If you choose to stay with us during the summer vacation, the post room will continue to deliver your post to you.

If you would like to send anything then you can check the Royal Mail website for details of the nearest Post Office to campus royalmail.com

Utilities
Heating, hot water and electricity are included in your rental charge; but please consider the environment and try and minimise use. As well as keeping the University’s carbon footprint low it helps the University lower fuel bills, which keeps rents low.

There are electric heaters located in your rooms and kitchens, these can be controlled independently as required. Do not hang anything over your heaters or use them to dry clothes as this can cause a fire.

To operate the heater, there is a thermostat located in the room where you can adjust the temperature.

TIP:
TIP: Help save energy – remember to turn off lights in empty rooms. Don’t leave electrical equipment on standby, this uses a lot of electricity.

The University Sustainability team runs competitions for saving energy and recycling. Visit facebook.com/UoESustainability for more information.

Paying your rent
Information on how much your rent is and when it has to be paid by can be found on your letter of allocation which would have been emailed to you before you arrived. Please make sure you are aware of when your rent is due and pay it in good time.

Further information can also be found online at: essex.ac.uk/accommodation/payments

Insurance
Your personal possessions that you keep in your room are covered by Endsleigh Insurance. This does not cover items such as your laptop and your phone when you use them outside your room. You should check that the cover provided meets your needs. If you wish to take out additional cover this can be arranged with Endsleigh direct, endsleigh.co.uk/my-endsleigh

LIVING ON CAMPUS

Residence Life
The aim of Residence Life is to create a community environment where students can live and study. Residence Life is a network of volunteers and members of staff that live in the residences and are available to offer support to residents during the day and to signpost to a range of support services.

The Resident Assistants (RAs) are there to help you integrate into University life and will organise a range of social activities where you can get to know other students in your accommodation, and familiarise yourself with the local area. They are also there to offer support should you have trouble settling in or are home sick.

The RAs will arrange to meet with you and your flatmates to help you agree on some of the day to day issues that can arise, such as cleaning of communal spaces and quiet times. The RAs are also able to give information and support if you experience anti-social behaviour.

A contact telephone number for the RA in your area can be found on your flat notice board or online at [essex.ac.uk/life/accommodation/living-on-campus/residence-life](http://essex.ac.uk/life/accommodation/living-on-campus/residence-life)

Guests
You cannot request permission for a guest to stay until two weeks after your contract has started because it is disruptive to the process of students settling in. After then, you are allowed to have a guest for an occasional stay of up to three nights duration (you must let the team know you have a guest to stay.) If you would like your guest to stay for longer you must gain permission by contacting the Student Services Hub. Please let the team know the name of the person staying, as well as their contact details and how long they are staying for. We may also ask for the gender of your guest, if you are living in a single gender flat. (children under the age of 16 are not permitted to stay in the accommodation).

Circuit laundry app
You can now use our smart-scan technology Circuit Laundry app for paying for your laundry via your smartphone. This makes doing your laundry less of a hassle. The laundry app lets you top-up your Circuit app account in seconds and then you are good to go. Just turn up at either the The Pastures laundry, load your laundry, scan a machine’s QR code and select the programme you want to start – job done! Once the washer or dryer gets going, the app will give you a countdown that tells you how long until your laundry is done.

Students who do not have an apple or android phone and therefore cannot use the Circuit App will be able to get a card from reception that will allow you to use the Laundrette. This card will be free, just like the app.

Check out the useful guide online, which shows you how it all works [circuit.co.uk/help-support/video-guide](http://circuit.co.uk/help-support/video-guide)

For further information on how to use the Laundry please go to this link [circuit.co.uk/i-want-to-do-my-laundry/laundry-help](http://circuit.co.uk/i-want-to-do-my-laundry/laundry-help)

Laundrettes
The laundrette is located on the ground floor of Block A Briza House at The Pastures. The location reference for the laundrette at The Pastures is 480337.

The laundrettes are operated by Circuit. To ensure a consistent level of service, it is very important that you report faults directly to Circuit on:

T 01422 820026 or visit [circuit.co.uk/contact-us/report-a-fault](http://circuit.co.uk/contact-us/report-a-fault)

The University with BYES will not accept responsibility for any items left in the laundrette, please ensure you do not leave your belongings unattended.

▶ essex.ac.uk/sport

Car parking and bike storage
There is no provision for students (other than disabled students) living in University accommodation to register a car to park on campus. There are two disabled parking bays at The Pastures.

Further information about registering your vehicle is available at:
▶ essex.ac.uk/student/travel-and-transport/parking-for-students

Bike storage is available at The Pastures. Please be aware that you park your bike at your own risk so always remember to lock it before you leave. We recommend that you take out appropriate insurance cover for your bike.
SAFETY AND SECURITY

Fire
Please make sure you are familiar with our fire safety procedures which can be found online at essex.ac.uk/student/accommodation/safety-and-security. Fire safety information is available in your room and the kitchens of all flats.

If you discover a fire:

SHOUT OUT
Raise the alarm. Alert other people and activate the fire alarm by breaking the glass alarm panel near the exit to the building.

GET OUT
Follow the fire exit signs and leave the building. Go to the designated assembly points which is Capon Road Car Park, opposite Saltmarsh Block. Do not go back to collect personal belongings.

STAY OUT
Do not re-enter the building until a member of staff or the Fire Service inform you it is safe to do so.

Watch our Fire Safety video for tips on how to stay safe.
▶ vimeo.com/145121411

Fire Alarms
Interlinked smoke and heat detectors are fitted throughout the accommodation.
Cooking or showering with the door open or using aerosols near the detectors may cause the alarms to be activated.

Fire alarm testing
Fire alarms are tested each week. Briza, Leymus and Saltmarsh on a Tuesday and Foxtail and Woodrush on Thursday with a time slot of 11.30am.

TIP:
Keep yourself safe, don't wear headphones in bed as you may not hear the fire alarm if it goes off.

Fire doors
For your safety, doors in the residences are fitted with self closing mechanisms. They are designed to prevent the spread of smoke and fire and must not be wedged open.

Cooking
All flat kitchens are fully equipped so you can prepare and cook meals. We use induction hobs in The Pastures, so you will need magnetic pans, which are available from Essex Essentials essex.ac.uk/online_shop/EssexEssentials

You must not cook food in your bedrooms. This is a serious fire risk; food should only be cooked in the kitchen.

Fire blankets
Fire blankets are available for you to use in an emergency. Please make yourself familiar with how to use one. They are located in each shared kitchen and in every studio.

Candles
The use of lighted candles, incense sticks, aromatic oil heaters or any other device which has a naked flame, is prohibited in University owned or administered residential accommodation, except with the prior written permission of the Registrar & Secretary.
Candles and other prohibited devices will be removed from residential accommodation by university staff including where these are for display purposes only.

Halogen Lamps
Please note that halogen heaters and lamps are not permitted in accommodation.

Flammable materials
You are not permitted to store any kind of flammable material in your accommodation.
Disciplinary action may be taken for breaches of any of the above conditions.
SAFETY AND SECURITY

E-scooters
E-scooters are not permitted on campus, which includes accommodation. E-Scooters should not be taken into your accommodation for charging or storage. Should an e-scooter be found during our annual inspections, then it will be reported and may be confiscated. This is because the equipment can produce significant heat which could start a fire or cause injury.

Personal emergency evacuation plans (PEEPs)
If you think you might have difficulty exiting a building in an emergency, we can prepare a PEEP for you. This can also be done if you have temporary mobility difficulties such as broken limbs.

To request a PEEP contact:
University Fire Safety Officer
T 01206 874847
E fire@essex.ac.uk
➤ essex.ac.uk/student/fire-safety/peep

First aid emergency, accident or illness contact security
There are trained first aiders in reception.

In the event of a serious accident or illness, please call reception and give your location.

In the event of a medical emergency or you require emergency assistance please call security on 07385 935610 and they will contact emergency services if necessary and direct them to the exact site of the emergency without delay.

If you require medical assistance call: 07385 935610

Emergency intercom
Emergency Intercom Systems with cameras are located in the residences (in the lobby of each core/block) which will connect you to Security.

Smoking
Smoking, including e-cigarettes is not permitted in any area of University provided accommodation. This means you must not smoke in your room or the communal areas or corridors of the accommodation. This includes e-cigarettes. There are no smoking shelters at The Pastures. The bins have ashtrays incorporated into the unit which can be used, however, smoking is not encouraged at this site. Further information is available at essex.ac.uk/student/values/code-of-student-conduct

Further information is available at essex.ac.uk/governance-and-strategy/governance/regulations
Smoking within the accommodation will result in disciplinary action.

Electrical safety
If you are an overseas student, you must ensure that your electrical equipment is compatible with the UK mains power supply which is 220-240V, 50 Hz. If your equipment has a different rating it may not work properly and could be dangerous to use.

The plugs on your electrical equipment may require an international adapter so they fit a UK three pin mains socket. Adaptors must be fused and comply with UK and University safety standards.

Fused travel adaptors and other electrical appliances approved by the University are available to buy online from essex.ac.uk/online_shop/essexessentials

Guidance on electrical safety and pictures of the recommended travel adaptor are available on the webpage, essex.ac.uk/student/accommodation/safety-and-security

TIP:
Add the emergency number in this book into your mobile phone.
SAFETY AND SECURITY

Windows
To ensure the safety of everyone on campus, you must not throw any items out of the windows of the accommodation. This is an offense under the Code of Conduct and could result in disciplinary action; further details are available at essex.ac.uk/governance-and-strategy/governance/regulations.

Stay safe
Our campus accommodation provides a safe and secure place to live, however you should take precautions to ensure that you keep yourself and your belongings as safe as possible.

Door Screamers
There will be a door screamer at each interconnecting door between flats. As soon as the flap is lifted, the screamer will go off. This is to prevent the use of the interconnecting doors to keep you and your belongings safe. These will fail-safe in a fire.

For the Emergencies such as floods
Emergency phones which are located on the ground floor of each core in each Block, these are to be used to report any emergencies such as a flood, first aid, intruder. There is also our help desk number 01206 636060 which is manned 24/7.

TIP:
Always close your windows when you leave your room – especially if you live on the ground floor. This will deter opportunist thieves and prevent windows from closing sharply during windy conditions.
Don’t hold building or flat doors open for other people if you do not know them.
Don’t prop flat main entrance doors open.
Don’t leave belongings unattended within your communal areas.
HEALTH AND WELFARE

Health services
You are required to register with a local doctor for the duration of your studies at the Essex and you can do this online at rowhedgesurgery.co.uk for our own Health Centre, located on the north side of campus, behind Raleigh Tower. Here they offer a full range of NHS services including GP appointments, a nurse and specialist clinics for asthma, diabetes, sexual health and contraception.

T 01206 794484

Prescriptions
The Health Centre is unable to dispense prescriptions, however, the Students’ Union (SU) offer a prescription service.

If you drop off your prescription at the SU reception by midday, it will be ready for you to collect by 3pm the following day.

For more information on healthcare for students, visit the website

Consent and keeping yourself safe
Sexual consent is when someone willingly agrees to sexual activity with another person(s) and they are free and able to make their own decision. Sex without consent is rape or sexual assault so understanding what consent means really matters. Consent needs to be enthusiastic, freely given, and can be withdrawn at any point during a sexual encounter. If you are still unsure about consent and how it works then watch this short video clip youtube.com/watch?v=oQbei5JGiT8 or check out pauseplaystop.org.uk

Report and Support
Your safety is paramount. You can use this online tool to report incidences of physical assault, sexual harassment, hate crimes, online harassment, stalking, bullying or discrimination. For more information reportandsupport.essex.ac.uk

MAKING A COMPLAINT

We aim to provide students with accommodation which is clean, well maintained and allocated as set out in our Allocation Policy.

We aim to provide you with an excellent service at all times, so we need you to tell us if we have made a mistake. This procedure explains how you can do this, and how we will deal with your complaint.

If you have any concerns about the service you have received from us, you should raise them with a member of staff at your earliest opportunity. We will always try to resolve your complaint quickly and informally.

**Stage 1 – make a formal complaint**

If you do not believe your complaint has been dealt with correctly, you can ask the relevant manager to look into your complaint formally. You can make a complaint in a number of ways:

- face-to-face
- by email: UoE.Helpdesk@bouygues-es.co.uk
- by letter
- Services and Administration online form

We will investigate your complaint and send you an email response within 10 working days. Sometimes we will need another department to provide us with information to investigate your complaint fully. If this is the case, we will let you know if your complaint will take longer than 10 working days to respond to. Further details about how to make a complaint can be found at essex.ac.uk/student/accommodation/accommodation-complaints

**Complaints about a member of staff**

If your complaint is about a member of staff, you can ask to speak to their manager directly. If you make a complaint about a member of staff you must be prepared to make a formal statement and to attend any disciplinary hearing that might result.
