When you arrive, you will receive a keycard which gives you entry into your flat and your room. Some of our adapted rooms/flats also require a fob, which you will be provided with if required.

Lost keycards and fobs
Look after your keycard and fob. If you lose it you will have to pay a £15 fee for a replacement card and £5 for a replacement fob.

Locked out
Don’t worry. Contact reception and we will arrange for you to be let back in. Outside office hours a security guard is available to let you back in.

Going away?
To make sure we comply with health and safety regulations we need to know if you are going to be away from your room for more than seven days. So, if you are going home for a break at anytime do let us know by completing our online form essex.ac.uk/student/accommodation/going-away

 YOUR ACCOMMODATION

Recycling and rubbish
We are committed to reducing the impact of our carbon emissions on the environment, and take every opportunity to reduce waste and use resources wisely.

General waste and mixed recycling facilities are available in the flat kitchens and these are emptied daily.

Please do not put recyclable items in the general rubbish.

Our caretakers will remove rubbish daily, Monday to Friday. There is no rubbish removal at weekends or during bank holidays.

If you live in a studio, you must take your rubbish to rubbish cages and bins on the podia. Please do not leave rubbish bags next to the rubbish bins and cages located on podia. All bagged waste must be secured inside the bin or the overflow cage.

Please ensure when disposing of fat (oil, lard, fat from meat), that you do not pour down either the sink or toilet. The reason for this is that the fat builds up within the pipes and can cause the pipes to burst once blocked. Please securely bag up the fat and dispose of in your rubbish.

Waste reduction
Not producing waste in the first place is a great way to reduce your environmental impact. Wasting food is expensive and bad for the environment.

Pest control
Pest infestations occasionally happen and should be reported to reception as soon as possible. The Contractor will respond as soon as possible.

Cleaning and maintenance
We provide a cleaning service during the week for the communal areas of all our single accommodation.

Our housekeepers clean surfaces and cooking facilities, such as cookers and microwaves, but they do not clean or wash up personal items including cutlery and cooking pans.

You are expected to keep your room and en suite bathroom clean and tidy, as well as the communal areas of your flat. This is especially important when living with other people.

Ice, snow and leaf clearing
Information regarding the removal of ice, snow and leaves during the winter season is available at essex.ac.uk/life/accommodation/living-on-campus

Room inspections
We inspect all bedrooms twice yearly. This helps us ensure that the accommodation is being kept in accordance with our terms and conditions, and that the health and safety of all students and staff is maintained.

You will be notified of room inspections via your Essex email address.

Reporting a repair
Report all repairs directly to the reception desk at University Square either face to face or:
T 01702 328400
E scaccom@essex.ac.uk

Non-urgent repairs can be reported online at essex.ac.uk/student/accommodation/repairs-and-faults
YOUR ACCOMMODATION

Post

Post is normally delivered to flat kitchens daily from Monday to Friday. There is no delivery at weekends, on public holidays or between Christmas and the New Year. If you live in a studio your post can be collected from reception.

Parcels and items requiring a signature should be collected from reception. We will contact you if you have been sent an item for collection.

Any post received for you after you have left will be returned to sender.

Utilities

Heating, hot water and electricity are included in your rental charge; but please consider the environment and try and minimise use. As well as keeping the University’s carbon footprint low it helps the University lower fuel bills, which keeps rents low.

Each room has its own heater for you to adjust for your comfort throughout the year.

TIP:

Help save energy – remember to turn off lights in empty rooms. Don’t leave electrical equipment on standby, this uses a lot of electricity.

The University Sustainability team runs the #LittleChoicesBigChanges campaign, with competitions for saving energy and recycling. The greenest flats on campus will win prizes. Visit facebook.com/UoESustainability for more information.

For Health and Safety purposes, as well as allowing heat to flow evenly, do not cover the heaters in the kitchen.

Insurance

Your personal possessions that you keep in your room are covered by Endsleigh Insurance. This does not cover items such as your laptop and your phone when you use them outside your room. You should check that the cover provided meets your needs and you can purchase additional cover if you feel you need it.

Service Level Agreements

LIVING ON CAMPUS

Residence Life

The aim of the Residence Life is to create a community environment where students can live and study. Residence Life is a network of student volunteers and members of staff that live in the residences and are available to offer support to residents and to signpost to a range of support services.

The Resident Assistants (RAs) are there to help you integrate into University life and will organise a range of social activities where you can get to know other students in your accommodation, and familiarise yourself with the local area. They are also there to offer support should you have trouble settling in or are home sick. These services may also be offered remotely.

The RAs will arrange to meet with you and your flatmates to help you agree on some of the day to day issues that can arise, such as cleaning of communal spaces and quiet times. The RAs are also able to give information and support if you experience anti-social behaviour.

A contact telephone number for the RA in your area can be found on your flat notice board or at essex.ac.uk/life/accommodation/living-on-campus/residence-life

Out of hours support will be provided by Security.

Guests

You cannot request permission for a guest to stay until two weeks after your autumn term contract has started because it is disruptive to the process of students settling in. After then, you are allowed to have a guest for an occasional stay of up to three nights duration (you must let the team know you have a guest to stay.) If you would like your guest to stay for longer you must gain permission by contacting scaccom@essex.ac.uk. Children under the age of 16 are not permitted to stay. Please let the team know the name of the person staying, as well as their contact details and how long they are staying for. We may ask for the gender of your guest, if you are living in a single gender flat.

If you live in a designated single gender flat, you are not permitted to have guests of the opposite sex visit or stay overnight.

Please remember that you are responsible for the behaviour of any guests that stay in your room. All guests should be signed in with security at University Square Reception. Don't forget you are not permitted to lend your key card to anyone else.

Laundrette

There is a laundrette in University Square and it is located in the common room.

The laundrette is operated by Circuit. To ensure a consistent level of service, it is very important that you report faults directly to Circuit on:

T 01422 820026 or visit circuit.co.uk/contact-us/report-a-fault

The University will not accept responsibility for any items left in the laundrette, please ensure you do not leave your belongings unattended.
Circuit laundry app

We are working hard to improve services wherever possible and are pleased to announce the new Circuit Laundry App.

You can now use our smart-scan technology app for paying for your laundry via your smart phone. This makes doing your laundry less of a hassle.

The laundry app lets you top-up your Circuit app account in seconds and then you are good to go.

Just turn up at the laundry room at University Square, load your laundry, scan a machine’s QR code and select the programme you want to start – job done!

Once the washer or dryer gets going, the app will give you a countdown that tells you how long until your laundry is done.

Check out the useful guide online, which shows you how it all works circuit.co.uk/help-support/video-guide

Food and drink

There are plenty of places to eat or drink within the town if you don’t want to cook for yourself. You can choose from a range of cafés, restaurants and bars serving food from a variety of international cuisines.

Sport

Students in Southend have the opportunity to join a Simply Gym, which is a local facility close to the accommodation. Check out their page for further information simplygym.net/our-gyms/southend

Car parking and bike storage

There is no provision for students living in University Square to park a car. There is a car park underneath the building which is run by Southend Borough Council now known as Southend-on-Sea City Council and further details are available here southend.gov.uk/car-parks-1

There is a bike shelter facility available on the podia in the central courtyard.

Please be aware that you park your bike at your own risk so always remember to lock it before you leave.
SAFETY AND SECURITY

Fire

Please make sure you are familiar with our fire safety procedures which can be found online at [essex.ac.uk/student/accommodation/safety-and-security](http://essex.ac.uk/student/accommodation/safety-and-security). Fire safety information is available in your room and the kitchens of all flats.

If you discover a fire:

**Shout out**

Raise the alarm. Alert other people and activate the fire alarm by breaking the glass alarm panel near the exit to the building.

**Get out**

Follow the fire exit signs and leave the building. Go to the designated assembly point at Elmer Square in front of The Forum. Do not go back to collect personal belongings.

**Stay out**

Do not re-enter the building until a member of staff or the Fire Service inform you it is safe to do so.

Watch our Fire Safety video for tips on how to stay safe [vimeo.com/145121411](http://vimeo.com/145121411).

**Fire alarms**

Interlinked smoke and heat detectors are fitted throughout the accommodation.

Showering with the door open or using aerosols near the detectors may cause the alarms to be activated.

**Fire alarm testing**

Fire alarms are tested each week. In University Square fire alarms are tested on Fridays, from approximately 12.00pm.

**TIP:**

- Keep yourself safe, don’t wear headphones in bed as you may not hear the fire alarm if it goes off.
- To avoid a risk of fire, please do not cover the heaters in the kitchen.

Fire doors

For your safety, doors in the residences are fitted with self closing mechanisms. They are designed to prevent the spread of smoke and fire and must not be wedged open and shall be kept clear at all times.

Cooking

All flat kitchens are fully equipped so you can prepare and cook meals.

You must not cook food in your bedrooms. This is a serious fire risk. Food should only be cooked in the kitchens. Do not leave hobs unattended.

Fire Blankets

Fire blankets are available for you to use in an emergency. Please make yourself familiar with how to use one.

Candles

The use of lighted candles, aromatic oil heaters or any other device which has a naked flame, is prohibited in University owned or administered residential accommodation, except with the prior written permission of the Registrar & Secretary.

A letter will be left asking for you to remove the item by Accommodation staff, if any are observed in your room during inspections.

Halogen Lamps

Please note that halogen heaters and lamps are not permitted in accommodation.

Flammable materials

You are not permitted to store any kind of flammable material in your accommodation.

Disciplinary action may be taken for breaches of any of the above conditions.
SAFETY AND SECURITY

E-scooters

E-scooters are also not permitted on campus, which includes accommodation. E-Scooters should not be taken into your accommodation for charging or storage. Should an e-scooter be found during our annual inspections, then it will be reported and may be confiscated. This is because the equipment can produce significant heat which could start a fire or cause injury.

Personal emergency evacuation plans (PEEPs)

If you think you might have difficulty exiting a building in an emergency, we can prepare a PEEP for you. This should also be done if you have temporary mobility difficulties such as broken limbs.

To request a PEEP contact:
The University Fire Safety Officer
T 01206 874847
E fire@essex.ac.uk

First aid, accident, emergency or illness

Security staff are trained first aiders. In the event of a serious accident or illness, please call the security staff on the number below and give your location.

Do not contact the emergency services yourself. Security staff will contact them for you and ensure they can access University Square and direct them to the exact site of the emergency without delay.

If you require emergency assistance call:
T 01702 328408 or 07920 821678

Smoking

Smoking is not permitted in any area of University provided accommodation. This means you must not smoke in your room or the communal areas or corridors of the accommodation, further information is available at essex.ac.uk/students/experience/code-conduct.aspx

Smoking shelters have been provided near to residences for you to use.

Smoking within the accommodation will result in disciplinary action.

Electrical safety

If you are an overseas student, you must ensure that your electrical equipment is compatible with the UK mains power supply which is 220-240V, 50 Hz. If your equipment has a different rating it may not work properly and could be dangerous to use.

The plugs on your electrical equipment may require an international adapter so they fit a UK three pin mains socket. Adaptors must be fused and comply with UK and University safety standards.

Fused travel adaptors and other electrical appliances approved by the University are available to buy online from Essex Essentials essex.ac.uk/online_shop/essexessentials/default.aspx

Guidance on electrical safety and pictures of the recommended travel adaptor are available at essex.ac.uk/student/accommodation/safety-and-security

Should staff identify a dangerous electrical item in your room, they will remove it. They will leave a note confirming why the item was removed, along with information on how and when you can retrieve it.

Windows

To ensure the safety of everyone on campus, you must not throw any items out of the windows of the accommodation. This is an offence under the Student Code of Conduct and could result in disciplinary action; further details are available at essex.ac.uk/students/experience/code-conduct.aspx
SAFETY AND SECURITY

Stay safe

Our campus accommodation provides a safe and secure place to live, however, you should take precautions to ensure that you keep yourself and your belongings as safe as possible.

TIP:

Always close your windows when you leave your room – especially if you live on the ground floor. This will deter opportunist thieves and prevent windows from closing sharply during windy conditions.

Don't hold building or flat doors open for other people if you do not know them.

Don't prop flat doors open.

Don't leave belongings unattended within your communal areas.
HEALTH AND WELFARE

Health services
You are required to register with a local doctor for the duration of your studies at the University.
Use the NHS postcode finder to locate your nearest doctors surgery at nhs.uk/nhs-services/services-near-you

Healthcare
For information on healthcare for students, visit the website: essex.ac.uk/student/healthcare

Consent and keeping yourself safe
Sexual consent is when someone willingly agrees to sexual activity with another person(s) and they are free and able to make their own decision. Sex without consent is rape or sexual assault so understanding what consent means really matters. Consent needs to be enthusiastic, freely given, and can be withdrawn at any point during a sexual encounter. If you are still unsure about consent and how it works then watch this short video clip youtube.com/watch?v=oQbei5JGiT8 or check out pauseplaystop.org.uk

Report and Support
Your safety is paramount. You can use this online tool to report incidences of physical assault, sexual harassment, hate crimes, online harassment, stalking, bullying or discrimination. For more information reportandsupport.essex.ac.uk

Student Services Hub
Our Student Services Hub offers confidential advice and information on many welfare issues to assist you through your time here at Essex. These include adjusting to University life, financial concerns and immigration issues or if you just need to talk. They provide support to disabled students including advice and assistance regarding any adaptions you may require in your room (further details are available at essex.ac.uk/student/advice-and-support). They also provide support to students with specific learning difficulties, mental health difficulties or long term medical conditions, as well as offering a confidential counselling service.

Harassment advisers
The Harassment Advisory Network (HAN) is part of our commitment to promoting equality and diversity. The HAN is made up of a team of appointed and trained Harassment Advisers who offer a confidential ‘signposting’ service for students, staff and visitors who may be experiencing some form of harassment or bullying.

MAKING A COMPLAINT

We aim to provide students with accommodation which is clean, well maintained and allocated as set out in our Allocation Policy.

If you have any concerns about the service you have received from us, you should raise them with a member of staff at your earliest opportunity. We will always try to resolve your complaint quickly and informally.

We aim to provide you with an excellent service at all times, so we need you to tell us if we have made a mistake. This procedure explains how you can do this, and how we will deal with your complaint.

Make a formal complaint

If you do not believe your complaint has been dealt with correctly, you can ask the relevant manager to look into your complaint formally. You can make a complaint in a number of ways:

- by email
- by letter
- face-to-face
- by telephone

Note: Quote your full name and PRID or PG number on all correspondence.

Check out where to report at complaint at essex.ac.uk/student/accommodation/accommodation-complaints

We will investigate your complaint and send you an email response within 10 working days. Sometimes we will need another department to provide us with information to investigate your complaint fully (Estates Management, for example). If this is the case, we will let you know if your complaint will take longer than 10 working days to respond to. Further details about how to make a complaint can be found at essex.ac.uk/student/accommodation/accommodation-complaints

Complaints about a member of staff

If your complaint is about a member of staff, you can ask to speak to their manager directly. If you make a complaint about a member of staff you must be prepared to make a formal statement and to attend any disciplinary hearing that might result.
