YOUR ACCOMMODATION

Arriving and moving in

You can normally collect your keys from 9am on the day your contract begins (although Security will be available out of hours after this time), and we'll invite you by email to complete an online e-induction, which links to the actual arrival information for your accommodation area.

Fobs

You will receive a fob, which will give you access to the building, your flat and your room.

Lost fobs

Look after your fob. If you lose it you will have to pay £5 for a replacement fob.

If you lose your fob, take your student registration card to the Student Services Hub to get a new one. Outside office hours contact the Information Centre on square 3. Opening times of the Student Services Hub may vary during the current time, so please check their opening times. Fobs can be obtained from Security if they are closed.

When you receive your replacement fob, you will be invoiced which must be paid within seven days. You can pay at the Student Services Hub.

If you find your original fob and return it to us, we will refund the fee.

If your fob are broken, please take the pieces to the Student Services Hub for a free replacement.

Going away?

To make sure we comply with health and safety regulations we need to know if you are going to be away from your room for more than seven days. So, if you are going home for a break at anytime do let us know by completing our online form essex.ac.uk/student/accommodation/going-away

Returning accommodation

Returning accommodation applications open in November, so don't forget to head to our website essex.ac.uk/life/accommodation/apply/returning-students, to check out your options and any special offers for the 2025-26 academic year in campus accommodation.

Locks

If your lock is showing an amber light, this means that the battery in the unit is running low. Please email amberlight@essex.ac.uk and one of the team will visit to replace the battery. These details are also displayed near the lock. If your lock is red, then contact the Student Information Team on 01206 874000 or visit the team in the Student Services Hub. Outside of office hours, contact the Information Centre on Square 3.

Locked out?

Don't worry. Contact the Student Services Hub, or if it is outside office hours, contact the Security and Safety Centre on Square 3 and they will arrange for you to be let back in.

Bike storage

You may park a motorcycle on campus. Your motorcycle must be registered with the University Estates Management Department, but you will not need to pay any parking charges. Parking for motorcycles is available under podia or in the North Campus car park.

There is a bike shelter facility available near the accommodation on North and South Campus. You must not keep your bike inside the building, so not in the corridors, flats or rooms.

Please be aware that you park your bike at your own risk so always remember to lock it before you leave.

Recycling and rubbish

We are committed to reducing the impact of our carbon emissions on the environment and take every opportunity to reduce waste and use resources wisely.

We provide recycling facilities close to the residences for your use. You can recycle tins, cans, plastic, glass, paper and cardboard at these points. All kitchens have recycling bins.

Please do not put recyclable items in the general rubbish. Food recycling is available within Eddington Tower

Our caretakers will remove general rubbish daily, Monday to Friday and also empty the recycling when the bins are full. There is no rubbish removal at weekends or during bank holidays.

Please ensure when disposing of fat (oil, lard, fat from meat), that you do not pour down either the sink or toilet. The reason for this is that the fat builds up within the pipes and can cause the pipes to burst once blocked. Please securely bag up the fat and dispose of it in your rubbish.

Glass recycling

Caretakers will remove glass recycling in the North and South Towers. If you live in South Courts, The Houses or Wolfson Court, glass should be put in the green recycling bins provided, and you must empty these into the recycling facilities outside.

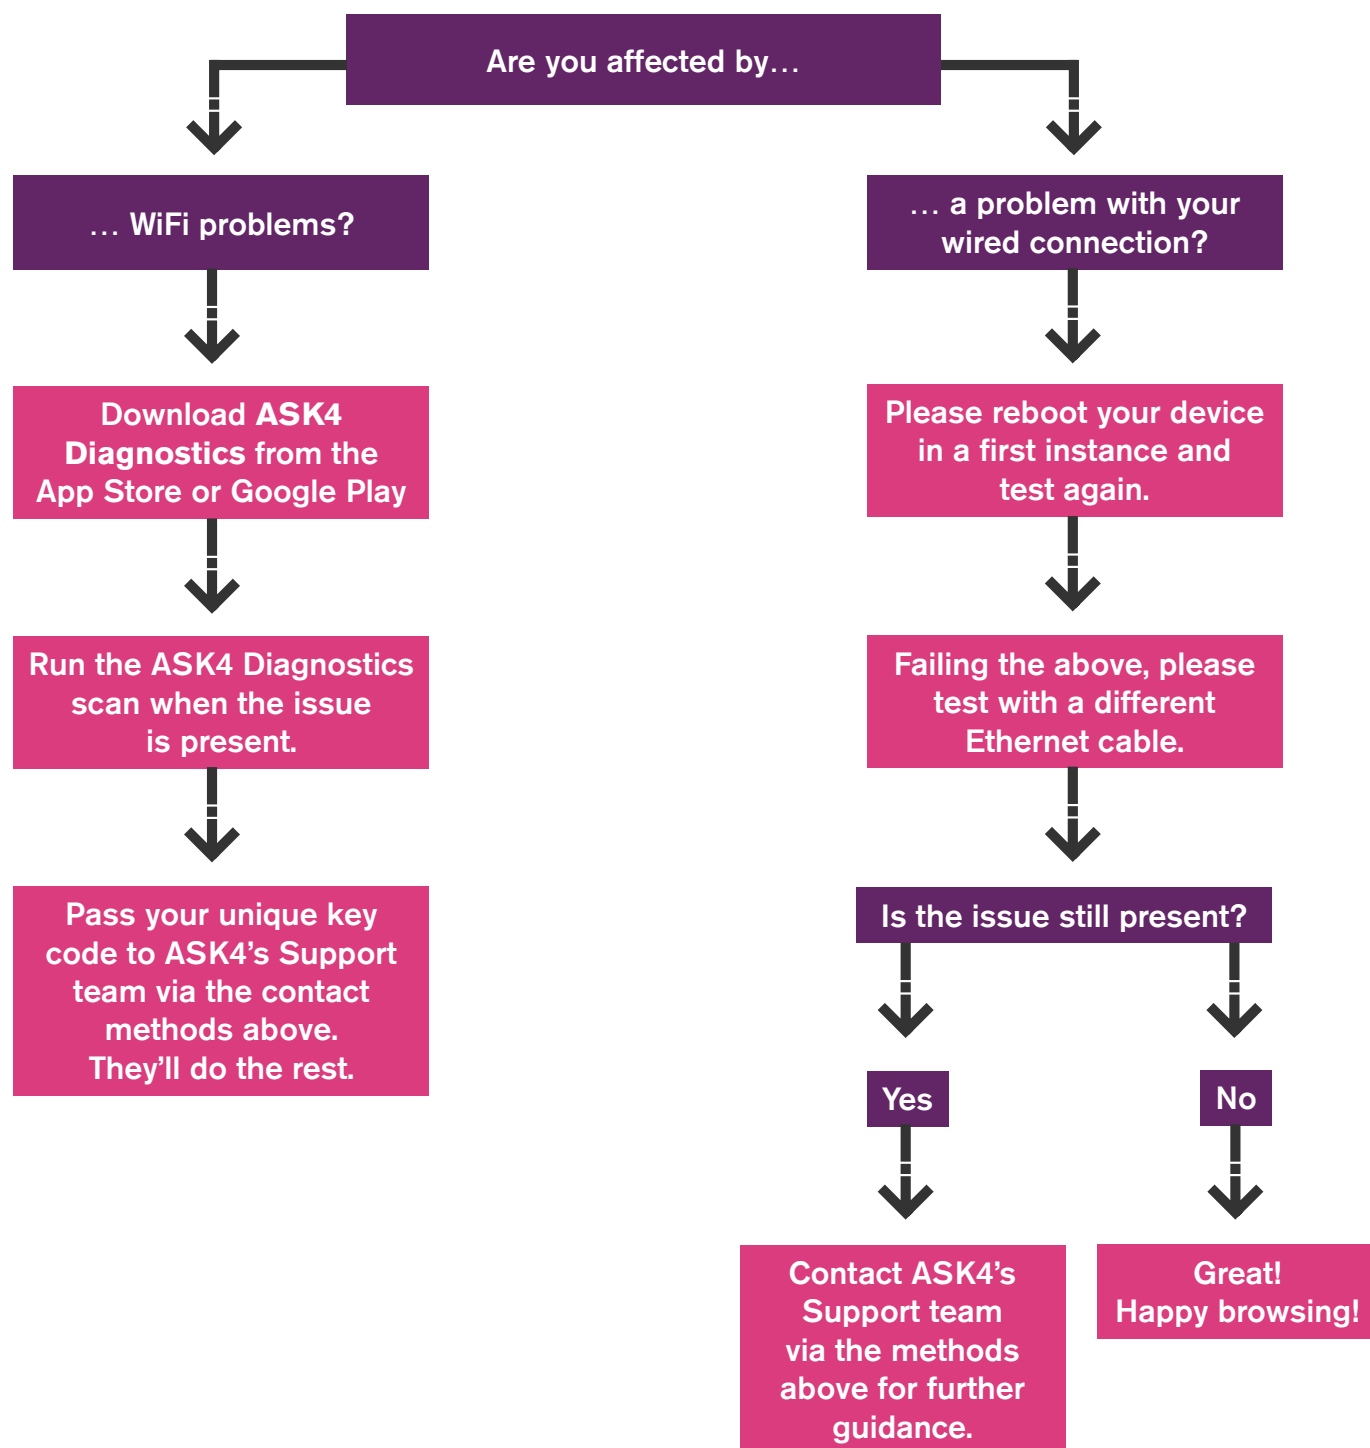

Waste reduction

Not producing waste in the first place is a great way to reduce your environmental impact. Wasting food is expensive and bad for the environment.

Pest control

Pest infestations (such as bed bugs) occasionally happen and should be reported via our [estates helpdesk](#) as soon as possible. The contractor will respond as soon as possible.

YOUR ACCOMMODATION

Gym Membership

All students living in the University's Colchester Campus accommodation will receive an Essex Sport Silver membership.

Silver membership gives you off-peak access to the Essex Sport Gym and fitness classes, as well as any-time access to sports facilities, such as badminton and basketball courts, and the climbing wall.

You will need to activate your membership before you can use it. Essex Sport will send you an email with instructions on how to do this. Alternatively, you can activate it at the Sports Centre upon your arrival in the Autumn Term.

More information can be found here: essex.ac.uk/sport/membership/student-membership

Cleaning and maintenance

We provide a cleaning service during the week for the communal areas of all our single accommodation.

Our housekeepers clean surfaces and cooking facilities, such as cookers and microwaves, but they do not clean or wash up personal items including cutlery and cooking pans.

You are expected to keep your room and en suite bathroom clean and tidy, as well as the communal areas of your flat. This is especially important when living with other people.

Ice, snow and leaf clearing

Information regarding the removal of ice, snow and leaves during the winter season is available at essex.ac.uk/student/accommodation/safety-and-security

Room inspections

We inspect all bedrooms twice yearly. This helps us ensure that the accommodation is being kept in accordance with our terms and conditions, and that the health and safety of all students and staff is maintained.

You will be notified of room inspections via your Essex email address.

Any dangerous items found as part of these inspections will be removed from the room and a letter left explaining the reasons and next steps.

Reporting a repair

You can report urgent repairs by telephone

T 01206 872959

Non-urgent repairs can be reported online at essex.ac.uk/student/accommodation/repairs-and-faults

Serious repairs requiring urgent attention out of office hours should be reported to:

Safety and Security Centre, Square 3

T 01206 872222

Post

Post is normally delivered to flat kitchens daily from Monday to Friday. There is no delivery at weekends, on public holidays or between Christmas and the New Year.

Large items and those requiring a signature will be delivered to Central Stores or the Post Room. You will receive an email from Central Stores when a parcel has been received for you.

When you leave your University accommodation after your contract with us has finished, be sure to give your forwarding address (if in the UK) to the post room so they can redirect your post to you. The post room cannot forward post to addresses outside the UK.

If you choose to stay with us during the summer vacation, the post room will continue to deliver your post to you.

Utilities

Heating, hot water and electricity are included in your rental charge; but please consider the environment and try and minimise use. As well as keeping the University's carbon footprint low it helps the University lower fuel bills, which keeps rents low.

Heating runs continuously throughout the winter season for your comfort. The temperature in most rooms can be controlled by the thermostat on the heater.

The heating is normally turned on once temperatures start to fall at the end of September, beginning of October. We then turn the heating off, towards the middle to end of June, when temperatures start to rise.

YOUR ACCOMMODATION

Paying your rent

Information on how much your rent is and when it has to be paid by can be found on your letter of allocation which would have been emailed to you before you arrived.

Please make sure you are aware of when your rent is due and pay it in good time.

TIP:

Help save energy – remember to turn off lights in empty rooms. Don't leave electrical equipment on standby, this uses a lot of electricity.

Insurance

Your personal possessions that you keep in your room are covered by Endsleigh Insurance. This does not cover items such as your laptop and your phone when you use them outside your room. You should check that the cover provided meets your needs and you can purchase additional cover if you feel you need it.

LIVING ON CAMPUS

Residence Life

► essex.ac.uk/accommodation/support/reslife.aspx

Residence Life is a campus service to help you gain a positive experience from living and learning. The team is formed of student-staff called Residents' Assistants (RA) who focus on community building, supporting students' transition to university life, and providing programs that enhance cultural competencies. The Resident Assistants (RAs) are there to help you integrate into University life and will organise a range of social activities where you can get to know other students in your accommodation and familiarise yourself with the local area. They are also there to offer support should you have trouble settling in or are home sick. The Residence Life program includes monthly activities, guidance on being a good neighbour, promotion of wellbeing events, and support for international students adjusting to the local community. For any support, email reslife@essex.ac.uk.

Guests

You can start having a guest to stay, two weeks after your contract has started for occasional stays of up to three nights duration. Due to Health and Safety reasons, you are required to let the us know on each occasion, who you have staying with you, so please contact the Student Services Hub, with their details and length of stay.

If you want your guest to stay for more than 3 nights (maximum of 7 nights), then you are required to request permission by contacting the Student Services Hub.

Please let the team know the name of the person staying overnight, as well as their contact details and how long they will be staying (children under 16 are not permitted to stay overnight in our accommodation).

Should your request be at short notice, please also let your area accommodation office know, as the Student Services Hub may not have had enough time to inform them about your guest.

If you live in a designated single gender flat, you are not permitted to have guests of the opposite gender visit or stay overnight.

Please remember, that you are responsible for the behaviour of your guests.

Additional beds are available upon request for main campus in Colchester (South Courts, The Towers, The Houses, and Wolfson Court) and University Square in Southend. Please contact the Student Services Hub for this request.

Laundrettes

There are laundrettes located near to your accommodation:

On the North Campus the laundrette is located in The Hexagon, just off Square 4.

On South Campus the laundrette is located at Harwich Court.

The laundrettes are operated by Circuit. To ensure a consistent level of service, it is very important that you report faults directly to Circuit on:

T 01422 820026 or visit

► circuit.co.uk/contact-us/report-a-fault

Laundry cards can be purchased for £2.00 from the machine in the laundrette in Harwich Court. You can put credit on your card online. There are some coin operated machines available in each laundrette.

The University will not accept responsibility for any items left in the laundrette, please ensure you do not leave your belongings unattended.

Circuit laundry app

You can now use our smart-scan technology app for paying for your laundry via your smart phone. This makes doing your laundry less of a hassle. The laundry app lets you top-up your Circuit app account in seconds and then you are good to go. Just turn up at your either the South Courts or Hex laundry, load your laundry, scan a machine's QR code and select the programme you want to start – job done! Once the washer or dryer gets going, the app will give you a countdown that tells you how long until your laundry is done. Each laundrette has at least one coin operated washing machine and dryer.

Check out the useful guide online, which shows you how it all works circuit.co.uk/help-support/video-guide

SAFETY AND SECURITY

Fire

Please make sure you are familiar with our fire safety procedures which can be found online at essex.ac.uk/student/accommodation/safety-and-security.

Fire safety information is available in your room and the kitchens of all flats.

If you discover a fire:

Shout out

Raise the alarm. Alert other people and activate the fire alarm by breaking the glass alarm panel near the exit to the building.

Get out

Follow the fire exit signs and leave the building. Go to the designated assembly points at the front of the building away from the door. Do not go back to collect personal belongings.

Stay out

Do not re-enter the building until a member of staff or the Fire Service inform you it is safe to do so.

Watch our Fire Safety video for tips on how to stay safe

► vimeo.com/145121411

Fire alarms

Interlinked smoke and heat detectors are fitted throughout the accommodation.

Cooking or showering with the door open or using aerosols near the detectors may cause the alarms to be activated.

Fire alarm testing

Fire alarms are tested each week in all residences on the following days:

Towers, Wolfson Court, The Houses:

Tuesdays from approximately between 2.30pm and 5pm

South Courts: Thursdays from approximately between 2.30pm and 5pm

TIP:

Keep yourself safe, don't wear headphones in bed as you may not hear the fire alarm if it goes off.

Fire doors

For your safety, doors in the residences are fitted with self closing mechanisms. They are designed to prevent the spread of smoke and fire and must not be wedged open.

Cooking

All flat kitchens are fully equipped so you can prepare and cook meals.

You must not cook food in your bedrooms. This is a serious fire risk. Food should only be cooked in the kitchens.

Fire blankets

Fire blankets are available for you to use in an emergency. Please make yourself familiar with how to use one.

SAFETY AND SECURITY

Candles

The use of lighted candles, incense sticks, aromatic oil heaters or any other device which has a naked flame, is prohibited in University owned or administered residential accommodation, except with the prior written permission of the Registrar & Secretary.

A letter will be left asking for you to remove the item by Accommodation staff, if any are observed in your room during inspections.

Halogen Lamps

Please note that halogen heaters and lamps are not permitted in accommodation.

Flammable materials

You are not permitted to store any kind of flammable material in your accommodation. Disciplinary action may be taken for breaches of any of the above conditions.

Personal emergency evacuation plans (PEEPs)

If you think you might have difficulty exiting a building in an emergency, we can prepare a PEEP for you. This can also be done if you have temporary mobility difficulties such as broken limbs.

To request a PEEP contact:

The University Fire Safety Officer

T 01206 874847

E fire@essex.ac.uk

First aid, emergency, accident or illness

University Patrol Officers are trained first aiders. In the event of a serious accident or illness, please call the Patrol Officers on the numbers below and give your location.

Do not contact the emergency services yourself. Patrol Officers will contact them for you and ensure they can access the campus and direct them to the exact site of the emergency without delay.

If you require emergency assistance call:

T 01206 872222

TIP:

Add the emergency numbers in this book into your mobile phone.

Emergency telephones

Emergency telephones are located in the residences which will connect you to the Security and Safety Centre for first aid or other emergencies. Emergency numbers are provided on posters next to the telephones.

Telephone locations:

The Houses, Wolfson Court, South Courts:

Ground floor entrance hallway.

The Towers:

Lift landings on odd-numbered floors (ie. floor 3, 5, 7 and so on) and on the ground floor.

SAFETY AND SECURITY

Smoking

Smoking of any kind is not permitted in any area of University-provided accommodation. This means you must not smoke in your room or the communal areas or corridors of the accommodation, further information is available at essex.ac.uk/student/values/code-of-student-conduct

Smoking shelters have been provided near to residences for you to use. Smoking, including vaping within the accommodation will result in disciplinary action.

Electrical safety

If you are an overseas student, you must ensure that your electrical equipment is compatible with the UK mains power supply which is 220-240V, 50 Hz. If your equipment has a different rating it may not work properly and could be dangerous to use.

The plugs on your electrical equipment may require an international adapter so they fit a UK three pin mains socket. Adaptors must be fused and comply with UK and University safety standards.

Fused travel adaptors and other electrical appliances approved by the University are available to buy online from essex.ac.uk/online_shop/essexessentials/

Guidance on electrical safety and pictures of the recommended travel adaptor are available on our webpage, essex.ac.uk/student/accommodation/safety-and-security

Windows

The windows in The North Towers and some other areas are fitted with restrictors for safety purposes, and these must not be tampered with.

To ensure the safety of everyone on campus, you must not throw any items out of the windows of the accommodation. This is an offence under the Student Code of Conduct and could result in disciplinary action; further details are available at essex.ac.uk/student/values/code-of-student-conduct

Stay safe

Our campus accommodation provides a safe and secure place to live, however you should take precautions to ensure that you keep yourself and your belongings as safe as possible.

Security staff carry out regular patrols of the perimeter of the campus accommodation and the inside of the residences to ensure the safety and security of all residents.

TIP:

Always close your windows when you leave your room – especially if you live on the ground floor. This will deter opportunist thieves and prevent windows from closing sharply during windy conditions.

Don't hold building or flat doors open for other people if you do not know them.

Don't prop flat main entrance doors open.

Don't leave belongings unattended within your communal areas

E-scooters and e-bikes

E-scooters are not permitted on campus, which includes accommodation. E-Scooters and e-bikes should not be taken into your accommodation for charging or storage. Should an e-scooter or e-bike be found during our annual inspections, then it will be reported and may be confiscated. This is because the equipment can produce significant heat which could start a fire or cause injury.

HEALTH AND WELFARE

Health services

You are required to register with a local doctor for the duration of your studies at Essex and you can do this online at rowhedgesurgery.co.uk for our own health centre located on the north side of campus, behind Rayleigh Tower. Here they offer a full range of NHS services including GP appointments, a nurse and specialist clinics for asthma, diabetes, sexual health and contraception.

T 01206 794484

Prescription service

The Health Centre is unable to dispense prescriptions; however, the Students' Union (SU) offers a prescription service.

If you drop off your prescription at the SU reception by midday, it will be ready for you to collect by 3pm the following day.

For more information on healthcare for students, visit the website

► essex.ac.uk/student/healthcare

Consent and keeping yourself safe

Sexual consent is when someone willingly agrees to sexual activity with another person(s) and they are free and able to make their own decision. Sex without consent is rape or sexual assault so understanding what consent means really matters. Consent needs to be enthusiastic, freely given, and can be withdrawn at any point during a sexual encounter.

If you are still unsure about consent and how it works then watch this short video clip [youtube.com/watch?v=oQbei5JGiT8](https://www.youtube.com/watch?v=oQbei5JGiT8) or check out pauseplaystop.org.uk

Report and Support

Your safety is paramount. You can use this online tool to report incidences of physical assault, sexual harassment, hate crimes, online harassment, stalking, bullying or discrimination. For more information reportandsupport.essex.ac.uk

Harassment advisers

The Harassment Advisory Network (HAN) is part of our commitment to promoting equality and diversity. The HAN is made up of a team of appointed and trained Harassment Advisers who offer a confidential 'signposting' service for students, staff and visitors who may be experiencing some form of harassment or bullying.

MAKING A COMPLAINT

We aim to provide students with accommodation which is clean, well maintained and allocated as set out in our Allocation Policy.

We aim to provide you with an excellent service at all times, so we need you to tell us if we have made a mistake. This procedure explains how you can do this, and how we will deal with your complaint.

If you have any concerns about the service you have received from us, you should raise them with a member of staff at your earliest opportunity. We will always try to resolve your complaint quickly and informally.

Make a formal complaint

If you do not believe your complaint has been dealt with correctly, you can ask the relevant manager to look into your complaint formally. You can make a complaint in a number of ways:

- face-to-face
- by email
- by letter

Note: Quote your full name and PRID or PG number on all correspondence.

Check out where to make a complaint at essex.ac.uk/student/accommodation/accommodation-complaints

We will investigate your complaint and send you an email response within 10 working days. Sometimes we will need another department to provide us with information to investigate your complaint fully (Estates Management, for example). If this is the case, we will let you know if your complaint will take longer than 10 working days to respond to. Further details about how to make a complaint can be found at essex.ac.uk/student/accommodation/accommodation-complaints

Complaints about a member of staff

If your complaint is about a member of staff, you can ask to speak to their manager directly. If you make a complaint about a member of staff you must be prepared to make a formal statement and to attend any disciplinary hearing that might result.
