FAQs

Q. I've already applied to Essex through Clearing but now I would like to study a different course.

If you've changed your mind about which course you'd like to study with us, please contact our Clearing Hotline on 01206 873666 with your clearing reference number and we will guide you through the next steps.

Q. I have added Essex as my Clearing choice on UCAS, why haven't I had my place confirmed yet?

Your offer won't be confirmed immediately – we need to check your details once we receive your application from UCAS, so please don't be worried if your status doesn't update for a few days. If we require any further information from you, we'll be in contact by email. If you haven't heard from us after 3 working days call our Clearing Hotline on 01206 873666.

Q. If I'm accepted through Clearing, can I apply for University accommodation?

Yes! Clearing applicants are able to apply for University accommodation. If you are successful and we've confirmed your place, your status with Essex will become 'Unconditional Firm'. You can then register for your myEssex portal to apply for your accommodation at www.essex.ac.uk/apply.

We guarantee a room for all students who apply for accommodation by Friday 24 August. If you miss this deadline we may still be able to offer you a room. If we can't, we will put you in touch with SU Homes, a property finding service run by our Students' Union.

YOUR GUIDE TO CLEARING

WHAT HAPPENS NEXT...

If you've made a Clearing application to Essex and you're successful, you'll receive an email with your offer.

Don't panic, there's no formal UCAS deadline for adding Essex as your Clearing choice but demand for places is high, so try to complete the following steps as soon as you're sure you'd like to make Essex your home.

Confirm your place

If you are in UCAS...

- Ensure you are in 'Clearing' and not holding an offer elsewhere in order to accept us.
- Add Essex (institution code: E70) as your Clearing choice on UCAS Track.
- We'll receive your application electronically and, once we've completed some checks on your UCAS application, your offer will be confirmed.
- It may take a little while for your status on UCAS to change so don't be worried if it isn't updated for a few days.
- If we need any more information from you, we'll be in touch via email.

If you are not in UCAS...

If you're not in UCAS for 2018 entry, we'll be in touch with you as soon as possible with details of how to make an application.

CLEARING CHECKLIST

- Follow the instructions in your email to accept our offer. iPads will be available next to the Admissions Stand if you would like to refer yourself today.
- Apply for accommodation as soon as possible. To guarantee your first-year accommodation, apply before Friday 24 August. Once your UCAS status with us is 'Unconditional Firm' you'll be able to apply for accommodation. To do this you'll have to register for your myEssex portal.

TOP TIPS

- Advisers want to speak to you, not your mum, your teacher or your best friend. Be brave!
- Complete our online Clearing application form and wait to hear back from us before you add Essex as your Clearing choice on UCAS.
- Make sure you have read your offer email thoroughly, this will let you know what the next steps are.
