Introduction

The External Examiners Nomination Portal is a system for managing External Examiner nominations. A Head of Department will be able to supervise and monitor their Department’s External Examiner nominations and appointments through the system, with the help of this guidance.

The Nomination Portal is an enhancement of the University’s HR management system, iTrent. Elements of the Nomination Portal will be familiar to users who have previously used this system, whilst some elements are specific to taught External Examiner nominations.

Criteria for External Examiner appointment

Decisions around the approval or rejection of taught External Examiner nominations should be made in conjunction with the criteria for appointment published online. Departments should ensure that the nomination includes appropriate evidence that the proposed External Examiner meets all the criteria for selection. Where these criteria are not fully met, a written case for an exception should be submitted with the nomination.

Contact and help

If you have any questions or require further assistance, you can contact the Quality and Academic Development Team (QUAD) via email external.examiners@essex.ac.uk or via telephone (01206 87 3944).

Keyboard shortcuts

- You can return to the iTrent home page with a right click anywhere on the screen.
- If you have more than one iTrent role, you can switch between them using the drop-down menu in the top right hand corner.
- When entering a date if you want to enter today just press ‘t’ and it defaults to today’s date.
Home screen

When you first log into iTrent, choose your role. To access the External Examiner Nomination Portal, choose the role **EE – Head of Department** (*Your Department*).

Your Nomination Portal home screen will resemble the below screenshot.

**My to do list (0) / Processes (0)**

This button should be ignored. Users who hold other iTrent roles should note that External Examiner actions are not listed as Tasks or Processes and will not appear on your to do list.

**Nominations**

This button will take you through to the **Nominations** screen. From this view you can process new External Examiner nominations and check the status of nominations ongoing.

**External Examiners**

This button will allow you to check the details of your current External Examiners and submit requests for contract changes.

There are links to External Examiner guidance and other useful documents in the buttons at the lower edge of the screen. These will be periodically updated and can be referred for updates on External Examiner processes.
Nominations

This section of the guidance details the Nominations view of the Nomination Portal and outlines the processes associated with putting forward a new External Examiner.

Move to requisition processing or reject nomination

When you have reviewed the details of your nomination, you can either approve it for progression to QUAD and the Deputy Dean (Education) or reject it. To register your decision, please click the below button.

5. Process nomination (approve/reject)

This will bring up the below screen. Chose EE Stage 2a: Awaiting HoD check from the drop-down menu.

When you have selected this option, you will be provided with a second drop-down menu. This is where your decision of whether to approve or reject is registered. From the drop-down select either EE Stage 3a: HoD supports/QUAD review inc RTW to progress the nomination, or EE Stage 99: Reject/Withdraw to reject the nomination. The latter option can also be selected if the nominee withdraws their application before appointment is made.

You will be able to record the reason for your decision in the Stage notes free text box; please note that these comments can be viewed by any colleague involved in the nomination process.
It is important that you tick the checkbox in the Applicants section before clicking Save. This confirms that your decision is final and without checking this the nomination will not be progressed.

![Checkbox](image)

After you tick the checkbox and click Save, the Quality and Academic Development Team will receive an email asking them to check the details of the nomination before moving the nomination onto the next stage: Dean Authorisation.

If you do not support the nomination, you can select to move to the Reject stage; please add the details of why you are rejecting the nomination. Once this step is completed, an email will be automatically generated and sent to QUAD, who will inform the Department administrator.

## Nomination outcome

There are several potential outcomes that you can determine following initial review of the nomination submission. The outcome you select will be sent on to QUAD to take further action. More information on nomination outcomes is below:

- **Request for more information**

  A colleague in QUAD may send the nomination back to the Department to request more information. In this instance, an automated email will be sent to the nominated Departmental colleague for External Examiner nominations – usually the Department Manager.

- **Approved**

  Nomination has received approval by the Faculty Dean. You will receive an automated email confirming this.

- **Rejection**

  If the nomination is unsuccessful, QUAD will receive an automated email following the Faculty Dean’s decision. QUAD will then send a personalised email to the Department providing further information as to why the nomination was rejected.
Next steps

Once the nomination has been approved by the Deputy Dean (Education) or Pro-Vice Chancellor (Education), QUAD will receive automated notification by email. QUAD will then create an appointment letter from the portal to send to the External Examiner.

The External Examiner will need to sign the acceptance form and return to QUAD via the External Examiner email account. QUAD will upload this form onto the External Examiner’s iTrent account and payroll will also receive notification. QUAD will inform the Department that the External Examiner is now officially in post. The External Examiner can now login to iTrent to view the schedule of awards and modules for which they are responsible.

Following confirmation of appointment, there are a number of documents that the Department will need to send to a new External Examiner. For a full list of the information which an External Examiner will need to be supplied with, and with whom the responsibility sits, please visit the External Examiner section of the QUAD website.
