Department of Language and Linguistics Milestones for (Thesis by Papers) PhD
Students - 2021-22 Entry

Milestones	Criteria for progress	Deliverables	Deadline
M1: Confirmation and Progress to Year 2 (or equivalent for part-time students)	A: Assess training needs and knowledge required to undertake research project and complete the thesis.	<ul style="list-style-type: none"> ▪ Complete Training Needs Analysis, e.g., using the relevant Moodle resources. ▪ In conjunction with supervisor, plan for Proficio and other training courses to attend according to needs [Covid 19 contingency: face-to-face, dual-mode or online exclusively as appropriate]. ▪ Attend at least four of the workshops offered throughout the academic year as part of LG595. [Covid 19 contingency: Three might be sufficient as long as student's needs are addressed; these could be attended face-to-face, dual-mode or online exclusively as appropriate. Flexibility here might help students to focus on other work as necessary given the circumstances]. ▪ Regular attendance to Departmental seminars and research groups as relevant [Covid 19 contingency: Although these might be taking place online, this component is very important to keep a sense of community, support, and strong research environment]. 	<p>Term 1 for full-time students; Term 2 for part-time students</p> <p>By end of Term 3 for full-time students; Term 6 for part-time students</p>
	B: Choose research topic and demonstrate significance/impact of research.	<p>Research Project Proposal fully developed, including:</p> <ul style="list-style-type: none"> ▪ Write central research problem/questions to be answered. ▪ Methodological considerations. ▪ Feasibility Report – identifying sources, access and ethical considerations ▪ Create realistic and complete project plan, outlining objectives for each stage 	<p>By End of Term 2 for full-time students; Term 4 for part-time students</p>

		[Covid 19 contingency: Alternative plans, for example in relation to data collection, should be considered in case of further disruption].	
	C: Demonstrate understanding of chosen topic within the context of the field.	<ul style="list-style-type: none"> Critical Literature Review (where relevant) 	By Confirmation Panel (Term 3 for full-time students; Term 6 for part-time students)
	D: Demonstrate the ability to produce work of the quality and quantity in order to complete within the three year standard PhD period (six year for part-time students).	<ul style="list-style-type: none"> Evidence that academic writing is of standard and ability expected at PhD level, including adequate referencing and language skills. Have completed enough written work equivalent to 1/3 of thesis in draft format; i.e., have written 15-20,000 words. This should translate into a full draft of one paper or substantial literature review and methodology drafts which will inform the overall project. 	By Confirmation Panel (Term 3 for full-time students; Term 6 for part-time students)
	E: Demonstration of effective project management through the setting of research goals and prioritisation of activities.	<ul style="list-style-type: none"> Create a detailed, realistic plan of work/ timetable for Year 2. Produce Supervisory Panel report written in a clear and self-reflective style 	By Confirmation Panel (Term 3 for full-time students; Term 6 for part-time students)
	F: Have begun to collect and analyse evidence for application to your research questions.	<ul style="list-style-type: none"> Provide short written report on progress to supervisor. 	By Confirmation Panel (Term 3 for full-time students; Term 6 for part-time students)
Assess whether the planned research requires completion of the new COVID Risk Assessment for PGR student research and placement activities. All such risk assessments should be discussed at subsequent SPs and RSPBs.			
M2: Progress from Year 2 to Year 3 (or	A: Review training needs and knowledge required	<ul style="list-style-type: none"> Training Needs Analysis to be reviewed. 	Term 4 for full-time students; Term 8

equivalent for part-time students	to continue with research project and complete the thesis.	<ul style="list-style-type: none"> ▪ Attend Proficio courses and plan for further courses to attend, as appropriate [Covid 19 contingency: face-to-face, dual-mode or online exclusively as appropriate]. ▪ Regular attendance to Departmental seminars and research groups as relevant [Covid 19 contingency: Although these might be taking place online, this component is very important to keep a sense of community, support, and strong research environment]. 	<p>for part-time students</p> <p>By end of Term 6 for full-time students; Term 12 for part-time students</p>
	B: Demonstrate work of the quality and quantity expected at the end of Year 2	<ul style="list-style-type: none"> ▪ Have completed enough written work equivalent to 2/3 of thesis in draft format; i.e., have written 45-50,000 words. This should translate into a full draft of two papers. ▪ Report on research undertaken to date [Covid 19 contingency: if special measures and/or modifications to the original plan have been necessary, these must be reported]. 	By end of year Supervisory Panel (Term 6 for full-time students; Term 12 for part-time students)
	C: Review significance and impact of research and articulate output.	<p>For example:</p> <ul style="list-style-type: none"> ▪ Deliver workshop [Covid 19 contingency: e.g., online]. ▪ Present research to students and staff at seminars/conferences [Covid 19 contingency: e.g., online]. ▪ Write journal articles 	By end of year Supervisory Panel (Term 6 for full-time students; Term 12 for part-time students)

	D: Demonstration of effective project management through the setting of research goals and prioritisation of activities.	<ul style="list-style-type: none"> ▪ Create a detailed, realistic plan of work/ timetable for Year 3 which demonstrates the ability to submit within the three year standard PhD period (six year for part-time students) [Covid-19 impact taken into account if relevant] ▪ Produce Supervisory Panel report written in a clear and self-reflective style. 	By end of year Supervisory Panel (Term 6 for full-time students; Term 12 for part-time students)
M3: Year 3 (or equivalent for part-time students)	A: Demonstrate ability to reflect on skills and knowledge development and its application to the research project	<ul style="list-style-type: none"> ▪ Training Needs Analysis reviewed ▪ Regular attendance to Departmental seminars and research groups as relevant [Covid 19 contingency: e.g., online]. 	By the Term 7 Supervisory Panel for full-time students; Term 15 for part-time students
	B: Demonstrate work of the quality and quantity expected when nearing submission	<ul style="list-style-type: none"> ▪ Research completed (experimental, empirical and theoretical work, where relevant) ▪ Have produced full, good drafts of three papers. In other words, you should have submitted 80% of the thesis to your supervisor. 	By the Term 7 Supervisory Panel for full-time students; Term 15 for part-time students By interim Supervisory Panel prior to submission/Term 8 for full-time students; Term 16 for part-time students)
	C: Clear evidence of progress towards submission	<ul style="list-style-type: none"> ▪ Have completed full draft of thesis for supervisor(s)/ Supervisory Panel's comment 	By end of year Supervisory Panel (Term 9 for full-time students; Term 18 for part-time students)
If required: M4: Request to enter Completion period	A: Clear plan to submission	<ul style="list-style-type: none"> • Timeline of work needing to take place before submission • Final polishing of full thesis • Submission date agreed • Student is expected to complete course 'Surviving the Viva' which is offered by the University Learning and Development Unit. 	Timeline agreed by Supervisory Panel and included in the Supervisory Panel report.
