 - ii) Where students are required to pass all individual components of assessment, a pre-resubmission module aggregate will be calculated using the failed mark(s):
 - If the pre-resubmission module aggregate was below the pass mark then the resubmission can improve the module aggregate mark up to the pass mark only.
 - If the pre-resubmission module aggregate was above the pass mark then the resubmission cannot improve the module aggregate mark. The module aggregate is capped at the pre-submission aggregate.
