1 PREAMBLE

a) These rules apply to the part-time (36 months) Masters programmes named above. The rules should be read in conjunction with the relevant Programme Structure, Programme Specification and on-line Module Directory entries. The Module Directory will give detail of assessment arrangements. The Programme Structure will identify which modules are core for the Programme.

a) The pass mark for all modules of the Masters degree is 50. Credits are only awarded if the module is passed. In cases where failure with a mark of 40 is condoned, the credits are not awarded however the module mark will still be used to calculate the overall weighted average.

b) For the purposes of these rules taught module averages, the overall weighted average for the taught modules and the mark for the dissertation or equivalent will be rounded to the nearest whole number – i.e. 49.5 will count as 50, 49.4 as 49.
