 - b) A taught module is any assessed component excluding the dissertation or equivalent. A core module must be taken as part of the programme structure and passed, with no condonement of marks below a pass allowed.
 - c) All Masters degrees can be awarded with Distinction and Merit.
 - d) It is for the Board of Examiners to determine whether the criteria for an award have been satisfied.
-

2 PASS MARK

- a) The pass mark for all modules of the Masters degree is 50.
 - b) For the purposes of these rules taught module averages, the overall weighted average for the taught modules and the mark for the dissertation or equivalent will be rounded to the nearest whole number – i.e. 49.5 will count as 50, 49.4 as 49.

4 REASSESSMENT

Reassessment for taught modules

- a) Students who have failed any taught module may have a second attempt at the assessment for the module(s);
- b) Where all individual components of assessment must be passed in order to pass the module only one opportunity to resubmit the failed component will be offered;
- c) The Board of Examiners will reinstate the module mark for a previous attempt at a failed module if it is higher than the mark for the most recent attempt;
- d) When a reassessment opportunity in a component leading to a numerical mark is offered the module aggregate will be calculated as follows:
 - i) Where students are not required to pass all the individual components of a module, the maximum mark that will be recorded for a module as a result of a second attempt is 50;
 - ii) Where students are required to pass all individual components of assessment, a pre-resubmission module aggregate will be calculated using the failed mark(s):
 - If the pre-resubmission module aggregate was below the pass mark then the resubmission can improve the module aggregate mark up to the pass mark only.
 - If the pre-resubmission module aggregate was above the pass mark then the resubmission cannot improve the module aggregate mark. The module aggregate is capped at the pre-submission aggregate.

- Where the mark for the second attempt is lower than the mark for the first attempt, the final module aggregate will be that which is calculated using the mark of the most recent attempt.

4.1 If a student fails a module on the second attempt at the assessment no further attempt is allowed and the student will be required to withdraw unless there are substantiated extenuating circumstances accepted by the Board of Examiners.

4.2 Re-submission of Dissertation or equivalent

- a) Re-submission of dissertations or equivalent is only permitted in the following circumstances:
 - i) Either substantiated extenuating circumstances accepted at the discretion of the Board of Examiners, or;
 - ii) Where the original mark awarded is at least 40 and the Board of Examiners judges that the work required to achieve a pass does not include any additional experimental or practical work.
- b) Re-submission is subject to the following conditions:
 - i) A dissertation or equivalent must normally be re-submitted within two months of the formal notification of permission to resubmit; in cases of extenuating circumstances, this may be extended to a maximum of twelve months;
 - ii) A dissertation or equivalent which has been re-submitted because of a marginal fail shall be awarded no more than a maximum mark of 50; in the case of re-submissions because of extenuating circumstances, the full range of marks shall be available to examiners.

5 ASSESSMENT PROCEDURES

5.1 Powers of the Board of Examiners

The Board of Examiners shall have the following powers:

- a) Confirming the taught module marks achieved, including any marks for reassessment presented to the Board, and awarding credit.

5.2 EXTENUATING CIRCUMSTANCES

If you submit Extenuating Circumstances and they are accepted as valid, the Board of Examiners may be able to offer additional assessment opportunities, such as reassessment for uncapped module marks or voluntary reassessment, in line with the Extenuating Circumstances [Policy](#) and [guidelines](#). When extenuating circumstances are accepted, the Board of Examiners will use its discretion to determine what if any action should be taken in accordance with the powers set out in the Policy. Except in the case of accepted extenuating circumstances, Boards of Examiners do not have powers of discretion in relation to the application of the rules of assessment.
