
RULES OF ASSESSMENT FOR FIVE YEAR INTEGRATED MASTERS AWARDS

(Applies to cohort which entered in 2012-13)

1 PREAMBLE

The rules should be read in conjunction with the relevant Programme Structure, Programme Specification and on-line Module Directory entries. The Module Directory will give detail of assessment arrangements. The Programme Structure will identify which modules are core for the Course. Students will not normally be permitted to transfer onto an Integrated Masters programme after the start of Stage Three.

2 PASS MARK

- a) The pass mark for modules in Stages One, Two, Three and Four is 40%. The pass mark for modules in Stage Five is 50%. Credits are only awarded if the module is passed. In cases where failure with a mark of 40 (at stage 5) is condoned, the credits are not awarded.
 - b) A core module is one which must be taken as part of the programme structure and passed, with no condonement of marks below a pass allowed.
 - c) Appendix A to the Undergraduate Rules of Assessment will also give details of any variations which apply to Integrated Masters courses, including variations which affect the Final stage (Masters' level).
