UNDERGRADUATE RULES OF ASSESSMENT

Academic Year 2015-16
(cohort first registered in this year)

5. *Foundation Degrees*

5.1 PROGRESSION

5.1.1 In order to progress from Stage One to the Final Stage students must:

- a) achieve 120 credits at level 4. [NB where a student has a fail mark below 40 in a maximum of 15 credits' worth of non-core modules it is possible for a student to progress to the next stage of study in the circumstances set out in section 5.1.4]
- and**
- b) pass core modules and meet any additional course or module specific requirements outlined in the variations to the Rules of Assessment, including professional, statutory and regulatory body requirements.

End of Stage Examination Boards may also be used as progression boards for part-time students, and re-submission opportunities considered.

5.1.2 If a student does not meet the requirements to progress:

- a) where the student has failed **a maximum of 60 credits**, he/she must undertake the necessary reassessment, prior to the next academic Stage, in order to fulfil the requirement to progress. The module aggregate mark will be capped at 40%.
- b) where the student has failed **more than 60 credits** and has a year mark greater than 20%, he/she must repeat the Stage of study on a full-time basis for uncapped marks **or** undertake the necessary reassessment the following year (without attendance). The module aggregate mark will be capped at 40%.
- c) where a student has no substantiated extenuating circumstances, he/she must withdraw from the University in either of the following situations:
 - where the Stage mark is **below 20%**;
 - where a student was absent from all examinations which were due to be sat in the most recent examination period.

5.1.3 When the Board meets after re-sits/resubmissions are completed, the Board will consider the following options (Boards cannot offer more than three opportunities to undertake the assessment for a module). Where appropriate the Board will offer more than one option to the student:

a) to repeat the Stage of study full-time for uncapped module marks

or

b) where the student has failed a **maximum of 60 credits**^{*}, to repeat the Stage of study part-time, and the module aggregate mark will be capped at 40%¹

or

c) to undertake the necessary reassessment at the next available opportunity. The module aggregate mark will be capped at 40%.

or

d) where the student has not met the requirements to proceed having had three opportunities to undertake the assessment for a module, he/she would be required to withdraw from the University.

or

e) where a student has no substantiated extenuating circumstances, he/she must withdraw from the University in either of the following situations:

- where the stage mark is **below 20%**;

- where a student has undertaken none of the required reassessment.

Note: An undergraduate exam board will reinstate the module mark for a previous attempt at a failed module if it is higher than the mark for the most recent attempt. This will not apply where students are repeating an entire stage for uncapped marks. In such cases the marks achieved at the end of the repeat stage will stand.

5.1.4 Following reassessment, where a student has a fail mark below 40 in a maximum of 15 credits' worth of non-core modules, the Board will treat the fail in the following way:

a) Where the module aggregate mark is in the range 35%-39% and the mark for the stage is 45% or above, the student will be permitted to proceed to the next stage of study. The credits will be awarded.

b) Where the module aggregate mark is in the range 20%-34% and the mark for the stage is 40% or above, the student will be permitted to proceed to the next stage of study. However, the credits will not be awarded and the student will not be permitted to fail any more credits towards their award. Where a student has not had three attempts at the assessment for the Stage,

¹ This option is only permissible where the student's UK immigration permission allows part-time study.

the Board will offer the student the choice of either undertaking reassessment in Stage One or proceeding to Stage Two carrying the fail.

- c) Students will not be permitted to transfer to a course which regards the failed modules as core. Students who, after reassessment, still fail to achieve sufficient marks in an optional module to progress may choose an alternative optional module during their repeat Stage.

- a) to repeat the Stage of study full-time for uncapped module marks
