RULES OF ASSESSMENT FOR FOUR YEAR INTEGRATED MASTERS AWARDS

Academic Year 2014-2015
(cohort first registered in this year)

1 PREAMBLE

The rules should be read in conjunction with the relevant Programme Structure, Programme Specification and on-line Module Directory entries. The Module Directory will give detail of assessment arrangements. The Programme Structure will identify which modules are core for the Course. Students will not normally be permitted to transfer onto an Integrated Masters programme after the start of Stage Three.

2 PASS MARK

- a) The pass mark for modules in Stages One, Two and Three is 40%. The pass mark for modules in Stage Four is 50%. Credits are only awarded if the module is passed. In cases where failure with a mark of 40 (at stage 4) is condoned, the credits are not awarded.
 - b) A core module is one which must be taken as part of the programme structure and passed, with no condonement of marks below a pass allowed.
 - c) Appendix A to the Undergraduate Rules of Assessment will also give details of any variations which apply to Integrated Masters courses, including those which apply to the final stage (Master's level).
-

- c) Pass at least 60 taught module credits in Stage Four at the first attempt.

4.2 A Pass with Merit or Distinction

Pass with Merit

- i) Obtain 120 credits in Stage Four at the first attempt;
- ii) Obtain 60 credits in Stage Four at 60 or above;

4.3 Students who do not meet the requirements for an Integrated Masters Degree

Where a student is either unable to complete his or her studies in Stage Four, or does not achieve the required credits to be awarded a Masters award, the student will be considered for an undergraduate honours degree in accordance with the rules of assessment for three-year honours programmes.

Students will also be awarded a Postgraduate Certificate if they meet the criteria below.

4.3.1 To be awarded a **POSTGRADUATE CERTIFICATE a student should:**

- a) Subject to (d), obtain 60 taught module credits in Stage Four at Masters level (level 7).
 - b) Pass all taught core modules .
 - c) Pass 15 credits at the first attempt in Stage Four.
 - d) Failure with a mark of 40 or more for up to 20 credits in Stage Four, in non-core modules, will be condoned.
-

5 SECOND ATTEMPTS IN STAGE FOUR

5.1 Second attempts at the assessment for taught modules in Stage Four

- a) Students may have a second attempt for module(s) that have been failed, up to a maximum of 60 taught module credits.
- b) No second attempt at the assessment for a module is permitted prior to the Board of Examiners meeting where marks are confirmed and is subject to departmental arrangements (see below).
- c) The maximum mark that will be recorded for a module as a result of a second attempt is 50, unless there are substantiated extenuating circumstances accepted by the Board of Examiners.
- d) The mark for the second attempt will count even where it is lower than the original mark.

5.2 If a student fails a module on the second attempt at the assessment no further attempt is allowed unless there are substantiated extenuating circumstances accepted by the Board of Examiners.

5.3 Where the Board of Examiners permits a student to have a second attempt at the assessment for a module this only applies to any individual assignment/examination for the module that has been failed. A student cannot be permitted to retake a module unless permitted by the Board of Examiners because of substantiated extenuating circumstances.

5.4 When a student is given an academic offences penalty of resubmitting work for credit purposes only with a mark of zero to be retained for all calculations, the raw mark achieved for the resubmitted work will be used initially to calculate the module aggregate mark. Credit will be awarded where a student achieves an overall module aggregate mark of 50. The penalty mark of zero will then be applied and included in calculations of the mark for the overall weighted average for all the taught modules.

If the student has initially achieved a mark of 40-49 for the module aggregate (including the raw mark achieved) no credit will be awarded, but the module can be considered for condonement if the average for the taught course modules is 50 after the mark of zero has been included in the calculation.

If the student has initially achieved a mark of less than 40 for the module aggregate then no credit will be awarded and no condonement can be applied.

6.1 EXTENUATING CIRCUMSTANCES

Extenuating circumstances can only be considered by the Board of Examiners if the student has submitted an extenuating circumstances form by the agreed deadline. When substantial extenuating circumstances are accepted by the Board of Examiners it may use its discretion to depart from the rules of assessment where this is necessary to achieve a fair result.

6.2 EXAMINATION BOARD DISCRETION

Except in the case of extenuating circumstances (see 5.2 above), the Board of Examiners does not have powers of discretion in relation to the application of the rules of assessment.

End.
