Our team is passionate about offering nutritious and innovative food for any occasion and our main aim is to make a positive difference to your meeting or event. Our menu has been carefully created by our skilled Essex Food team and is designed to suit a variety of tastes, diets and budgets. Over the last year we have continued our focus on including more seasonal, fresh and nutritional produce, through listening to customer’s feedback.

We’re dedicated to developing a sustainable food culture at the University. We’re providing Fairtrade products where possible, and working with local food partners to increase the demand and supply of seasonal, local and organic food.

We are committed to reduce the University’s carbon footprint by using recyclable materials and have reduced the amount of plastic wastage by bottling our own water on-site with our Brita Vivreau water bottling system.

Welcome

**Top tips**

**Book early**

Our diary works months in advance so why not book your meeting in early so that you can put your mind at ease knowing it’s all sorted. Booking in advance also ensures you have more chance of getting the exact times and items you are after. Please note that Welcome Week is an extremely busy time of year, therefore early booking is essential to ensure the smooth delivery of your catering.

**Timings**

If your booking is time specific then please place a time for catering or refreshments before your meeting or event is due to start. This ensures that your delivery is set up in advance of your guests arriving. Wherever possible, please let us know the title of your meeting or event, and what time you have the room booked from and until. This information allows us to identify your booking to other members of your team who may enquire with us. It also allows us to plan when our staff can enter the room to setup and clear away.

**Large Numbers**

We are very happy to cater for larger numbers, but ideally we do appreciate a little more time to organise hospitality bookings for over 100 people.

**Special Diets**

We have always made every attempt to cater for customers with special dietary requirements. However, you may also be aware that from December 2014 it became a legal requirement to provide allergen information for the 14 key allergens. For the peace of mind of all of our customers, all our food is labelled with allergen information, either prior to booking, or at the point of service. Please inform us at the time of booking if any of your guests have special dietary needs to ensure they are catered for on the day.

**Tables**

Please ensure that there are sufficient tables available for us to set up your catering or refreshments on.

**Plan Ahead**

If you know you have an event happening and have only got preliminary details, but know that you will have some hospitality requirements, then please let us know. We can then plan it in our diary and work with you until all the details are confirmed.

**Need some help?**

If you have any questions, special requests, or are confused by anything in our menus, then please do not hesitate to contact a member of our team. We love to talk to our customers and are here to help – call us on ext. 2385.

WINE
Wine

Whites

Vistamar Brisa Sauvignon Blanc, Chile
£14.75 per bottle
A crisp dry white wine from Chile’s great Central Valley. It is pale yellow in colour with highlights of green. Aromas of the Sauvignon Blanc grape leap from the glass, of passionfruit, white flowers, citrus fruits, jasmine and orange-blossom. On the palate it is fresh, crisp, expressive and balanced.

Principato Pinot Grigio, Italy
£18.95 per bottle
A light, fruity white wine from the Pinot Gris grape grown in the province of Pavia, Lombardy. Impeccably made, its floral and fruity aromas have a hint of stone fruit. The palate is smooth with citrus characters and a lightly spicy finish.

Sparkling Wine

Lunetta Prosecco, Italy
£21.95 per bottle
A deliciously delicate and dry Prosecco from the Glera grape grown in the hills of the Adige and Vallagarina valleys in Trentino. Light, refreshing effervescence and subtle red fruits, apple and peach aromas. Refreshing and cleansing on the palate. Perfect aperitif.

Rosé

Vistamar Brisa Rosé, Chile
£14.75 per bottle
A cherry-red rosé produced from Cabernet Sauvignon and Syrah grapes in Chile’s Central Valley. Its aromas are reminiscent of strawberries and raspberries with some cassis black fruits following through as the wine evolves in the glass. It has a medium-weight fruit-rich palate which is quenching and refreshing.

Reds

Vistamar Brisa Merlot, Chile
£14.75 per bottle
This Chilean Merlot is textbook violet in colour with plum-like aroma and a soft, juicy palate. Beneath the surface of the fruits a rich toasty element emerges which sets this wine apart from its competitors. On the palate it is pleasantly light and smooth.

Murphy’s Vineyard Big Rivers Shiraz, South Australia
£18.95 per bottle
Bright, ripe and spicy with black fruits and a generous, smooth palate.
