How to apply

If you meet all the eligibility criteria you will automatically be considered for this award. You don't need to complete an application form. The University will assess your eligibility based on the academic transcripts and certificates that you submit with your application for your place at Essex. No alternative supporting evidence will be accepted.

Payment arrangements

- These scholarships will only be made available as a reduction on the tuition fee that is payable on registration at the University. Payment cannot be offset against a tuition fee deposit if one is required.
- If you intermit from your course, you may, at the discretion of the University, be entitled to a pro-rata payment of the remainder of your award on your return to study. Please contact the [Funding Team](#) for further information.

Resolution of disputes

Acceptance of this award constitutes acceptance of these terms and conditions. Registered students should contact the [Funding Team](#) in the first instance for guidance regarding this award. In cases not covered by the above terms and conditions, or where a student claims exceptional circumstances, or disputes a decision not to make payments due under an award, final appeals on decisions regarding eligibility must be made via the [Student Complaints process](#). The Academic Registrar or their nominee will review the case and their decision will be final.

These terms and conditions apply to the academic year 2022-23. The University of Essex reserves the right to update these terms and conditions as necessary.
