How to apply

You will be invited to interview as soon as possible after submitting your course application. The MBA Team will assess you for a scholarship award during your interview.

During your interview, the MBA Team will be particularly looking for evidence of:

- Academic merit
- Work experience (quality and relevance of work experience, not simply time served)
- Your potential contribution to the learning experience on the programme
- Ideas on sustainable and entrepreneurial business
- Ability to communicate experience and ideas
- Plans for utilising the Essex MBA experience after the course

The University will also make use of official transcripts and certificates, your CV and your personal statement submitted as part of your original application for admission to the course, to decide the level of your award. No alternative supporting evidence will be accepted.

You will be notified of the award in the offer letter that you receive following your interview.

Payment arrangements

- These scholarships will only be made available as a reduction on the tuition fee that is payable on registration at the University. Payment cannot be offset against a tuition fee deposit if one is required.
- If you intermit from your course, you may, at the discretion of the University, be entitled to a pro-rata payment of the remainder of your award on your return to study. Please contact the [Funding Team](#) for further information.
- Students studying part-time versions of the MBA will have the same % fee discount applied to the relevant fee in each year of study. Students studying the modular version of the MBA will have the same % fee discount applied to the relevant fee for each module they undertake.

Resolution of disputes

Acceptance of this award constitutes acceptance of these terms and conditions. Registered students should contact the [Funding Team](#) in the first instance for guidance regarding this award. In cases not covered by the above terms and conditions, or where a student claims exceptional circumstances, or disputes a decision not to make payments due under an award, final appeals on decisions regarding eligibility must be made via the [Student Complaints process](#). The Academic Registrar or their nominee will review the case and his/her decision will be final.

These terms and conditions apply to the academic year 2023-24. The University of Essex reserves the right to update these terms and conditions as necessary.
