How do I apply?

Applicants should complete the Colchester Sixth Form College Bursary application form found on the bursary web page. This should be submitted no later than Friday 14 September 2018. Submissions after this date will be considered at the discretion of the University.

Those who qualify for the bursary will be contacted after the date above via the email address associated with your UCAS application or your Essex email address, should you have one, with further details.

How will I be paid?

The bursary is worth £1,000 for the first year of study only. Payment will be made in two instalments, normally in February and May by bank transfer. Students must be registered for full-time study in order to receive payment (see bursary suspension below). Please note that if our records show that you are in debt to the University when an award payment is due to be made, the payment will be offset against your student account in the first instance and you will be entitled to receive any balance.

Can I hold this with other awards?

This bursary may be held in conjunction with other University awards.

Bursary suspension

The bursary will be suspended during a period of approved leave of absence (intermission) where this period covers a whole or part of an academic year, and may be reinstated on your return to full-time study subject to the conditions above. On your return to study you will be entitled to the balance of the bursary for the stage. There will be no payment for repeat periods of study in any circumstances.

Scholarship termination

If you withdraw from your studies, or are required to withdraw, no further payments will be made. Your bursary will be terminated if you cease to be registered as a student with the University, or for good cause at the discretion of the Dean of the student's Faculty, or his/her nominee for this purpose.

Dispute resolution

Acceptance of the bursary constitutes acceptance of these terms and conditions. Registered students should contact the Funding Team in the first instance for guidance regarding this award. In cases not covered by the above terms and conditions, or where a student claims exceptional circumstances, or disputes a decision not to make payments due under a scholarship or bursary, final appeals on decisions regarding eligibility must be made via the Student Complaints process. The Academic Registrar or his/her nominee will review the case and his/her decision will be final.

NOTE: *These terms and conditions apply to Colchester Sixth Form College bursaries awarded to students for the academic year 2018-19. The University of Essex reserves the right to update these terms and conditions as necessary.*
