

Double-degree Law EU Scholarships 2021-22

This scholarship scheme is for French double-degree undergraduate Law EU students studying as a new student in academic year 2021-22 who are classified as international students for fees purposes. The awards offered are a discount of £7,000 automatically deducted from your tuition fees for each year of study at Essex (first 2 years of your course).

Terms and conditions

1. Eligibility

- These scholarships are restricted to EU applicants who are classified as international students for fees purposes.
- Applicants must be entirely self-funded.
- Applicants must be starting their first year of study on a French double-degree Law programme at the University of Essex in 2021-22 through our partner institutions in France.
- Applicants must actively make Essex their firm choice by 19 July 2021. Applicants that become firm with Essex through rejection by their original firm choice selection elsewhere are not eligible.
- Only one scholarship award can be made per student and the award cannot normally be held in conjunction with other University of Essex awards.
- Students who apply via UCAS or direct entry are eligible for this award.
- Successful applicants should be available for promotional activities.

2. Students who are not eligible

The following students are NOT eligible for the Double-degree Law EU Scholarship regardless of meeting the above criteria:

- Students who are not permanently domiciled in an EU country.
- Students who are fully or partly sponsored.
- These scholarship awards do not apply to deferred entry. Where a scholarship has been awarded to a student who subsequently defers entry to the following academic year, the award will be withdrawn and the applicant will be considered again in line with the terms and conditions that apply in the new proposed year of entry.
- Students who are classified as a Home fee paying student.

3. How to apply

We'll assess your eligibility based on the information that you submit with your application for your place at Essex.

If you meet all the eligibility criteria, you will automatically be awarded this scholarship. You don't need to complete an application form.

4. Payment arrangements

- These scholarships will only be made available as a reduction on the tuition fee that is payable on registration at the University. The award is for each year of study, covering 2 years. Payment cannot be offset against a tuition fee deposit if one is required.

- If you intermit from your course, you may, at the discretion of the University, be entitled to a pro-rata payment of the remainder of your award on your return to study. Please contact the [Funding Team](#) for further information.

5. Resolution of disputes

Acceptance of this award constitutes acceptance of these terms and conditions. Registered students should contact the [Funding Team](#) in the first instance for guidance regarding this award. In cases not covered by the above terms and conditions, or where a student claims exceptional circumstances, or disputes a decision not to make payments due under an award, final appeals on decisions regarding eligibility must be made via the [Student Complaints process](#). The Academic Registrar or his/her nominee will review the case and his/her decision will be final.

These terms and conditions apply to the academic year 2021-22. The University of Essex reserves the right to update these terms and conditions as necessary.
