What is "Ordinary Residence"?

For the purposes of assessing eligibility for the scholarship, you must have been ordinarily resident in Mauritius, for the three-year period prior to commencing your course. Ordinarily resident means that you must have been habitually, normally and lawfully residing in Mauritius from choice for the specified period. The three-year period for courses starting in October 2022 is calculated as 1 September 2019 to 1 September 2022. Temporary

absences during this three-year period may be permitted at the discretion of the relevant University officer. Students may be asked to provide documentary evidence to determine ordinary residence and an assessment of whether a student meets the ordinary residence criteria will normally be made by the Head of Admissions or their nominee, and their decision will be final.

How to apply

- We'll assess your eligibility based on the information that you submit with your application for your place at Essex.
- If you meet all the eligibility criteria, you will automatically be awarded this scholarship. You don't need to complete an application form.

Payment arrangements

- These scholarship awards will only be made available as a reduction on the tuition fee that is payable on registration at the University. Payment cannot be offset against a tuition fee deposit if one is required.
