STUDY WITH PNU IN South KOREA

What: Summer School

Where: Busan, South Korea

When: July 2018

Pusan National University – Summer School- Korea

Pusan National University is the first national university created by the love of citizens in 1946. As one of the Asia's premier comprehensive institutions of higher education and national leading in research, teaching, and community service. PNU provides educational opportunities in almost all areas of study and supports the need of qualified higher education in the South-eastern region of the country. PNU is located in maritime city Busan, the second largest in Korea, the most famous beach and the most sage and clean city in the world.

The marine culture of Busan can be experienced through regional festivals and urban events and literature that have contributed to the entire lifestyle of the ocean community. Maritime culture in Busan is well shown in the urban space and activities that shape the lifestyle of citizens, along with the re-enactments through literature and art. Busan has selected its best accommodation and transportation infrastructure, experience in hosting a number of international events, and detailed event programs utilizing its unique cultural characteristics to help choose its cultural cities.
