ESSEX ABROAD

STUDY WITH ITESM IN MEXICO

What: Summer School

Where: Mexico

When: July 2018

@essexabroad

ITESM Study in Mexico summer school

Instituto Tecnológico y de Estudios Superiores de Monterrey (ITESM) is one of the most academically recognized universities in Latin America. ITESM is known for having one of the top graduate business schools in the region and being one of the leaders in patent applications among Mexican universities.

Monterrey is the third largest city in Mexico and the capital of the state of Nuevo León. Tourists will be surprised at the wealth of cultural and entertainment attractions that the city has to offer.

During your stay in Monterrey you will have the chance to learn more about Mexican culture and traditions through extracurricular activities and visits.

More info: [CLICK HERE](#)

Available courses

- Mexican Culture and Doing Business in Latin America

This course is focussed on intermediate students. Requirements include basic courses on business, marketing and basic economics. Learning: As a result of the learning process, students must be able to develop a project that includes the basic concepts of business environment in Latin America.

- Spanish as a Second Language

This course is aimed at students developing the basic communicative skills in the Spanish language for their performance in social and academic contexts. It requires no previous knowledge of Spanish. As a learning outcome, the student will be able to recognize and use adequately the syntactic structures of Spanish in communicative interactions at the beginning level.

The courses **do count** towards the [Big Essex award](#) with 50 units awarded but they are uncredited **do not count** towards your University of Essex degree.

Eligibility criteria

All courses are taught in English apart from the 'Spanish as a Foreign Language' course which is aimed at beginner Spanish learners.
