Welcome to Essex talk

Learn all about the University of Essex and the benefits of being a member of our postgraduate community.

Student Finance talk

Did you know there is a Masters and a PhD loan? Do you know we offer an Alumni Loyalty Discount? Learn about everything to do with student finance, pick up some top tips and discover what else is available from Essex to support you! Tonight we have both a student finance talk and a stand staffed by experts from our fees and funding team to help you understand how you can finance your studies.

WHERE CAN I EAT?

If you get a little peckish (it is dinner time after-all) then don't worry! Pop onto central campus to discover foods from around the world. But if you fancy a hot drink and something to eat while you look around, we're providing tea, coffee, hot chocolate and cake.

MEET OUR EXPERTS

From 5pm you'll be able to meet our academic staff who are happy to answer your questions about studying at Essex. Here is a list of our departments who will be available to speak to during the evening.
