

Study Abroad loyalty discount

Terms and conditions

1. The discount is awarded to students who previously attended at least one term at Essex, as a non-graduating student on a study abroad programme; who are:

- registering for their first postgraduate study period at Essex, either for an eligible postgraduate taught course or a research degree, following completion of their study abroad programme; and
- self funding all of their tuition fee.

2. Eligible courses and research degrees are those which are full-time programmes leading to the degree of MA, MSc, MBA, LLM, MFA, MAPH, MPEM, MRes, MAD, MSD, MPhil or PhD. Graduate and Postgraduate Diplomas and Certificates, further exchange study, modern language modules, credit accumulation study, professional development modules are excluded from this discount.

3. The discount will be applied at the point of confirmation, by the Graduate Admissions Office, and represent a ten per cent reduction on the annual tuition fee for the first year of full-time study only.

4. The discount should not be awarded in combination with other discounts so, if a student is eligible for a loyalty discount and other discounts, only the greater is given. Holders of Essex Scholarships, Essex Silberrad Scholarships, Santander Scholarships or any award which involves the payment of tuition fees by a third party are not eligible for the loyalty discount as they are not self-funding the whole tuition fee.
