Theses

School of Health and Social Care

Caroline Janette Bald, "Not everyone should be a social worker." A critical review of social work education admissions decision-making in English universities

"Lucia Yvonne Collen, Intergenerational Perspectives on Sexual and Reproductive Health Communication amongst Rural Women in Southern Malawi: An Ethnographic and Participatory Action Research

That's your way, this is ours: Yao women's perspectives on sexual and reproductive health knowledges, rituals and traditions in a rural community of Balaka, Malawi"

David James Everiss, Exploring the online learning experiences of health and social care students.

Hollie Claire Hadwen, Supporting the pastoral needs of undergraduate diagnostic radiography students: a phenomenological exploration of the educator's experience

Victoria-Joanna Scott, A cross-sectional, exploratory, mixed-method study examining Advanced Clinical Practitioners' expectations and experiences of their roles

Dimitra Theodoropoulou, Demystifying Art Therapy with children and young people in a UK mental health charity: how Art Therapists make the tacit tangible in conceptualising change.

Danielle Loren Arnold, Working with the cards we're dealt: A longitudinal study exploring the impact of intersectional and systemic factors on family mental health. Evidence from understanding society: UKHLS

Blessing Adenrele Bakare, The relationship between racial and mental health outcomes in young adulthood: A UK context

Edward Balls, Does psychological distress and sleep disturbance mediate the link between socioeconomic position and inflammation?

Laura Brady, Direct measurements of the brain mechanisms of motor control in ageing

Natalie Brunsden, Exploring child temperament and parenting influences on children's internalising and externalising difficulties

Michael Fitzpatrick, Exploring The Potential Psychological Benefits of a Death Reflection-Manipulation based Intervention

Ailish Gallagher, The brain-body link: The impact of trauma on interoceptive awareness & the presence of psychosomatic symptoms in adolescents, a community sample

Rebecca Gillies, The Changing Landscape of Paternal Mental Health in the UK During the COVID-19 Pandemic.

Hannah Griffin, Survivors at the Centre? Learnings from Survivor Epistemology Operating in a Public Inquiry into Child Sexual Abuse.

Emily Hall, The association between income, relationships and psychological distress.

Sharon-Lin Harwood, Understanding dementia from the perspective of people with a learning disability: preferences for the disclosure of dementia and care planning.

Cara Knight, Traumatic Brain Injury- Exploring the gaps in unmet needs through Critical Discourse Analysis

Kate Maguire, Validation of the Psychopathy Checklist Short Version in Autistic Adults Detained Under the Mental Health Act.

Theses

Emily Monger, Misconceptions of Madness and Racialised Mythologies: Black Mothers' Lived Experiences of Postpartum Psychosis and Racism

Indiana Montaque, Oral health care: An exploration of the experiences of sexual abuse survivors, and the perspectives of dental professionals.

Jenny-Rebecca Pulford, A Feasibility study of the transferability of Improving Access to Psychological Therapies (IAPT) to emergency medical Inpatients within acute medical wards.

Sadia Riya, Experiences of Caring for a Child with Mental Health Difficulties: An Interpretative Phenomenological Analysis of South Asian Familial Caregivers in the UK

Tamara Sancho, "My whole training I've been trained to work with diversity, no-one has taught me how to work with similarity": Exploring how Black Clinical Psychologists in the UK experience working with racially similar clients

Gemma Shoesmith, Evaluating the feasibility, acceptability and effectiveness of acceptance and commitment therapy for family carers of adults with intellectual disabilities.

David Simpson, Heart rate variability change and psychological resilience in school children responding to experimental stressors
