OUR

CAMPUSES

The University of Essex is based at three campuses: Colchester, Southend-on-Sea and Loughton. Your course will be based at one campus location.

Colchester to:

- Central London: 45 minutes to 1 hour by train, 1 hour and 40 minutes by car.
- Stansted: 1 hour and 15 minutes by bus, 50 minutes by car.
- Southend Airport: 1 hour and 15 minutes by train, 1 hour by car.
- Gatwick Airport: 1 hour and 50 minutes by train, 1 hour and 40 minutes by car.
- Heathrow Airport: 2 hours and 10 minutes by train, 1 hour and 55 minutes by car.

Southend to:

- Central London: 45 minutes to 1 hour by train, 1 hour and 20 minutes by car.
- Southend Airport: 15 minutes by bus, 10 minutes by car.
- Stansted Airport: 1 hour and 30 minutes by bus, 1 hour by car.
- Gatwick Airport: 2 hours by train, 1 hour and 10 minutes by car.
- Heathrow Airport: 2 hours by train, 1 hour and 20 minutes by car.

Loughton to:

- Central London: 42 minutes by train, 45 minutes by car.
- London City Airport: 40 minutes by train, 25 minutes by car.
- Stansted Airport: 1 hour and 28 minutes by train, 30 minutes by car.
- Gatwick Airport: 1 hour and 30 minutes by train, 1 hour and 20 minutes by car.
- Heathrow Airport: 40 minutes by train, 1 hour by car.

For more information about the Loughton Campus, please visit:

→ east15.ac.uk

FACILITIES

Impatient to explore our campuses? We're investing in your campus experience to make sure you've got amazing spaces to learn, live and relax.

Sports facilities

■ Our **Essex Sport Arena** has 1,655 seats and can host televised sporting events. The Arena contains eight badminton courts, three basketball courts, three netball courts, five volleyball courts and two futsal courts. The Sports Centre next door includes a modern gym, fitness studios and even a climbing wall.

Arts and theatre

■ The **Lakeside Theatre** on our Colchester Campus, the **Corbett Theatre** in Loughton, and the **Clifftown Theatre** in Southend host student and professional productions. Whether you're a keen actor, interested in production, or just enjoy an evening at the theatre these provide an excellent creative space for students with an interest in the arts. There is also an art gallery on the Colchester Campus.

Study and learning spaces

- **Essex Business School** in Colchester is a zero carbon building, with a winter garden, café and lots of space for group discussions.
- The **Forum Learning Hub** in Southend is open 24 hours a day and offers a range of diverse spaces for study and group work. In the Forum you'll also find our large lecture theatre, a café and our friendly support services all under one roof.
- The **Silberrad Student Centre** has 24/7 access to a combination of IT-rich areas and study pods for group work. The Centre is also home to our Student Services Hub – your one-stop-shop for finance and support services.

- The **STEM Centre** on our Colchester campus includes a 180-seat wet lab for our School of Life Sciences and a 150-seat IT-rich exploratory learning space to enable collaboration between students across our Faculty of Science and Health.
- The **Forum library** in Southend is a vibrant contemporary space with outstanding learning facilities and a central location. The **Albert Sloman library** in Colchester houses some of the UK's finest collections, providing fascinating insight into Latin America, Russia and Eastern Europe.
- We have one of the world's leading **robotics research facilities**, housing robotic wheelchairs, spiders, dogs, football players, fish and robotic aircraft, which you can often see flying around the arena!

- Campus allotment
- Sports pitches and parkland

COLCHESTER LIFE

The Colchester Campus is based in 200 acres of parkland close to the city centre. It offers extensive study, sports and social facilities as well as medical and support services to ensure you achieve the most from your studies. Located under an hour from London, Colchester is a great student city, offering a mix of bars, restaurants, theatres and music venues. It also has a rich history as the UK's first capital, with Roman settlements found all around the city.

Shopping, food and nightlife

Colchester's Culver Square and Lion Walk are home to a fantastic range of familiar shops and high-street fashion. What makes our city really distinctive are all of the specialist and unique shops on offer. Stroll down Sir Isaac's Walk or Eld Lane, two of the quirkiest streets in the city centre, and you'll find a mixture of retro clothing boutiques, old-school sweet shops, tea rooms, jewellers, and international food stores.

There's a wide range of restaurants with student-friendly prices offering local and international cuisines.

Colchester also has a great selection of bars, pubs, cafés, nightclubs, visual and performing arts and live music venues to cater for all tastes.

On campus, you'll find a range of food options, with a great selection of halal, vegan and vegetarian dishes and groceries available, as well as a range of entertainment options.

Location and travel

Colchester is under an hour away from all the attractions of London, and has good connections for both the UK and abroad. We're an hour away from London Stansted Airport which offers low-cost flights to many European and Middle East destinations, and London's other airports are also easily accessible by public transport.

Things to see and do

The Colchester Castle and its museum offer a great introduction to the city's Roman and Norman history.

Mersea Island less than an hour from campus offers some of the tastiest seafood around, including the famous Mersea oysters.

Colchester Zoo is home to a huge range of species and offers a great day out close to the city centre.

“Essex was the perfect choice for me as Colchester is only a 50-minute train ride from the centre of London and an hour from Stansted airport, where I can get a flight directly to my hometown. Another influential reason for choosing Essex is because it is a campus university and has everything I need on site.”

Effie Lunde, BSc Management and Marketing student, Sandefjord, Norway

SOUTHEND LIFE

Our campus in Southend-on-Sea is located in the heart of the city and surrounded by all of its facilities.

Sports, arts and leisure

If you like to be active you can take advantage of Southend's great location with sailing, windsurfing, jet skiing and canoeing all available on the seafront. There is a thriving live music and arts scene, with two theatres, numerous art galleries, and festivals throughout the year. If food is your thing, you are spoilt for choice with hundreds of places to dine, from independent Portuguese and Thai restaurants to popular franchise outlets.

Our campus

Our Southend Campus offers modern learning and teaching spaces. The Forum building has a library, gallery and café. It also houses our Learning Hub, plus all of our student support services in one place.

Our Learning Hub is open 24 hours a day. With quiet reading spaces and technology-driven group working pods, there are a range of diverse spaces, each dedicated to a different style of learning and studying. The Gateway Building houses more teaching facilities as well as our Faith Centre.

The Students' Union organises and facilitates activities and sports in Southend, from yoga lessons to nights out. You can also enjoy the SU Lounge venue, with comfortable sofas, game consoles and board games to keep you entertained.

Location

Southend-on-Sea's location means there's plenty to see and do. Well-known attractions abound, from Adventure Island amusement park and arcades to the famous Rossi ice-cream parlour.

Southend is also a great gateway: London is just 45 minutes away by train, while London Southend Airport is only three miles from campus, offering budget flights to a range of European destinations.

“During my time here, Southend has offered opportunities to learn and excel academically and professionally – as well as a great student experience. With a small and diverse student community it is easy to get to know each other, access support services and meet with your academics. Throughout the year we have BBQs, parties, fireworks, cultural celebrations, live entertainment, inspirational guest speakers and competitions. Without any doubt, I'd recommend Southend as your place of study.”

Ernest Nyarko, previously Students' Union Vice-President Southend

ACCOMMODATION

Accommodation is guaranteed for international students studying on our Colchester and Southend Campuses for the duration of their degree.

South Courts

Cost per week: £163.80 - 169.47

Location: Colchester Campus

4-14 rooms per flat, en suite facilities, some adapted rooms available

The Towers

Cost per week: £107.52 - 110.18

Location: Colchester Campus

13-16 rooms per flat, shared showers and toilets, 2 minute walk to central campus

CAREERS

We are committed to investing in your future. We support and encourage you to make the most of your time at university and provide you with ongoing support when you graduate.

→ essex.ac.uk/life/student-services/careers

Enhance your career prospects

Our courses are designed to equip you with a range of transferable skills and experiences which will help you head start your career. All of our undergraduate degrees include a module on employability, with special emphasis on your area of study. We also offer a whole range of additional services, support and opportunities for you to develop your skills further to really stand out in front of future employers.

Master your data skills

Our Data Science for All and Data Science Boot Camp courses offer free data science skills training to all students without a computer science background.

Learn a language

No matter which subject you've chosen, all of our students have the opportunity to learn a new language. Our popular Languages for All programme offers lessons in up to seven languages (Arabic, French, German, Japanese, Mandarin Chinese, Russian and Spanish) and is free for the first year.

essex.ac.uk/life/student-services/learn-a-language

The Big Essex Award

Our Employability Award lets you gain recognition for extra-curricular activities, which will then be recorded in your undergraduate HEAR (Higher Education Achievement Record), or the postgraduate FAR (Further Achievement Record). There are four levels to the award - Bronze, Silver, Gold and Platinum – so you'll have a chance to work through the levels during your time at Essex and really impress your future employers.

Activities that may count towards your Big Essex Award include part-time work, volunteering through the Students' Union vTeam, language learning through Languages for All, having an executive role in a student society or sports club, becoming a course representative, and more.

essex.ac.uk/student/careers/the-big-essex-award

Employability workshops

Our workshops and webinars will help you successfully apply for work, both during and after your studies. Training includes help with creating the perfect CV, tips on how to excel at interviews and guidance on delivering a professional presentation. Training is also available on how to make the most out of networking and LinkedIn. Employers and employer organisations also offer talks on how to prepare for a career or training opportunities in their field.

essex.ac.uk/careers

Study abroad opportunities

Most of our undergraduate courses offer study abroad opportunities. We have relationships with over 150 institutions in 40 countries worldwide.

essex.ac.uk/essexabroad

International networks

We have established partnerships with a wide range of universities from all around the world, to maximise the mobility and employability of our graduates. You can find out more about the partnerships in your region on our country webpages. You can also find out more about the European YUFE and YERUN partnership networks online.

essex.ac.uk/international

Gain real-life experience

There are a number of ways in which you can gain wider experience during your studies at Essex.

Our CareerHub job listings board lists vacancies for a wide range of part-time work opportunities, both on and off campus, including our Frontrunner student internship programme, work in the Students' Union venues and services, opportunities to work as a Student Ambassador or Residence Life Assistant, and a whole range of jobs available through local businesses and organisations. You can also use CareerHub to search for full-time graduate jobs.

essex.ac.uk/careers

→ essex.ac.uk/life/student-services/careers

Work placement as part of your studies

In most degree subjects we offer the opportunity for you to include a work placement year as part of your undergraduate degree – this will usually be a year-long paid work placement in industry, relevant to your field of study. We also offer Masters programmes with a Professional Placement in selected subjects.

[essex.ac.uk/careers/placements](https://www.essex.ac.uk/careers/placements)
[essex.ac.uk/masters/masters-with-professional-placements](https://www.essex.ac.uk/masters/masters-with-professional-placements)

Immigration limitations on working in the UK during your studies

Depending on the type of immigration permission you have for your studies in the UK, you may be able to work during your studies. Details of any limitations will be shown on your immigration permit. For details on working with a Student visa, see the UKCISA website:

ukcisa.org.uk/Information--Advice/Working/Student-work

Alumni success

Our amazing alumni have gone on to make inventions, change the world, win prestigious British Council alumni awards, and make an impact in their communities. Find out more about alumni from your country:

[essex.ac.uk/international/country-specific-information](https://www.essex.ac.uk/international/country-specific-information)

Graduate immigration route

The graduate route, introduced in summer 2021, allows eligible graduates to remain in the UK to work, or look for work, for two years after completing their course. This will allow eligible graduates to gain valuable post-graduation work experience in the UK, and it may also be possible to transfer to another work route if you find suitable employment.

Find out more:

ukcisa.org.uk/Information--Advice/Working/Graduate-route

Here for you

We'll support your success even before you arrive on campus, with free study skills programmes which will help you be prepared from the very start of your course at Essex, whether it is your first time at university or a move to postgraduate level.

Our Student Development Careers Services offer dedicated international careers advice and support available during your studies and after you graduate, helping you look for graduate-level work both in the UK and abroad and bringing you together with potential employees at careers events. The team organise a large annual Career Fair, as well as subject-specific events, to help you meet potential employers right on campus. Their resources also include access to local, national and international job listings, such as GradLink UK. The team can also provide support and advice to students looking to start up their own business upon graduation (subject to immigration permission).

Recent graduate employers

- Amnesty International
- Barclays
- Bloomberg
- BP
- Cancer Research UK
- Citi
- Credit Suisse
- Deloitte
- Fujitsu

- KPMG
- Microsoft
- Ministry of Foreign Affairs, Qatar
- Morgan Stanley
- Procter & Gamble
- Panasonic
- PriceWaterhouseCoopers
- Shell
- The Royal Shakespeare Company
- United Nations
- United Overseas Bank (UOB), Malaysia

STUDENT SUPPORT

We provide a range of support services to make sure that you get the help and guidance you need during your time at Essex. This includes academic skills support, mentoring and health and wellbeing services.

Welfare and support

As an international community we understand the needs and concerns of international students, and do our best to provide you with excellent support facilities.

Our support and welfare services include healthcare, immigration advice, support with your faith and assistance with improving your academic skills, as well as places you can go if you just need to talk to someone.

Support and guidance

Student Services Hubs

Our Student Services Hubs can help with general wellbeing and funding advice. We also have facilities and advice available for students with disabilities and those struggling with issues like settling in and exam anxiety.

Immigration

UK immigration advice is regulated, so can only be provided by our authorised advisers.

Please visit essex.ac.uk/immigration for further information and the 'ask us a question' section if you have a query.

Support with your studies

You may find studying at a UK university very different to your home country, and it may be the first time you'll be studying in English. We aim to ensure that you can get the most out of your education by providing a range of academic and English language support classes.

Mentoring

Our academic departments also provide their own support services, with most departments running student mentoring schemes, and our lecturers and professors offering office hours for one-to-one guidance with your studies.

Health and wellbeing

Health services

There is a health centre on our Colchester Campus which offers appointments with male and female doctors, as well as specialist services and counselling. It is important to register with the health centre as soon as you can so that you can receive treatment when you need it.

Nightline

Nightline is an award-winning, student-volunteer-run advice and support service, which is available overnight throughout term-time. The volunteers are able to provide a listening ear and impartial advice, or a cup of tea and a friendly talk if you're just feeling homesick.

Residence Life

The Residence Life team offers support within your on-campus accommodation by providing support, helping you get to know your flatmates, and organising fun events to help you meet other students in your accommodation building.

Religious life

Our Faith Centre is for all members of the University community – of all faiths and none. We offer on-campus pastoral care, a confidential listening ear and spiritual support. We also offer a safe place to practise or explore faith, either in the Centre or by connecting you to a local place of worship.

Students with families

It is important that you're aware of the additional costs and implications of bringing your family with you to the UK.

Please visit our website for further information for students with dependants. If your family will need dependants visas we recommend you check the Home Office criteria to see if they would be eligible to apply.

→ essex.ac.uk/life/student-services/student-support

WE ARE ESSEX

Our students, staff and alumni come from all over the world, each with their own unique story to tell. Here are some stories from our inspirational students.

Fernanda – MA Sociology and Management (Mexico)

I know this is the place I'm meant to be.

I always wanted to continue my education. England was my first choice but when I first applied for my Masters I was scared I wouldn't be able to come so I was ok with staying in Mexico as well. But now I'm here I know this is the place I'm meant to be. I find it so encouraging and the international community here is amazing and you learn a lot of things.

Muhammad – BSc Accounting and Finance (Malaysia)

My parents both cried when I told them I got a first-class degree. Their tears of joy were the best moment for me, I have never felt so much happiness in my life.

I worked a part-time job throughout my degree so that I could save up to pay for my parents to come here for graduation. Time management was always the key for this. I had to make sure my studies and assignments were the priority but I also worked 15-20 hours a week; I needed to make sure that I used my free time wisely, for my study, friends and myself.

Sandra – BSc Psychology (Spain)

My friends here are such a huge inspiration to me.

Some of them have three jobs, or two exec positions in different societies, they're really busy people. But it's such a great feeling, when we finally have some free time, of going to each other's rooms and talking about your day, your drama or any silly things, it's just really relaxing.

Angela – BSc Biomedical Science (Nigeria)

My Essex education has given me determination.

Essex has a buzz that gives you FOMO if you're on the fringes. Everything happens here, from campaigns for social justice to student socials. My course included lots of opportunities to work with others and the campus has great spaces for collaboration.

Camila – MRes Economics (Brazil)

I'm the first in my family to study abroad, and the first to get a higher education too.

Getting here, to Essex, made me very proud. In Brazil we're not led to believe that we should study abroad, so I think getting here is one of my biggest achievements. I'm the first in my family to study abroad, and the first to get a higher education too. My parents are very, very proud. They miss me, but they understand that it's for a bigger purpose.

Antonio – BA Philosophy and Politics (Portugal)

I wanted to get out of my shell and meet new people.

Next year I will be going on my Year Abroad to Tokyo. I've always wanted to go to Asia. I really enjoyed coming to Essex. I had no connections at the University: I wanted to get out of my shell and meet new people. During Freshers' Week I didn't know anyone, so I came down to the SU Bar, grabbed a drink and found someone to speak to. That is how I met one of my closest friends.

STUDENTS' UNION

Studying at the University of Essex means being part of our award-winning Students' Union. Here's what makes it stand out.

→ [essexstudent.com](https://www.essexstudent.com)

Across all three campuses the Students' Union (also known as the SU) helps to make sure you get the most out of your time at Essex. From social spaces, welfare support, supporting clubs and societies and providing student voice – they are there for you.

Clubs and societies

Our Students' Union offers membership to over 100 societies. You can meet people on campus before you join the University through social media, and meet representatives from the different societies during Welcome Week on campus.

You can find all current societies on the SU website and if you don't find one that suits you, you can set one up once you arrive.

essexstudent.com/societies/findasociety

An international community

Our students come from over 130 different countries and the SU promises to support all students. There are over 30 different cultural societies where you can meet other students from your country or explore other cultures. We also have the International Students' Association (ISA) who celebrate and promote cultural diversity on campus, and represent our international students' interests through the SU VP International role.

Stay active

There are over 40 sports teams, including football, rugby and basketball as well as some sports you may have never tried before like fencing or yoga.

What's on

We'll make sure you're never bored at Essex with activities day and night to keep you occupied. Our cinema shows the latest films, we have quizzes in the SU Bar, open forums for heated debates and so much more.

Shape everything

Students run the SU. You get to have your say and make an impact on life on campus. Whether it's about what gets stocked in our stores, requesting more vegan options on campus or what we campaign for together. Whatever you want to do, we're here to make it happen. Nothing is too big or too small.

“I think a lot of people see the Students' Union as a means to having a good time, which of course it is, but it's also so much more than that. Being able to work towards tackling the issues that students care about, like cost of living, accommodation and mental health, really makes it worthwhile. The SU belongs to all students, and they're empowered to make change within it. Without students, the University wouldn't be here.”

Tancrede Chartier, France, former Students' Union President

HOW TO APPLY

Useful information about the application process.

→ essex.ac.uk/international/applying-to-essex

Applying

For undergraduate degrees

We welcome online applications for our undergraduate degrees. There are two application routes:

UCAS. Our UCAS institution code is E70 ucas.com

Or, if you only want to apply to the University of Essex and do not plan to make a UCAS application, you can apply to us directly through our online application form. essex.ac.uk/direct

Either application route will ask for details of your qualifications, both those you may have already achieved and those that may be pending in the current year. If you do decide to apply directly to the University of Essex you can upload documents to support your application such as certificates or transcripts.

For Masters degrees

We welcome online applications for our Masters degrees. essex.ac.uk/masters/applying-to-essex

Our online application form takes about 20 minutes to complete and you can save and return to it if you need to. Your supporting documents must include transcripts of your university-level studies to date and any other items which your department requires.

If you are offered a place on a taught course, your offer may be made conditional upon additional documents such as proof of English Language proficiency, final transcript and degree certificates. References are only required for a small number of courses as listed on the application webpage. Full details, including where to send information, are available online through the link above.

For research degrees

We welcome online applications for our research degrees. essex.ac.uk/research/applying-to-essex

You will need to submit a research proposal, which includes:

- a working title and key words
- a summary of the aims and objectives of your research
- an outline of the ways you will meet these aims and objectives, referring to research methods and specific resources you will use
- evidence of your awareness of relevant literature and theoretical approaches
- an overview of the expected outcomes and the original contribution your research will make to existing bodies of knowledge

- a brief statement on how your research interests tie in with those found in the department, school or centre

You must also provide transcripts of your university-level studies to date.

If you are offered a place on a research course, your offer may be made conditional upon additional documents such as proof of English language proficiency.

General entry requirements

Undergraduate

Typical entry requirements for our undergraduate courses can be found on our online course finder. essex.ac.uk/subjects

International equivalents are available on our country-specific webpages.

essex.ac.uk/international/country-specific-information

Entry requirements vary by course, with many courses requiring A-level grades of ABB or BBB, or the equivalent of these grades from other qualifications. Some courses, such as those based in Health and Social Care, require BBC. Please check the requirements for your chosen course as these may be different to those given above and may include additional subject-specific requirements.

essex.ac.uk/subjects

If you do not meet these requirements, you may be able to join a pathway programme at the University of Essex International College, please see the course section in this prospectus for further details.

Some courses will have additional application requirements as part of the application process, such as auditions for East 15 acting courses or interviews for courses within Health and Social Care or Physiotherapy. Please visit our online course finder linked above for further information.

Taught courses (PGT)

We will consider all applicants with a 2:2 or above, or equivalent international qualifications. For some courses there may be additional requirements.

Research degrees (PGR)

You will normally need a good performance in a Masters course in order to study a PhD in most disciplines.

A well-developed research proposal is required, in an area in which we can offer supervision.

English language requirements

If English is not your first language, you need to provide evidence of your ability to understand and express yourself in English for academic purposes.

Most undergraduate courses require the equivalent of Academic IELTS 6.0 overall, with 5.5 in each component, for first year entry. To view our requirements for other tests, please visit our website through the link below.

Most postgraduate taught courses require the equivalent of Academic IELTS 6.0 - 7.0 overall, with at least 5.5 in each component, depending on the course. For individual course requirements, and to view requirements for other English language tests, see our course finder and the link below.

If you have a score which is less than five years old in an internationally recognised test, such as Academic IELTS, please supply your results on your application (undergraduate) or a copy of your certificate with your application (postgraduate). Pearson Test of English scores must be less than three years old and TOEFL test scores must be less than two years old. Other tests or qualifications may be accepted, please visit our website for further details:

[essex.ac.uk/undergraduate/applying-to-essex](https://www.essex.ac.uk/undergraduate/applying-to-essex)
[essex.ac.uk/masters/applying-to-essex](https://www.essex.ac.uk/masters/applying-to-essex)

If you do not have a current or acceptable score, your offer will be conditional upon you achieving an acceptable English language qualification.

The English language score required will vary by level of study and subject, please see our online course finder for requirements: [essex.ac.uk/subjects](https://www.essex.ac.uk/subjects)

Students who need a student visa to study in the UK must meet the Home Office minimum English language requirements, including component requirements.

If you do not meet the English language requirement for your course we offer pre-sessional English courses in partnership with University of Essex International College, please see [essex.ac.uk/international/pre-sessional](https://www.essex.ac.uk/international/pre-sessional) for further information.

Personal statements

Due to Home Office requirements, please ensure your personal statement makes it clear why you wish to study in the UK and why you've chosen the subject you are applying for. You should also tell us about your full academic history including any periods of time spent studying in the UK. If you have spent any time out of education, please also let us know what you were doing during this time.

Immigration and applying for a visa

Our admissions team will assess whether you're likely to need a student visa for your studies at Essex. If immigration permission is required, the team will send you further information on applying through the Student Immigration route. You can find out more about the application process and requirements on our immigration webpages.

A new Graduate Immigration Route allows eligible graduates to remain in the UK to work or look for work for two years after completing their course. You can find out more about the Graduate Immigration Route on the UKCISA website:

[ukcisa.org.uk/Information--Advice/Working/Graduate-route](https://www.ukcisa.org.uk/Information--Advice/Working/Graduate-route)

OUR

COURSES

Acting (East 15)

- East 15 is a full member of the University/Resident Theatre Association (URTA) of America
- We are ranked 1st in the UK for drama (Guardian University Guide 2022) and number one in the UK for diversity (The Stage)
- Our Loughton Campus includes state-of-the-art studios, technical equipment and an innovative theatre space. It's located just five minutes from a London Underground station, Debden, on the east end of the Central line

Undergraduate

BA Acting (L)

BA Acting (International) (L)

BA Acting and Contemporary Theatre (L)

BA Acting and Stage Combat (S)

BA Acting and Community Theatre (S)

Pathway programmes at University of Essex International College

The University of Essex International College, a partnership between the University of Essex and Kaplan International Pathways, provides pathway courses that can prepare you for your degree study.

Undergraduate

Foundation Certificate

- Humanities
 - Science and Health
 - Social Sciences
-

International Year One

- Business
 - Economics
 - Law
 - Life Sciences
 - Politics and International Relations
 - Psychology
 - International Year One Plus in Business (with additional language and academic preparation)
-

Postgraduate

Pre-masters

- Humanities
- Science and Health
- Social Sciences

For further information about these courses and to apply please visit kaplanpathways.com/colleges/university-essex-international-college

Pre-sessional English language courses

We offer pre-sessional English language courses which can be taken before your degree if you are an international student and do not meet our English language entry requirements. Our courses will help you improve your English. Upon successful completion of the pre-sessional course you will be able to proceed on to your degree course without having to retake IELTS. Our pre-sessional courses are delivered at The University of Essex International College (in partnership with Kaplan).

To find out more about our pre-sessional courses please visit essex.ac.uk/international/pre-sessional

Study abroad

We offer opportunities for students to join us for a period of study abroad, either for a full year or part year. To find out more and to apply please visit essex.ac.uk/study-abroad

IMPORTANT INFORMATION

About this prospectus

When we might make changes to advertised courses and other information

This prospectus tries to answer your questions about life and academic provision on offer at the University of Essex. It was prepared in 2022 and refers to courses which will be available in October 2023 and January 2024. The University makes every effort to ensure the prospectus is accurate at the time it is printed. Exceptionally, it can be necessary to make changes, for example to courses, facilities or fees due to legitimate staffing, financial, regulatory or academic reasons. Examples of such reasons might include a change of law or regulatory requirements, industrial action, lack of demand, departure of key personnel, change in government policy, or withdrawal or reduction of funding. Changes to courses may for example consist of variations to the content and method of delivery of programmes, courses and other services, to discontinue programmes, courses and other services and to merge or combine programmes or courses. If a course change or closure is proposed in such circumstances the University will take all reasonable steps to minimise disruption to students. This will include informing students of the changes in advance and giving them appropriate opportunity to comment on the proposals.

A course would only be closed in exceptional circumstances. If it is ever necessary to close a course the University's preferred approach would be to continue to teach current students on that course until they have completed their studies. If exceptionally that is not possible, the University will explore other options with the affected students for example by considering whether those students can be offered places on alternative courses, or whether their studies can be completed at another institution.

[essex.ac.uk/subjects](https://www.essex.ac.uk/subjects)
[essex.ac.uk/fees](https://www.essex.ac.uk/fees)

No liability for matters outside our control

The University cannot be held responsible for failure/delay in performing obligations caused by things beyond its reasonable control, such as fire, flood or industrial action.

University terms and conditions, procedures, rules and regulations

Applicants are considered in line with the University's Admissions Policy and the Regulations relating to Admission (listed under Academic Regulations), which can be found online at:

[essex.ac.uk/admissions-policy](https://www.essex.ac.uk/admissions-policy)
[essex.ac.uk/admissions-regs](https://www.essex.ac.uk/admissions-regs)

If your application to the University of Essex is successful, by accepting the offer you will be entering into a legal contract with us, subject to fulfilling any conditions included in your offer. Your rights and obligations to us and our rights and obligations to you will be detailed in the information that we provide once the offer has been made. Applicants and registered students must comply with the University's regulations, policies and procedures as part of their contract. A full set of the University Regulations is available at:

[essex.ac.uk/regs](https://www.essex.ac.uk/regs)

The full Procedures, Rules and Regulations of the University, governing how it operates, are set out in the Charter, Statutes and Ordinances and in the University Regulations, Policy and Procedures.
[essex.ac.uk/about/governance/regulations/students.aspx](https://www.essex.ac.uk/about/governance/regulations/students.aspx)

Quality assurance

The Quality Assurance Agency's Higher Education Review of the University in December 2014 covered every aspect of the University's provision and confirmed that the University had met all expectations and meets national requirements for standards and quality.

The University was commended for the strong focus on improving all areas of the student learning experience. The high-quality research environment and development opportunities offered to postgraduate research students were recognised, along with our commitment to listening and responding to student feedback, and to providing our students with opportunities to improve their employment skills and prospects. [qaa.ac.uk](https://www.qaa.ac.uk)

Policy statement on equality and diversity

The University of Essex celebrates diversity, challenges inequality, and is committed to sustaining an inclusive and diverse community that is open to all who have the potential to benefit from membership of it. We ensure equality of opportunity for all its members. We expect staff, students and visitors to be treated, and to treat each other, with dignity and respect regardless of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, sexual orientation, socio-economic background, political beliefs and affiliations, family circumstances or other irrelevant distinction.

Tuition fee increases during your studies

For full-time undergraduate students and postgraduate students on courses with a duration of more than one year with an international fee status, tuition fees normally increase for each academic year of study. This annual increase will be 5% or the annual increase in the RPI-X index, whichever is the higher. [essex.ac.uk/fees](https://www.essex.ac.uk/fees)

WE ARE ESSEX. WE'RE ON THE SIDE OF **PEOPLE WITH GUTS** – REBELS WITH A CAUSE. WE'RE ABOUT PEOPLE WHO **LOVE TO LEARN HOW, BUT WANT TO CHALLENGE WHY.** WE'RE ABOUT THE PEOPLE WHO HUDDLE OUTSIDE A CLASS LONG AFTER IT'S FINISHED BECAUSE THERE'S MUCH **MORE TO BE SAID.** WE'RE ABOUT PEOPLE WHO ARE BOLD ENOUGH TO **CHALLENGE INEQUALITY,** PEOPLE WHO DON'T EXPECT THE WORLD TO CHANGE SIMPLY BECAUSE THEY LIKED A FACEBOOK STATUS. AT ESSEX YOU'RE NOT JUST A STUDENT, **YOU'RE A MEMBER.** TO US IT DOESN'T MATTER WHERE YOU'VE COME FROM. WE'RE INTERESTED IN HOW YOU WANT TO GROW AND **WHAT YOU WANT TO CHANGE.** WE'RE AFTER PEOPLE WHO WILL HELP US PUSH THE FRONTIERS OF KNOWLEDGE. **CHALLENGING CONVENTION** IS IN OUR DNA. ALL OF WHICH LEAVES YOU WITH A DECISION: ARE YOU GOING TO SIT AND WATCH THE WORLD GO BY? OR DO YOU HAVE THE **COURAGE AND ENERGY** TO SHAPE IT? WE'LL HELP YOU EXPLORE, QUESTION AND CREATE **POWERFUL IDEAS.** WE'LL INTRODUCE YOU TO PEOPLE FROM EVERY CORNER OF THE PLANET, A **GLOBAL COMMUNITY** THAT LIVES, WORKS AND PLAYS TOGETHER. IF YOU GIVE UP AT THE FIRST HURDLE, ESSEX ISN'T FOR YOU. IF YOU WANT TO BE SPOON-FED A DEGREE, ESSEX ISN'T FOR YOU. IF YOU ARE BRAVE ENOUGH TO HAVE IDEAS AND GENEROUS ENOUGH TO SHARE THEM, **WELCOME HOME.**
