

SPORT SCHOLARSHIP

APPLICATION FORM (2019-2020)

The University of Essex offers scholarships to talented students who wish to fulfil their sporting ambitions whilst studying for a degree. If you are competing at regional or international level in your sport you could be eligible for a scholarship. Athletes at the University of Essex form part of an athlete centred model that focuses on progressing you in your sport, working with Sport Scientists, Performance Coaches, Strength and Conditioning Coaches, Performance Lifestyles Advisors, Physiotherapists and Academic Mentors.

Prospective Students are invited to submit an application prior to accepting a place at the University of Essex. You will receive written confirmation of whether your application has been successful should you choose to study at the University of Essex. Scholarships are only valid once you enrol onto your course and sign the sport scholarship athlete agreement. Please note individuals applying for scholarships in team sports will be subject to a trial and squad selection process and scholarship tiers may be adjusted accordingly.

For further enquires or more information please contact Susy Davies, Performance Sport Manager (susy.davies@essex.ac.uk) on 01206 87 3016.
