

UNIVERSITY OF ESSEX
UNDERGRADUATE ENGLISH LANGUAGE REQUIREMENTS FOR INTERNATIONAL (TIER 4) STUDENTS
(EXCLUDING NATIONALS OF MAJORITY ENGLISH SPEAKING COUNTRIES)

▪ **Overview of English language requirements:**

The table below shows the English language qualifications and tests that are acceptable for entry to the University of Essex and the levels required. The levels are the minimum entry requirements for admission to the University and are also in line with the UK Visas and Immigration's minimum requirements, which apply to all students applying for a Tier 4 visa to study in the UK.

▪ **Nationals of majority English speaking countries:**

The English language requirements in this table apply to all students who require a Tier 4 visa to study in the UK, excluding nationals of majority English speaking countries (as defined by the UK Home Office list). If you are the national of a majority English speaking country, please contact the Admissions Adviser named on your offer letter if you have already received an offer. If you have not yet received an offer or made an application, please see www.essex.ac.uk/see/ug-eu-english for the correct English language requirements for nationals of majority English-speaking countries.

▪ **English qualifications or tests taken over two years ago:**

The conditions of your offer may include an English language requirement if your previous English language qualification was taken more than two years before the start of the course you are applying for at Essex. This is in line with UK Visas and Immigration requirements and University policy. If you are unsure why your offer specifies an additional English language test, please contact the Undergraduate Admissions Office and we will be happy to clarify this for you.

▪ **English qualifications or tests not listed in the table:**

If you are taking an English language qualification that is not specified below, please email admit@essex.ac.uk for advice on whether it is acceptable for entry.

▪ **Approved test centres and dates:**

All of the tests specified below are acceptable and, for study at degree-level, these tests can be taken at any test centre, not just approved test centres. For courses below degree-level, please see additional requirements specified in the table below relating to approved test centres and the date your test was taken, in line with changes to Home Office requirements published in April 2015. [For more details of Home Office requirements, please see the information here.](#)

Essex Pathways pre-sessional English courses are normally only valid for entry to a main course which starts immediately after the pre-sessional course.

If you take a pre-sessional English course but then are not able to start your main course in October, the pre-sessional course will not normally remain valid. If we are able to offer you a later start date for your main course, we will ask you for an alternative proof of your English language proficiency
