HOME

International Prospectus 2019
What the stats tell you is that at Essex we put equal emphasis on teaching and research. Our academics are daring, visionary thinkers who participate in internationally recognised research. They teach our students everything they learn because they want to inspire a new generation of experts – your generation.
Our campuses are growing and making more room for you. Here’s a mere snapshot of what we offer. We are ranked 4th in the Times Good University Guide 2018 for spend on services and facilities per student, so you know we’re investing in your student experience.

**OUR FACILITIES**

The latest addition to the Colchester Campus is our new £12m **STEM building**. It will include a 180-seat wet lab for Biological Sciences and a 150-seat IT-rich exploratory learning space to enable collaboration between students across the Faculty of Science and Health.

Our brand new £12m **Essex Sport Arena** has 1,655 seats and international standard facilities suitable for staging televised sporting events. The Arena contains eight badminton courts, three basketball courts, three netball courts, five volleyball courts and two futsal courts.

Reflecting our commitment to responsible business practice in both teaching and research, **Essex Business School** in Colchester is a zero carbon building. It features a winter garden, café and lots of breakout spaces for post-lecture discussions.

The **Forum Library** in Southend is a vibrant contemporary space with outstanding learning facilities and a central location. Albert Sloman library in Colchester houses some of the UK’s finest collections, providing fascinating insight into Latin America, Russia and Eastern Europe.

The **Forum Learning Hub** in Southend is open 24 hours a day and offers a range of diverse spaces for study and group work. In the Forum you’ll also find our large lecture theatre, a café and our friendly support services all under one roof.

The **Silberrad Student Centre** offers 24/7 access to a combination of IT-rich areas and study pods for group work. The Centre is also home to our Student Services Hub – your one-stop-shop for finance and support services.
North-west campus
- University Quays accommodation (10-minute walk from central campus)
- The Meadows accommodation (5-minute walk from central campus)
- Brand new The Copse accommodation (5-minute walk from central campus) (opened 2018)
- Essex Business School
- Day Nursery
- Knowledge Gateway

North campus
- North Towers accommodation
- The Houses accommodation
- Health Centre
- Tony Rich Teaching Centre
- The North Teaching Centre

Central campus
- Lecture Theatre Building
- Academic departments
- Lecture and seminar rooms
- Students’ Union (SU)
- Bars, cafés and restaurants
- Shops, banks and Post Office
- Information Centre

South campus
- South Towers accommodation
- South Courts accommodation
- Brand new STEM building (opened 2018)

East campus
- Ivor Crewe Lecture Hall
- Silberrad Student Centre, ESCALA Gallery, and SU Creative Studios
- Albert Sloman Library
- Lakeside Theatre and Café
- Art Exchange
- Waterstones bookshop
- Parkland and lakes

South-east campus
- Tennis courts
- Synthetic turf pitch
- Sports Centre
- Brand new Essex Sport Arena (opened 2018)
- Evolve Gym

Wivenhoe Park
- Wivenhoe House restaurant and hotel
- Edge Hotel School
- ESCALA Space
- Campus allotment
- Sports pitches and parkland
Essex was the perfect choice for me as the Colchester Campus is only a 50-minute train ride from the centre of London and an hour from Stansted airport, where I can get a flight directly to my hometown. Another influential reason for choosing Essex is because it is a campus university and has everything I need on site.

During Freshers' Fair I joined the dance, photography, Nordic, and business societies so, through these, made lots of friends. At Essex I have had the chance to experience a very internationally diverse campus community, as over 130 different nationalities are represented, and I am pleased to have had the chance to be a part of this.”

Effie Lunde, BSc Management and Marketing student, Sandefjord, Norway
SOUTHEND CAMPUS

1. **Seafront**
   - Southend Pier
   - Adventure Island amusement park
   - Beach and promenade

2. **The Forum**
   - 24/7 access to The Learning Hub
   - Student Services
   - Public and academic library
   - Lecture and seminar rooms

3. **The Gateway Building**
   - Academic departments
   - In-house doctor and dentist
   - Lecture and seminar rooms
   - Southend Central train station (50 minutes to London)

4. **University Square**
   - University Square accommodation
   - Supermarket
   - International shops

5. **Southend High Street**
   - Cinema
   - Cafés and restaurants
   - Post Office
   - Chain stores and independent shops

6. **Clifftown**
   - Clifftown Theatre and Studios
   - Prittlewell Square gardens
   - The Railway Hotel music venue

7. **Victoria Gateway**
   - Southend Victoria train station for travel to Colchester, London, and Southend Airport for flights all over Europe
During my time here, Southend has offered opportunities to learn and excel academically and professionally – as well as a great student experience. With a small and diverse student community of just over 1,300 students it is easy to get to know each other, access support services and meet with your academics.

Throughout the year we have BBQs, parties, fireworks, cultural celebrations, live entertainment, inspirational guest speakers and competitions. Without any doubt, I’d recommend Southend as your place of study.”

Ernest Nyarko, Students’ Union Vice-President Southend
These figures show the current cost per week of our accommodation. It’s likely that our rental charges for 2019-20 will increase from these current prices. We’ll publish the new prices on our website as soon as they are available.

essex.ac.uk/accommodation
When you come to study with us, we understand that you are making a significant investment of time and money, so we want to make sure it pays off. Whether it’s through our world-class facilities or our award-winning accommodation, your time at Essex is guaranteed to leave you with memories that no one can put a price on.
Enhance your employability

Our courses are designed to equip you with a range of transferable skills and experiences which will make you attractive to future employers. All of our undergraduate degrees include a module on employability, with special emphasis on your area of study. We also offer a wide range of additional services, support and opportunities for you to develop yourself further to really stand out in front of future employers.

Learn a language

We offer four ways for all our students to learn a new language, including the popular Languages for All programme offering lessons in up to seven languages (Arabic, French, German, Japanese, Mandarin Chinese, Russian and Spanish).

essex.ac.uk/life/student-services/learn-a-language

The Big Essex Award

Our Employability Award lets you gain recognition for extra-curricular activities, such as: part-time work, volunteering through the Students’ Union YTeam, language learning through Languages for All, having an executive role in a student society or sports club, becoming a course representative, taking part in an undergraduate research placement and more.

essex.ac.uk/careers/bigedge

Employability workshops

Our workshops will help you successfully apply for work, both during and after your studies. Training includes help with creating the perfect CV, tips on how to excel at interviews and guidance on delivering a professional presentation.

essex.ac.uk/careers

Study abroad opportunities

Most courses offer study abroad opportunities at undergraduate level. We have relationships with over 150 institutions in 40 countries worldwide.

essex.ac.uk/essexabroad

Gain real-life experience

There are a number of ways in which you can gain some experience during your studies at Essex.

Our Career Hub job listings board lists vacancies for a wide range of part-time work opportunities, both on and off campus, including our Frontrunner student internship programme, work in the Students’ Union venues and services, opportunities to work as a Student Ambassador or Residence Life Assistant, and a whole range of jobs available through local businesses and organisations. You can also use Career Hub to search for full-time graduate jobs.

essex.ac.uk/careers

Develop your research skills

Research is an important component of our degrees and all of our undergraduate students carry out their own research project at the end of their course. If you want to develop your research skills even further, our UROP (Undergraduate Research Opportunities Programme) allows undergraduate students to take part in ongoing research at the University as research assistants. This paid opportunity gives you training in research skills and may help you prepare for your final year dissertation or project.

essex.ac.uk/urop

Work placement as part of your studies

In most degree subjects we offer the opportunity for you to include a work placement year as part of your undergraduate degree – this will usually be a year-long paid work placement in industry, relevant to your field of study. We also offer Masters programmes including a Professional Placement in selected subjects.

essex.ac.uk/careers/placements

essex.ac.uk/masters/masters-with-professional-placements

Immigration limitations on working in the UK during your studies

EU nationals currently have the right to work in the UK. Students from outside the EU will likely have restrictions on the hours they are permitted to work whilst studying in the UK. Such conditions should be detailed on the Entry Clearance Sticker in your passport or Biometric Residence Permit. Please visit our immigration website for further information.

essex.ac.uk/immigration

Here for you

Our Employability and Careers Service offer dedicated international careers advice and support available during your studies and after you graduate, helping you look for graduate-level work both in the UK and abroad and bringing you together with potential employers at careers events.

Download our guide to International Careers support: essex.ac.uk/international

Make your dream career happen

At Essex, we’re invested in your future. We believe that the graduates who really succeed are the ones who put in that little bit extra. We support and encourage you to make the most of your time at university and beyond.

essex.ac.uk/employers
Make the most of your life at Essex with our award-winning student support services. Benefit from academic skills support, mentoring and general guidance. Find space for worship, meditation, prayer and quiet reflection or just have a friendly chat.

Welfare and support
As an international community we understand the needs and concerns of international students, and do our best to provide you with excellent support facilities.

Our support and welfare services include healthcare, immigration advice, support with your faith and assistance with improving your academic skills, as well as places you can go if you just need to talk to someone.

Support and guidance
Student Services Hubs
Our Student Services Hubs can help with general wellbeing and funding advice. We also have facilities and advice available for students with disabilities and those struggling with issues like settling in and exam anxiety.

Immigration
UK immigration advice is regulated, so can only be provided by our authorised advisers.

Please visit essex.ac.uk/immigration for further information and the ‘ask us a question’ section if you have a query.

Support with your studies
You may find studying at a UK university very different to your home country, and it may be the first time you’ll be studying in English. We aim to ensure that you can get the most out of your education by providing a range of academic and English language support classes.

Mentoring
Our academic departments also provide their own support services, with most departments running student mentoring schemes, and our lecturers and professors offering office hours for one-to-one guidance with your studies.

Health and wellbeing
Health services
There is a health centre on our Colchester Campus which offers appointments with male and female doctors, as well as specialist services and counselling. Our Southend Campus has dental and GP training practices, supported by the local Primary Care Trust, on site. It is important to register with the health centre as soon as you can so that you can receive treatment when you need it.

Nightline
Nightline is an award-winning, student-volunteer-run advice and support service, which is available overnight throughout term-time. The volunteers are able to provide a listening ear and impartial advice, or a cup of tea and a friendly talk if you’re just feeling homesick.

Residence Life
The Residence Life team offers support within your on-campus accommodation by providing out-of-hours support, helping you get to know your flatmates, and organising fun events to help you meet other students in your accommodation building.

Religious life
Our Multi-Faith Chaplaincy is for all members of the University community – of all faiths and none. We offer on-campus pastoral care, a confidential listening ear and spiritual support. We also offer a safe place to practice or explore faith, either in the Chaplaincy or by connecting you to a local place of worship.

Students with families
It is important that you’re aware of the additional costs and implications of bringing your family with you to the UK.

Please visit our website for further information for students with dependants. If your family will need dependants visas we recommend you check the Home Office criteria to see if they would be eligible to apply.

“At Essex the atmosphere is very positive and welcoming, and the University makes it clear that it cares about its students’ success in every aspect, including education and wellbeing. It keeps students engaged and offers countless opportunities for students to get involved in university and the community which I think is really important.”

Kimia Aghasoleimani, BSc Biomedical Science

essex.ac.uk/students
OUR STUDENTS’ UNION

“When I first arrived in the UK, I did not know what to expect. While university may seem daunting at first, just remember to be proud of where you came from and have faith in how far you’ll go. The Students’ Union will be there every step of the way of your Essex adventure to provide support, guidance and a cheery smile. At Essex, you won’t just get an amazing degree – you’ll have a life changing experience you will never forget!”

Yasmin Abdullah, Malaysia, Students’ Union VP International 2017-18

Our Students’ Union will make your time at Essex unbeatable

Studying at the University of Essex means being part of our award-winning Students’ Union. Here’s what makes it stand out.

Our SU, as they are known, run an entire student town on our Colchester Campus, complete with shops, cafés, bars, a nightclub, restaurants and even a hair salon. If you’re based in Southend you can grab a coffee or play videogames with friends in the SU Lounge, and at Loughton you’ll find a brand new café-bar.

Get involved
At Essex, we want you to challenge everything and push yourself, but why stop in the classroom? Our Students’ Union offers membership to over 100 societies. You can meet people on campus before you join the University through social media, and we even have a Harry Potter society!

You can browse all current societies on the SU website and if you don’t find one that suits you you can set one up once you arrive on campus.
essexstudent.com/societies/findasociety

An international community
Our students come from around 140 different countries and the SU promises to benefit all students. There are over 30 different cultural societies where you can meet other students from your country or explore other cultures. We also have the International Students’ Association (ISA) who celebrate and promote cultural diversity on campus, and represent our international students’ interests through the SU VP International role.

Stay active
Sport more your thing? We have over 40 teams, from those you might expect like football, rugby and netball plus some sports you may have never tried before. From fencing to yoga, we’ve got plenty to keep you busy.

What's on
University shouldn’t be all work. We’ll make sure you’re never bored at Essex with activities day and night to keep you occupied. Our cinema shows the latest films, we have quizzes in the SU Bar, open forums for heated debates and so much more.

Shape everything
Students run the SU. You get to have your say and make an impact on life on campus. Whether it’s about what gets stocked in our stores, requesting more vegan options on campus or what we campaign for together. Whatever you want to do, we’re here to make it happen. Nothing is too big or too small.
Applying

For undergraduate degrees
Applications for Bachelor’s degrees should be made through UCAS. Our UCAS code is E70. 
ucas.com
If you only want to apply to the University of Essex and do not plan to make a UCAS application, you can apply to us directly through our online application form. 
essex.ac.uk/direct

For Masters degrees
We welcome online applications for our Masters degrees. 
essex.ac.uk/masters/applying-to-essex

Our online application form takes about 20 minutes to complete and you can save and return to it if you need to. Your supporting documents must include:
- transcripts of your university-level studies to date
- a personal statement making clear why you wish to study in the UK and why you have chosen the subject you are applying for any other items which your department requires (CV/work sample)

If you are offered a place on a taught course, your offer may be made conditional upon additional documents such as references, certificate of English Language proficiency, final transcript and degree certificates. Full details, including where to send information, are available online through the link above.

For research degrees
We welcome online applications for our research degrees. 
essex.ac.uk/postgraduate-research-degrees/applying-to-essex

You will need to submit a research proposal, which includes:
- a working title and key words
- a summary of the aims and objectives of your research
- an outline of the ways you will meet these aims and objectives, referring to research methods and specific resources you will use
- evidence of your awareness of relevant literature and theoretical approaches
- an overview of the expected outcomes and the original contribution your research will make to existing bodies of knowledge
- a brief statement on how your research interests tie in with those found in the department, school or centre

You must also provide the following:
- two verifiable references from academic referees
- transcripts of your university-level studies to date
- copies of certificates for any degrees or other awards you have completed
- evidence of your English language level (such as IELTS score)
- any other items which your department requires (CV/personal statement/work sample)

General entry requirements

Undergraduate
Typical entry requirements for most courses are three UK A-levels at grades BBB-BCC or 30-28 IB points. Entry requirements for integrated Masters programmes and LLB English and French Laws (Maîtrise) will be higher. International equivalents can be found on our online course finder essex.ac.uk/subjects or on our country-specific webpages essex.ac.uk/international/country-specific-information.

Some courses will have additional subject-specific requirements, please visit our course finder for further information.

Some programmes will have additional requirements, such as auditions (East 15 acting courses), interviews or skills tests.

Taught courses (PGT)
We will consider all applicants with a 2:2 or above, or equivalent international qualifications. For some courses there may be additional requirements.

Research degrees (PGR)
In most cases you will need a good performance in a Masters course in order to study a PhD in most disciplines.

A well-developed research proposal is required, in an area in which we can offer supervision.

English language requirements

If English is not your first language, you need to provide evidence of your ability to understand and express yourself in English for academic purposes.

If you have a score which is less than two years old in an internationally recognised test, such as IELTS, TOEFL or Pearson Test of English (Academic), please supply your results on your application (undergraduate) or a copy of your certificate with your application (postgraduate). Other tests or qualifications may be accepted, please visit our website for further details: essex.ac.uk/undergraduate/applying-to-essex essex.ac.uk/masters/applying-to-essex

If you do not have a current or acceptable score, your offer will be conditional upon you achieving an acceptable English language qualification.

The English language score required will vary by level of study and subject, please see individual subject pages for indicative requirements.

Please note that students who need a Tier 4 visa to study in the UK must meet the Home Office minimum English language requirements, including component requirements. See our immigration pages for further information.
Personal statements
Due to Home Office requirements, please ensure your personal statement makes it clear why you wish to study in the UK and why you’ve chosen the subject you are applying for. You should also tell us about your full academic history including any periods of time spent studying in the UK. If you have spent any time out of education, please also let us know what you were doing during this time.

Immigration and applying for a visa
If you’re applying from outside the European Economic Area and require a visa to study in the UK, you’ll need to apply under Tier 4 of the UK Government’s Points Based Immigration System (PBIIS). We are required to ensure compliance with Home Office regulations as a Tier 4 Sponsor. In some circumstances, we may be unable to make an offer or to issue a Confirmation of Acceptance for Studies (CAS) if an applicant cannot meet all Tier 4 requirements, including when there have been changes to these requirements made by the Home Office. Refer to our webpage for information about immigration and applying for a visa.

Essex is a part of the Home Office Tier 4 visa pilot scheme, which means that students on our Masters programmes lasting lasting up to 13 months should be eligible to remain in the UK for six months after finishing their Masters course. The additional time may be useful for students wishing to switch to a UK work visa and take up a graduate role.

Quality assurance
The Quality Assurance Agency’s Higher Education Review of the University in December 2014 covered every aspect of the University’s provision and confirmed that the University had met all expectations and meets national requirements for standards and quality.

The University was commended for the strong focus on improving all areas of the student learning experience. The high-quality research environment and development opportunities offered to postgraduate research students were recognised along with our commitment to listening and responding to student feedback, and to providing our students with opportunities to improve their employment skills and prospects.

Data for marketing purposes
Data has been selected for marketing purposes but all claims are based on the most recent data that were available at the time of print: Research Excellence Framework (REF) results are based on 2014 data*; QS World University Rankings results are based on 2018 data; QS World University Rankings by Subject results are based on 2018 data; Times Higher Education (THE) World University Rankings results are based on 2018 data; Times Higher Education (THE) National Student Survey (NSS) results based on 2018 data; National Student Survey (NSS) results based on 2018 data; Times Good University Guide (TGGU) results are based on 2017 data. Guardian University Guide results are based on 2018 data.

East 15 Acting School at our Loughton Campus
This prospectus refers mainly to the services, facilities and courses on offer at our Colchester Campus and at our Southend Campus. Our Loughton Campus is the base for students on many of East 15 Acting School’s courses and includes state-of-the-art studios, technical equipment and innovative theatre space. Our Loughton Campus is just five minutes from the nearest London Underground station, Debden, on the east end of the Central line.

Tuition fee increases during your studies
For full-time undergraduate students and postgraduate students on courses with a duration of more than one year with an international fee status, tuition fees normally increase for each academic year of study. This annual increase will be 5% or the annual increase in the RPI-X index, whichever is the higher.
