WHY STUDY AT ESSEX?

We are Essex

We are an international community for original thinkers who believe in challenging convention and seek to change the world for the better. An Essex degree is about choice, relevance and developing you as a person. With us, you're not just a student, you're a member.

Essex introduces you to people from every corner of the planet to create networks that last for life. We are a genuinely global community that lives, works and plays together. You'll have the opportunity to study an internationally relevant curriculum, are encouraged to live and study abroad, and are taught or supervised by academics whose research has global impact. We give you the best chance to compete in a global economy.

At Essex you can expect to develop professional skills alongside critical and analytical thinking skills, independence and intercultural communication. We also help you develop a research mindset through research-led teaching from some of the world’s top academics. These are real skills that employers want and which you can transfer across industries.

Welcome to Colchester

A dynamic academic environment set just outside the oldest recorded town in Britain, our Colchester Campus offers extensive facilities and support services to ensure you achieve the most from your studies.

Sport
We offer opportunities for all abilities and levels to participate in sport right on campus. Our Evolve gym has 130 fitness stations, and we also have a variety of both indoor and outdoor pitches and courts, an indoor sports hall, squash courts and a climbing wall. The Students’ Union Essex Blades have over 40 teams, offering you the chance to join an active community and compete in both local and national fixtures. Colchester itself offers everything from bowling and roller discos to swimming pools, an indoor trampoline park and even a laser tag centre.

Arts
Colchester Campus has its very own art gallery, Art Exchange, and our Lakeside Theatre hosts international artists as well as student productions for an exciting mix of theatre, dance and music. Colchester is home to the Firstsite visual arts centre and the smaller Minories gallery. For live music and comedy there’s Colchester Arts Centre, and the Mercury Theatre next door offers student prices for everything from Shakespeare to modern musicals.

Shopping, food and nightlife
Colchester’s Culver Square and Lion Walk are home to a fantastic range of familiar shops and high-street fashion. What makes our town really distinctive however are all of the specialist and unique shops on offer. Stroll down Sir Isaac’s Walk or Eld Lane, two of the quirkiest streets in the town centre, and you’ll find a mixture of retro clothing boutiques, old-school sweet shops, furniture shops, jewellers, and independent health food stores. You can also find everything from American candy to Korean noodles and Russian delicacies in and around the town centre. There’s a huge range of restaurants with student-friendly prices offering local and international cuisines. Colchester also has a great selection of bars, pubs, nightclubs and live music venues to cater for all tastes. On campus you’ll find a range of restaurants and food outlets, including a wide range of halal, vegan and vegetarian options.

Travel
Colchester has great travel connections for both the UK and abroad. We’re an hour away from London Stansted Airport which offers low-cost flights to many European destinations, and London’s other airports are also easily accessible by public transport. Travelling in the UK is easy with London and its connections only an hour away by train.

Things to see and do
- The Colchester Castle museum is a great introduction to the town’s Roman history
- Colchester Zoo is home to over 270 species of animals and offers a great day out close to the town centre
- Mersea Island under an hour from campus offers some of the tastiest seafood around, including the famous Mersea oysters

WHY ESSEX?

- Our modern Silberrad Student Centre is a hub for all your services and support needs
- Colchester combines Roman history and modern entertainment
- Great transport links to London, rest of the UK and beyond
- Wide variety of sports, arts and entertainment both on campus and in the local area

Room with a view
Indulge in traditional British afternoon tea in our beautiful Wivenhoe House Hotel situated in the parkland on our campus. Wivenhoe House was painted by famous artist John Constable back in 1816.
WELCOME TO SOUTHEND

Our campus
Our Southend Campus offers contemporary learning and teaching spaces. Our latest addition to campus - the Forum building - offers a spacious ultramodern learning environment, with an in-house library, gallery and cafe. The Gateway Building houses a doctor's practice, a dental practice and our multi-faith chaplaincy, while Clifftown Theatre and Studios, a converted church, provides an inspiring setting for our East 15 students housing specialist rehearsal studios and a 200-seat theatre.

Students’ Union (SU)
Our SU has plans to become the world’s most student-centred organisation, shaping their services around you. The SU organises and facilitates an array of activities and sports in Southend, from yoga lessons to nights out in town. The SU has two bespoke spaces on our Southend Campus, including a social venue that is run by students. This is your home-from-home for studying, having a cup of coffee or a snack, playing video games or just socialising with friends between classes.

Location
Southend-on-Sea’s location means there’s plenty to see and do. Sail or cycle along the coast and stroll to the end of the pier. Well-known attractions abound, from Adventure Island and amusement arcades to the famous Rossi ice-cream parlour.

The town holds the Purple Flag: the gold standard for a fun and safe night out. Southend is also a great gateway: London is just 50 minutes away by train, while London Southend Airport is only three miles from campus, offering budget flights to a range of European destinations.

Sports, arts and leisure
If you like to be active you can take advantage of the sports on offer through our Students’ Union Just Play programme. If you prefer spectating to participating, there is a thriving live music and arts scene, with two theatres, numerous art galleries, and festivals throughout the year. If food is your thing, you are spoilt for choice with over 300 places to dine in the town, from independent Portuguese and Thai restaurants to popular franchise outlets.

WHY ESSEX?

- The Forum building provides extensive library facilities and innovative learning spaces
- Try out water sports including windsurfing or jet skiing
- Enjoy the English seaside, including the world’s longest pier
- Just 50 minutes from London, Southend provides easy access to the capital and beyond

Southend is really good for shopping. There’s lots of variety, with the shops on the High Street, shopping centres, and markets, selling everything from handmade chocolates and bread, to fresh fish and meat. If you’re a fan of windsurfing, powerboating, jet skiing or canoeing, try the Marine Activities Centre.

Beatriz Alancon Zlatkis and Zsolt Gergely

www.essex.ac.uk/int18/southend
Historically a British holiday destination, Southend has evolved into a thriving cultural centre of music, theatre, comedy and cuisine – whilst retaining all the charms you’d expect from a traditional English seaside town.

WE ARE SOUTHEND

Seaside charm
Our beautiful seafront encompasses seven miles of award-winning beaches, a lively hub for watersports and the longest pier in the world.

Campus accommodation
Make our striking University Square accommodation a home-from-home. There’s a supermarket right next door for all your grocery needs and several restaurants right at your doorstep.

Splendid shopping
Do some shopping in the High Street stores just minutes from our campus buildings. Many of the shops offer student discounts so go bag a bargain!

New facilities
Study in our impressive Forum building, which also houses a library, an art gallery and a restaurant.

Home comforts
Let your room reflect your style. The spacious rooms in University Square come with en-suite facilities and easy access to the town centre and university buildings.

Thrilling attractions
Get your head in a spin at Adventure Island amusement park’s rides, try your hand at mini-golf or visit the aquarium for a fun day out.

Put on a show
Our Clifftown Theatre and Studios provides rehearsal space for our East 15 Acting School students within a renovated gothic-style church, and hosts regular public performances for everyone’s enjoyment.

Game on
Enjoy award-winning nightlife, including the historic Kursaal amusement arcade. Southend has been awarded a purple flag award which means that the town provides an “entertaining, diverse, safe and enjoyable night out”

Lounge away
You’ll be able to catch up with friends in our social venue, the SU Lounge. Study, grab a coffee or a snack, play Xbox or Playstation and just chill out between lectures.

Life’s a beach
Wrap up warm for a walk on the beach in the winter. The beach is alive with year-round events, pubs and restaurants with great seaside views.

**ENGLISH LANGUAGE AND PATHWAY PROGRAMMES**

**Pre-sessional English pathways**

Our pre-sessional English language pathways offer you the chance to improve your English and meet any English language conditions on your offer letter without having to retake IELTS. At Essex, we have several types of pre-sessional programmes for you.

**Pre-sessional Academic, Language and Study Skills**

Our Pre-sessional Academic, Language, and Study Skills (PALSS) programme provides you with integrated preparation in academic English and study skills. PALSS runs for 15 and 10 weeks.

**Pre-sessional English Language**

Our Pre-sessional English Language (PEL) programme focuses on enhancing your English language skills. You will be taught further grammar and vocabulary development, as well as additional reading, writing, listening and speaking skills. PEL runs for 10 and 5 weeks.

**Subject-specific pre-sessional English language programme**

We offer a subject-specific pre-sessional programme for students entering Essex Business School. Our programme offers a unique opportunity to develop your English skills with subject-specific materials related to your chosen course of study, including textbook extracts, journal articles, model reports and literature reviews. Our subject-specific pre-sessional programme runs for 10 weeks.

**Which pre-sessional pathway do I need?**

Having so many pre-sessional options is great, but how do you pick the best one for you? Our table above is a good indication of which options are available based on your current IELTS and our English language requirements. Use our pre-sessional finder tool to help decide which options are best for you.

Please note: If you have an offer for MSc Management, MSc Marketing Management, MSc Marketing and Brand Management or MSc Human Resource Management, you will be required to take PALSS. All other Essex Business School courses accept PEL or subject-specific. The Department of Sociology and postgraduate programmes in the Department of Language and Linguistics only accept PALSS.

If you have an unconditional offer to study at Essex and would like additional preparation in English for academic purposes and study skills before starting your course with us, our four-week Essex Academic Skills Programme (EASP) is for you. EASP is an excellent way to settle in to life in the UK and become more confident. In this case you can get one single visa to cover both EASP and your degree. The EASP start date is 28 August 2018.

We offer a range of pathway programmes which can lead into our degrees at both undergraduate and postgraduate level. For further information please visit our website.

Make the most of your life at Essex with our award-winning student support services. Benefit from academic skills support, mentoring and general guidance. Find space for worship, meditation, prayer and quiet reflection or just have a friendly chat.

Welfare and support
As an international community we understand the needs and concerns of international students, and do our best to provide you with excellent support facilities. This led to us being named winner of the Times Higher Education (THE) Award for Outstanding Support for Students in 2013.

Our support and welfare services include healthcare, immigration advice, support with your faith and assistance with improving your academic skills, as well as places you can go if you just need to talk to someone.

Support and guidance
Student Services Hubs
Our Student Services Hubs can help with general wellbeing and funding advice. We also have facilities and advice available for students with disabilities and those battling with exam anxiety.

Immigration
UK immigration advice is regulated, so can only be provided by our authorised advisers.

Please visit www.essex.ac.uk/int18/support for further information and the ‘ask us a question’ section if you have a query.

Support with your studies
You may find studying at a UK university very different to your home country, and it may be the first time you’ll be studying in English. We aim to ensure that you can get the most out of your education by providing a range of academic and English language support classes.

Talent Development Centre
Our Talent Development Centre can help with your academic English language skills. They can also help with study techniques and exam preparation.

Health and wellbeing
Health services
There is a health centre on our Colchester Campus which offers appointments with male and female doctors, as well as specialist services and counselling. Our Southend Campus has dental and GP training practices, supported by the local Primary Care Trust, on site. It is important to register with the health centre as soon as you can so that you can receive treatment when you need it.

Nightline
Nightline is an award-winning, student-volunteer-run advice and support service, which is available overnight throughout term-time. The volunteers are able to provide a listening ear and impartial advice, or a cup of tea and a friendly talk if you’re just feeling homesick.

Residence Life
The Residence Life team offers support within your on-campus accommodation by providing out-of-hours support, making sure you get along with your flatmates, and organising fun events to help you meet other students in your accommodation building.

Religious life
Our Multi-Faith Chaplaincy is for all members of the University community – of all faiths and none. We offer on-campus pastoral care, a confidential listening ear and spiritual support. We also offer a safe place to practise or explore faith, either in the Chaplaincy or by connecting you to a local place of worship.

Mentoring
Our academic departments also provide their own support services, with most departments running student mentoring schemes, and our lecturers and professors offering office hours for one-to-one guidance with your studies.

Students with families
It is important that you’re aware of the additional costs and implications of bringing your family with you to the UK.

Please visit www.essex.ac.uk/int18/support for further information for students with dependants. If your family will need dependants visas we recommend you check the Home Office criteria to see if they would be eligible to apply.

www.essex.ac.uk/int18/support
Hello wonderful person. We’re the Students’ Union. We’re made of 14,000 members. When you come to Essex, you’re not just a member of an SU, you’re part of an unconventional family. A family that has people from every background, belief and interest imaginable. A family that’s always got your back. Because we believe that together we can do amazing things, to be whoever or do whatever.

What do we do?
We’re making four promises to you and we won’t rest until we’ve made them happen.

1. We promise to help you get an amazing degree and job
The two most important things to you are the two most important things to us. We’re here to inspire and motivate you, to cheer you on as you walk into exams and to help you beat the competition in interviews and land your dream job.

2. We promise to give you an amazing membership
We will give you a Students’ Union experience that’s good enough to make all your friends who aren’t at Essex jealous. We’ve given students the tools to set up over 100 societies. And if you’re into sport – we run more than 40 sports teams.

3. We promise to shape everything around you
You choose what drinks we serve in our bar and what products we stock in our shops, just write it on the wall and we’ll do our absolute best to get it in stock for you ASAP. All you need to do is Tweet or Facebook us, and we’ll get on it.

4. We promise to benefit all students
At Essex the Students’ Union is here for everyone, no matter your age, gender, nationality, faith, sexuality, year of study, or shoe size. In our family there’s no pretentious cordoned-off VIP area, we’re open to everyone.

10 reasons why the SU is one of the best things about Essex
1. Sports clubs – over 40 teams and all free to join
2. VTeam – volunteering opportunities for everyone!
3. SU Advice – from legal advice to help with visas, we provide advice on anything and everything
4. The Store – a mini supermarket on campus
5. The Salon – from haircuts and colours to manicures and pedicures, the Salon offers it all!
6. Frango’s – a Portuguese restaurant and bar serving your chicken needs
7. SU Heirloom – every student at Essex gets their own customisable handmade charm to pass down
8. Cine10 – your very own cinema on campus, showing blockbusters on huge screen with surround sound
9. SU Lets – a free house-finding service right on campus
10. SU Market – held every Thursday on campus, selling food, fruit and veg, vintage clothing and more

This is just the start…
We could go on and on, but hopefully we’ve given you a good idea of how we help you have a great time at Essex.

Welcome to Essex, your home away from home! I’m Yasmine, and I’ve been elected by Essex students to represent international students. While university may seem daunting at first, just remember to be proud of where you came from and have faith in how far you’ll go. We, the Students’ Union, will be there every step of the way of your Essex Adventure to provide support, guidance and a cheery smile. At Essex, you won’t just get an amazing degree - you’ll have a life changing experience you will never forget! I look forward to having an incredible time together!

Sharifah Hani Yasmin, Malaysia, Vice President International, Essex Students’ Union

CAREERS AND EMPLOYABILITY

An Essex degree is not just about academics, we also focus on developing you towards your future career. Our focus on your employability has helped 95% of our international graduates to start their careers or further study within six months of graduating. (DLHE survey 2015)

These are just some of the ways we are helping you get on the career ladder:

- Essex Employability Award – recognition for any extra-curricular volunteering and work experience
- Volunteering through the Stu vTeam with hundreds of opportunities available
- Frontrunners – our award-winning student internship programme offers over 500 paid placements in graduate-level projects across the university
- Study abroad opportunities – most courses offer study abroad at undergraduate level
  > www.essex.ac.uk/int18/abroad
- Learning languages at Essex – we make language-learning easy. All our students can learn a language to develop new language skills and get an edge when applying for jobs. At Essex, there are four ways to learn
  > www.essex.ac.uk/int18/languages
- Placement years – spend a year or one term gaining work experience (where available). Your placement can take place in the UK or abroad and can kick-start your future career
  > www.essex.ac.uk/int18/placements
- Part-time work – degree students with a Tier 4 visa can normally work up to 20 hours per week during term-time. The university recommends working no more than 12 hours per week.
- Dedicated international careers advisers and support available during your studies and after you graduate, helping you look for graduate-level work both in the UK and abroad

Alumni activities

Our global alumni network means you will be connected to an existing network of professionals in your home country and abroad, which can be the key to unlocking your future success. Our alumni stay in touch years and even decades after leaving Essex. The alumni office holds networking events for our past students around the world. Recent events include alumni receptions in Mexico, Hong Kong, Malaysia, Japan, Canada and Singapore. You can find out more about our past students and find contact details of alumni from your country through our website.

Notable alumni

Our 74,000 alumni work in a variety of careers all over the world. These are just a few of the ones who’ve gone on to have a public profile for their work. In the next pages you can find a map showing more of our international alumni and what they have gone on to do since graduating.

Dr Shirin Sharmin Chaudhury MP (PhD Law, 2000)
Dr Chaudhury made history in 2013 as the first female speaker of Bangladesh’s parliament. She has practised law for over 15 years, and won Asia Society’s Humanitarian Service Award in 2010 for her work to eliminate violence against women and improving women’s employment in Bangladesh.

Dr Oscar Arias Sanchez (PhD Government, 1975)
Oscar Arias has twice been President of Costa Rica, from 1986 to 1990 and again from 2006 to 2010. He received the Nobel Peace Prize in 1987 for his efforts to end the civil wars of several Central American countries. He was awarded an honorary degree by the University in 1988.

David Yates (BA Government, 1987)
David Yates is a BAFTA-award-winning television and film director. He directed the final four instalments in the Harry Potter film series, The Order of the Phoenix, The Half Blood Prince and The Deathly Hallows parts I and II. He was awarded an honorary degree by the University in 2012.

Sir Christopher Pissarides (BA, MA Economics, 1971)
Christopher Pissarides was born in Cyprus in 1948, and graduated from Essex with a First Class Honours degree in Economics in 1970 and gained a Distinction for his Masters in the following year. He is now Regius Professor of Economics at LSE. In 2010, he was awarded the Nobel Prize in economics, jointly with Peter A. Diamond and Dale Mortensen, for his contributions to the theory of search frictions and macroeconomics.

HOW TO APPLY

Entry requirements
Entry requirements vary by course and level of study. Entry requirements can be found through www.essex.ac.uk/int18/courses.

Please see subject pages in this prospectus for English language requirements for your course.

Immigration requirements and minimum English language requirements can be found on our website: www.essex.ac.uk/int18/immigration.

Immigration and applying for a visa
If you’re applying from outside the European Economic Area and require a visa to study in the UK, you’ll need to apply under Tier 4 of the UK Government’s Points Based Immigration System (PBIS).

We are required to ensure compliance with Home Office regulations as a Tier 4 Sponsor. In some circumstances, we may be unable to make an offer or to issue a CAS if an applicant cannot meet all Tier 4 requirements, including when there have been changes to these requirements made by the Home Office. Refer to our webpage for information about immigration and applying for a visa.

Once you’re ready to apply, these pages give you all the information you’ll need.

For English language programmes
Please visit Essex Pathways for application information.

For undergraduate degrees
Applications for Bachelors degrees should be made through UCAS. Our UCAS code is E70.

If you only want to apply to the University of Essex and do not plan to make a UCAS application, you can apply to us directly through our online application form.

For Masters degrees
We welcome online applications for our Masters degrees.

Our online application form takes about 20 minutes to complete and you can save and return to it if you need to. Your supporting documents must include:

- transcripts of your university-level studies to date
- a personal statement making clear why you wish to study in the UK and why you have chosen the subject you are applying for
- any other items which your department requires

If you are offered a place on a taught course, your offer may be made conditional upon additional documents such as references, Certificate of English Language proficiency, final transcript and Degree Certificates. Full details, including where to send information, are available online.

For research degrees
We welcome online applications for our research degrees.

You will need to submit a research proposal of around 800-1,000 words, which includes:

- a working title and key words
- a summary of the aims and objectives of your research
- an outline of the ways you will meet these aims and objectives, referring to research methods and specific resources you will use
- evidence of your awareness of relevant literature and theoretical approaches
- an overview of the expected outcomes and the original contribution your research will make to existing bodies of knowledge

You must also provide the following:

- two verifiable references from academic referees
- transcripts of your university-level studies to date
- copies of certificates for any degrees or other awards you have completed
- evidence of your English language level (IELTS score)
- any other items which your department requires

(CV/personal statement/work sample)

Personal statements
Due to Home Office requirements, please ensure your personal statement makes it clear why you wish to study in the UK and why you’ve chosen the subject you are applying for. You should also tell us about your full academic history including any periods of time spent studying in the UK. If you have spent any time out of education, please also let us know what you were doing during this time.
Essex Business School is the largest department at the University of Essex. We're a growing, ambitious and entrepreneurial community of more than 2,000 students, academics and practitioners from around the world.

English language requirements
- Undergraduate – IELTS 6.0 overall
- Postgraduate – IELTS 6.5 overall

If you don’t meet these requirements we offer a range of pre-sessional English courses, please see pages 20-21 for details. Please note that students who need a Tier 4 visa to study in the UK must meet the Home Office Visas and Immigration’s minimum English language requirements, including component requirements.

"Studying at Essex is really a brilliant experience. It gives me opportunity to develop my own ideas and interests, as well as engaging with global thinking. On campus, I can feel the mixture of excitement, enjoying the academic atmosphere and communicating with my friends from all around the world. I can learn advanced knowledge from my teachers and I think it is like a new journey to me. Even though I miss my country, I do not feel lonely. There are facilities and support that we can rely on. I’ve made use of the Sports Centre, the library, the IT services, and Employability & Careers. They’ve helped me not only enjoy my time at Essex but also to plan for the future."

I have always had a keen interest in science, thus choosing a degree within that subject was rather easy for me. I only applied to the University of Essex and luckily I was accepted. The University appealed to me due to its good reputation and its campus life. My course offered me a range of interesting subjects and topics. The lectures were stimulating and I gained a fascination with the subject. I am truly grateful for everything that I experienced at the University.

I was looking for a research-led learning experience and that’s what attracted me to Essex. The Economics department’s degree structure has been designed to maximise flexibility in module choices, allowing me to choose from a wide range of modules and shaping my degree to suit my particular areas of interest.

My participation in societies and volunteering really helped me to enhance my employability skills and enrich my time at Essex. My Essex experience indeed proved invaluable in securing my graduate role!

My experience of studying Occupational Therapy (OT) at the University of Essex was amazing. The learning experience was embedded with different activities including formal lectures, peer learning, self-directed study and specialist outside speakers. The variety of placements equipped me really well for practice and along with all the other opportunities of OT related activities, give a great starting point for continuing professional development.

Research focus

Our Department is internationally recognised for the quality of its research across a broad range of areas from 1450 to the present. More than two-thirds of our research was rated ‘world leading’ or ‘internationally excellent’ in the REF 2014.

Members of our Department have a huge variety of research interests, ranging from social and cultural history to politics and international relations. Themes of particular interest in research include violence and protest, race, class formation, nationalism, cultural history, gender, and wars and revolutions. In line with our commitment to comparative history and global perspectives, our teaching and research team is international.

“When I thought of undertaking postgraduate studies in human rights, almost every programme I came across was located in the faculty of law. What I was looking for was a programme that would be multi-disciplinary in its approach. I was clearly aware of the limitations in a narrow and single-discipline approach to human rights. I did not know such a programme existed anywhere in the world, until I came across the human rights programme at the University of Essex.”

What made Essex my first and only choice was the fact that they offered this unique Masters program - an MA in Translation, Interpreting and Subtitling. The course offers a great deal of variety and practicality. I was able to acquire skills and knowledge through preparing speeches and interpreting at student-led conferences, engage classmates in translation challenges, attend seminars and network with industry professionals. State-of-the-art facilities such as interpreting booths and specifically tailored computer labs only added to the authentic feel of a translator/interpreter setting.

"My year at Essex was both challenging and exciting. To achieve good results I had to study a lot but it was so amazing to obtain new knowledge, broaden my experience, and find new friends. The friendly atmosphere, supportive and very professional staff were the main advantages of the Department of Mathematical Sciences. The structure of my course was excellent, combining very useful financial modules (financial modelling, risk management, etc) and mathematical subjects (portfolio mathematics, research methods etc), which complemented each other and gave full understanding of the mathematical tools applied in the financial sphere."

Study abroad is extremely worthwhile and enjoyable both socially and educationally.

As well as experiencing life in another country, your study abroad experience can help you in your future career, showing that you are naturally outgoing and adventurous, open to new ideas and methods of working. More and more students are enjoying spending a period of study in another country as part of their studies.

After your year abroad, you will be able to present future employers with evidence of your capacity for inter-cultural understanding, self-reliance and independence.

I decided to study at Essex for two reasons: firstly because the School is renowned for its study of modern and contemporary art, and secondly because two of my professors from Mexico, who I admire, studied at Essex. The modules have been excellent and they’ve taught me to think in a more structured way. I have particularly enjoyed studying modern and contemporary art because, not only is it an important element of art, it is also a source of philosophy and radical thinking that is relevant to many of the issues our world currently faces. After I have finished my course, I intend to go back to Mexico and apply all that I have learnt at Essex whilst working as a researcher at a modern and contemporary art museum. I really want to make a significant contribution!

There were two main reasons for deciding to come to Essex. The first was the reputation of the Department of Government, the best department in the study of politics in the United Kingdom and one that is also widely recognised overseas. The second reason was because I had heard the University was one of the most internationally diverse, and I was looking forward to sharing my academic experiences with people from different contexts and backgrounds. This has been, undoubtedly, a very fulfilling experience and I would recommend for anyone who is interested in politics to study here.

"The main reason I decided to study at Essex was the University’s strong research rating; psychology is a science, so a good research ranking was important to me. The Department of Psychology is great. First of all, the academic staff are excellent and, whenever you have questions or need something clarified, lecturers are always there to help. The teaching itself is also very good, with aspects about the modules clearly outlined. On the technical side, my department is well equipped and all psychology students have access to great lab facilities, with modern computers and a range of software."

Throughout my time at Essex I learnt about and worked with a variety of groups such as elite performers, school children, and patient populations, all of which I thoroughly enjoyed. All academics are extremely helpful and incredibly knowledgeable in a variety of areas. Their expertise, experience and enthusiasm really enables students to develop and grow throughout their university career.

Important Information

About this prospectus
This prospectus tries to answer your questions about life and academic provision on offer at the University of Essex. It was prepared in 2017 and refers to courses which will be available in 2018. Although great care is taken in compiling this prospectus, it is for the general guidance of prospective students only. The University cannot guarantee the provision of all the courses and services in the event of circumstances beyond its control and therefore reserves the right to make variations to the content and method of delivery of programmes, courses and other services and to merge or combine programmes or courses, if such action is reasonably considered to be necessary by the University.

The most up-to-date information in relation to course structures is available on our programme specifications webpages.
>> www.essex.ac.uk/programmespecs

The University cannot be held responsible for failure/delay in performing obligations caused by things beyond its reasonable control, such as fire, flood or industrial action. In accepting an offer of a place at the University, you consent to incorporation of this notice as a term of contract between you and the University. The full Procedures, Rules and Regulations of the University are set out in the Charter, Statutes and Ordinances and in the University Regulations, Policy and Procedures.
