Our campuses are growing. Here’s a snapshot of what they offer. We are ranked 4th in the Times Good University Guide 2020 for spend on services and facilities per student, and we are committed to continue to invest in your campus experience.

- Our Essex Sport Arena has 1,655 seats and international standard facilities suitable for staging televised sporting events. The Arena contains eight badminton courts, three basketball courts, three netball courts, five volleyball courts and two futsal courts. The Sport Centre next door houses a modern gym, fitness studios and even a climbing wall.

- The Lakeside Theatre on our Colchester Campus, the Corbett Theatre in Loughton, and the Clifftown Theatre in Southend showcase student and professional productions. Whether you’re a keen actor, interested in production, or just enjoy an evening at the theatre this provides an excellent creative space for students with an interest in the arts.

- Reflecting our commitment to responsible business practice in both teaching and research, Essex Business School in Colchester is a zero carbon building. It features a winter garden, café and lots of breakout spaces for post-lecture discussions.

- The Forum Learning Hub in Southend is open 24 hours a day and offers a range of diverse spaces for study and group work. In the Forum you’ll also find our large lecture theatre, a café and our friendly support services all under one roof.

- The Silberrad Student Centre offers 24/7 access to a combination of IT-rich areas and study pods for group work. The Centre is also home to our Student Services Hub – your one-stop-shop for finance and support services.

- The STEM Centre on our Colchester campus includes a 180-seat wet lab for our School of Life Sciences and a 150-seat IT-rich exploratory learning space to enable collaboration between students across our Faculty of Science and Health.

- The Forum library in Southend is a vibrant contemporary space with outstanding learning facilities and a central location. Albert Sloman library in Colchester houses some of the UK’s finest collections, providing fascinating insight into Latin America, Russia and Eastern Europe.

- We have one of the world’s leading robotics research facilities, housing robotic wheelchairs, spiders, dogs, football players, fish and robotic aircraft, which you can often see flying around the arena.

NEW North Teaching Centre 2
Diverse and cosmopolitan with a population of around 180,000 people, Colchester is a great student town, offering a rich mix of bars, restaurants, theatres and music venues. It is also the oldest recorded town in Britain with evidence of Roman settlements found all around town. Our campus is located just outside of town and offers extensive facilities as well as support services to ensure you achieve the most from your studies.

There’s a wide range of restaurants with student-friendly prices offering local and international cuisines.

Colchester also has a great selection of bars, pubs, cafés, nightclubs, visual and performing arts and live music venues to cater for all tastes.

On campus, you’ll find a range of food options, with a great selection of halal, vegan and vegetarian dishes and groceries available, as well as a range of entertainment options.

“Essex was the perfect choice for me as Colchester is only a 50-minute train ride from the centre of London and an hour from Stansted airport, where I can get a flight directly to my hometown. Another influential reason for choosing Essex is because it is a campus university and has everything I need on site.”

Effie Lunde, BSc Management and Marketing student, Sandefjord, Norway

A traditional British holiday destination, Southend-on-Sea has evolved into a thriving cultural centre of music, theatre, comedy and cuisine – whilst retaining all the charm you’d expect from a traditional English seaside town. Our campus is located in the heart of the town and surrounded by all of its facilities.

“During my time here, Southend has offered opportunities to learn and excel academically and professionally – as well as a great student experience. With a small and diverse student community of just over 1,300 students it is easy to get to know each other, access support services and meet with your academics. Throughout the year we have BBQs, parties, fireworks, cultural celebrations, live entertainment, inspirational guest speakers and competitions. Without any doubt, I’d recommend Southend as your place of study.”

Ernest Nyarko, previously Students’ Union Vice-President Southend
These figures show the current cost per week of our accommodation. It’s likely that our rental charges for 21 - 22 will increase from these current prices. We’ll publish the new prices on our website as soon as they are available. Accommodation rates in Colchester also include an Essex Sport Silver membership.
When you come to study with us, we understand that you are making a significant investment of time and money, so we want to make sure it pays off. Whether it’s through our world-class facilities or our award-winning accommodation, your time at Essex is guaranteed to leave you with memories that no one can put a price on.

EU STUDENTS

EU students will be considered international students for fees purposes from 2021 entry onwards, so the fees on these pages also apply to students from the EU. EU scholarships worth up to £7,000 will be available, please see the links on these pages for further information.

At Essex, we are continually investing in your future. We support and encourage you to make the most of your time at university and provide you with ongoing support when you graduate.

**ENHANCE YOUR CAREER PROSPECTS**

Our courses are designed to equip you with a range of transferable skills and experiences which will make you an attractive candidate to future employers. All of our undergraduate degrees include a module on employability, with special emphasis on your area of study. We also offer a whole range of additional services, support and opportunities for you to develop yourself further to really stand out in front of future employers.

**LEARN A LANGUAGE**

We offer several ways for all our students to learn a new language, including the popular Languages for All programme offering lessons in up to seven languages (Arabic, French, German, Japanese, Mandarin Chinese, Russian and Spanish!)

[essex.ac.uk/life/student-services/learn-a-language](essex.ac.uk/life/student-services/learn-a-language)

**THE BIG ESSEX AWARD**

Our Employability Award lets you gain recognition for extra-curricular activities, which will then be recorded in your undergraduate HEAR (Higher Education Achievement Record), or the postgraduate FAR (Further Achievement Record). There are four levels to the award - Bronze, Silver, Gold and Platinum - so you’ll have a chance to work through the levels during your time at Essex and really impress your future employers.

Activities that may count towards your Big Essex Award include part-time work, volunteering through the Students’ Union vTeam, language learning through Languages for All, having an executive role in a student society or sports club, becoming a course representative, and more.

**EMPLOYABILITY WORKSHOPS**

Our workshops and webinars will help you successfully apply for work, both during and after your studies. Training includes help with creating the perfect CV, tips on how to excel at interviews and guidance on delivering a professional presentation. Training is also available on how to make the most out of networking and LinkedIn. Employers and employer organisations also offer talks on how to prepare for a career or training opportunities in their field.

[essex.ac.uk/careers](essex.ac.uk/careers)

**STUDY ABROAD OPPORTUNITIES**

Most of our undergraduate courses offer study abroad opportunities. We have relationships with over 150 institutions in 40 countries worldwide.

[essex.ac.uk/essexabroad](essex.ac.uk/essexabroad)

**IN NATIONAL NETWORKS**

We’ve established partnerships with key European universities crossing disciplines to enrich our research and enhance learning opportunities for our students. Find out more about the YUFE and YERUN partnerships on the pages of this prospectus.

GAIN REAL-LIFE EXPERIENCE

There are a number of ways in which you can gain wider experience during your studies at Essex.

Our CareerHub job listings board lists vacancies for a wide range of part-time work opportunities, both on and off campus, including our Frontrunner student internship programme, work in the Students’ Union venues and services, opportunities to work as a Student Ambassador or Residence Life Assistant, and a whole range of jobs available through local businesses and organisations. You can also use CareerHub to search for full-time graduate jobs.

WORK PLACEMENT AS PART OF YOUR STUDIES

In most degree subjects we offer the opportunity for you to include a work placement year as part of your undergraduate degree – this will usually be a year-long paid work placement in industry, relevant to your field of study. We also offer Masters programmes with a Professional Placement in selected subjects.

IMMIGRATION LIMITATIONS ON WORKING IN THE UK DURING YOUR STUDIES

The UK government intends to introduce new immigration rules from 1 January 2021. The new rules will apply to all those wishing to come to the UK to study, regardless of nationality. We expect there to be work restrictions for those coming to the UK to study. We will publish more information on our website once details are known.

ALUMNI SUCCESS

Our amazing alumni have gone on to make inventions, change the world, win prestigious British Council alumni awards, and make an impact in their communities. Find out more about alumni from your country:

HERE FOR YOU

Our Student Development Careers Services offer dedicated international careers advice and support available during your studies and after you graduate, helping you look for graduate-level work both in the UK and abroad and bringing you together with potential employers at careers events. The team organise a large annual Career Fair, as well as subject-specific events, to help you meet potential employers right on campus. Their resources also include access to local, national and international job listings, such as GradLink UK. The team can also provide support and advice to students looking to start up their own business upon graduation (subject to immigration permission).

New Graduate Immigration Route

A new graduate route, to be introduced in summer 2021, will allow eligible graduates to remain in the UK to work, or look for work, for two years after completing their course. This will allow eligible graduates to gain valuable post-graduation work experience in the UK, and it is expected it will be possible to transfer to another work route if you find suitable employment.

We provide a range of support services to make sure that you can make the most of your time at Essex. They include academic skills support, mentoring and general guidance. Find space for worship, meditation and quiet reflection or just have a friendly chat.

**WELFARE AND SUPPORT**

As an international community we understand the needs and concerns of international students, and do our best to provide you with excellent support facilities.

Our support and welfare services include healthcare, immigration advice, support with your faith and assistance with improving your academic skills, as well as places you can go if you just need to talk to someone.

**SUPPORT AND GUIDANCE**

**Student Services Hubs**

Our Student Services Hubs can help with general wellbeing and funding advice. We also have facilities and advice available for students with disabilities and those struggling with issues like settling in and exam anxiety.

**Immigration**

UK immigration advice is regulated, so can only be provided by our authorised advisers.

Please visit essex.ac.uk/immigration for further information and the ‘ask us a question’ section if you have a query.

**SUPPORT WITH YOUR STUDIES**

You may find studying at a UK university very different to your home country, and it may be the first time you’ll be studying in English. We aim to ensure that you can get the most out of your education by providing a range of academic and English language support classes.

**Mentoring**

Our academic departments also provide their own support services, with most departments running student mentoring schemes, and our lecturers and professors offering office hours for one-to-one guidance with your studies.

**HEALTH AND WELLBEING**

**Health services**

There is a health centre on our Colchester Campus which offers appointments with male and female doctors, as well as specialist services and counselling. Our Southend Campus has dental and GP training practices, supported by the local Primary Care Trust, on site. It is important to register with the health centre as soon as you can so that you can receive treatment when you need it.

**Nightline**

Nightline is an award-winning, student-volunteer-run advice and support service, which is available overnight throughout term-time. The volunteers are able to provide a listening ear and impartial advice, or a cup of tea and a friendly talk if you’re just feeling homesick.

**Residence Life**

The Residence Life team offers support within your on-campus accommodation by providing support, helping you get to know your flatmates, and organising fun events to help you meet other students in your accommodation building.

**Religious life**

Our Faith Centre is for all members of the University community – of all faiths and none. We offer on-campus pastoral care, a confidential listening ear and spiritual support. We also offer a safe place to practise or explore faith, either in the Centre or by connecting you to a local place of worship.

**STUDENTS WITH FAMILIES**

It is important that you’re aware of the additional costs and implications of bringing your family with you to the UK.

Please visit our website for further information for students with dependants. If your family will need dependants visas we recommend you check the Home Office criteria to see if they would be eligible to apply.
Everyone has a different background, a different experience, a different perspective. Our students, staff and alumni come from all over the world, each with their own unique story to tell. Here are some stories from our inspirational students.

**FERNANDA - MA SOCIOLOGY AND MANAGEMENT (MEXICO)**
"I know this is the place I’m meant to be"
"I always wanted to continue my education. England was my first choice but when I first applied for my Masters I was scared I wouldn’t be able to come so I was ok with staying in Mexico as well. But now I’m here I know this is the place I’m meant to be. I find it so encouraging and the international community here is amazing and you learn a lot of things."

**SANDRA - BSC PSYCHOLOGY (SPAIN)**
"My friends here are such a huge inspiration to me"
"Some of them have three jobs, or two exec positions in different societies, they’re really busy people. But it’s such a great feeling, when we finally have some time free, of going to each other’s rooms and talking about your day, your drama or any silly things, it’s just really relaxing."

**ANTONIO – BA PHILOSOPHY AND POLITICS (PORTUGAL)**
"I wanted to get out of my shell and meet new people"
"Next year I will be going on my Year Abroad to Tokyo. I’ve always wanted to go to Asia. I really enjoyed coming to Essex. I had no connections at the University; I wanted to get out of my shell and meet new people. During Freshers’ Week I didn’t know anyone, so I came down to the SU Bar, grabbed a drink and found someone to speak to. That is how I met one of my closest friends."

**ASHA - SU PRESIDENT (NORWAY)**
"My advice would be get involved as soon as possible; even before you get your results"
"My goal is to make everyone feel comfortable here at Essex. My advice would be to get involved as soon as possible; even before you get your results you can connect with your new course-mates and flatmates on Facebook."

**CAMILA - MRES ECONOMICS (BRAZIL)**
"I’m the first in my family to study abroad, and the first to get a higher education too."
"Getting here, to Essex, made me very proud. In Brazil we’re not led to believe that we should study abroad, so I think getting here is one of my biggest achievements. I’m the first in my family to study abroad, and the first to get a higher education too. My parents are very, very proud. They miss me, but they understand that it’s for a bigger purpose."

**MUHAMMAD - BSC ACCOUNTING AND FINANCE (MALAYSIA)**
"My parents both cried when I told them I got a first-class degree. Their tears of joy were the best moment for me, I have never felt so much happiness in my life."
"I worked a part-time job throughout my degree so that I could save up to pay for my parents to come here for graduation. Time management was always the key for this. I had to make sure my studies and assignments were the priority but I also worked 15-20 hours a week; I needed to make sure that I used my free time wisely, for my study, friends and myself."
Our Students’ Union, or SU, as they are known, help to support our “student town” on our Colchester Campus, complete with shops, cafés, bars, restaurants and even a nightclub. If you’re based in Southend you can grab a coffee or play videogames with friends in the SU Lounge, and at Loughton you’ll find a brand new café-bar.
EUROPEAN PARTNERSHIPS

We’re working in alliance with European university networks to bring together institutions across the continent.

YUFE
We’re part of ground-breaking plans to develop a new ‘European University’ as part of the pioneering Young Universities for the Future of Europe (YUFE).

The YUFE alliance includes eight leading young universities:
- Maastricht University (coordinator) - Netherlands
- Carlos III University of Madrid - Spain
- University of Antwerp - Belgium
- University of Bremen - Germany
- University of Cyprus - Cyprus
- University of Eastern Finland
- University of Essex - United Kingdom
- University of Rome Tor Vergata - Italy

STUDYING THROUGHOUT EUROPE
Once fully established, the YUFE European University looks to enable prospective students to choose from programmes offered at each of the eight YUFE universities. The official language of YUFE study programmes is English, but students who spend a period at a university in another country will be encouraged and supported to learn the language of their host country.

Graduates from YUFE programmes will receive a European diploma that will be valid anywhere in Europe. The diploma will not only acknowledge academic performance, but will also recognise student mobility, language learning, and any professional training, job shadowing and community volunteering you may have undertaken during your studies.

YERUN
We are collaborating with the Young European Research Universities Network (YERUN) to develop joint research and teaching initiatives and to maximise mobility, research capacities and the employability of our graduates.

Universities in the YERUN network share best practice for enhancing graduate employability and provide grants for staff and student mobility between partner institutions. YERUN’s goal is to find ways for further academic and research cooperation between the network members.
Our online application form takes about 20 minutes to complete and you can save and return to it if you need to. Your supporting documents must include transcripts of your university-level studies to date and any other items which your department requires.

If you are offered a place on a taught course, your offer may be made conditional upon additional documents such as a personal statement, a reference, proof of English Language proficiency, final transcript and degree certificates. Full details, including where to send information, are available online through the link above.

For research degrees
We welcome online applications for our research degrees. essex.ac.uk/postgraduate-research-degrees/applying-to-essex

You will need to submit a research proposal, which includes:

- a working title and key words
- a summary of the aims and objectives of your research
- an outline of the ways you will meet these aims and objectives, referring to research methods and specific resources you will use
- evidence of your awareness of relevant literature and theoretical approaches
- an overview of the expected outcomes and the original contribution your research will make to existing bodies of knowledge
- a brief statement on how your research interests tie in with those found in the department, school or centre

You must also provide transcripts of your university-level studies to date.

If you are offered a place on a research course, your offer may be made conditional upon additional documents such as a reference or proof of English language proficiency.

GENERAL ENTRY REQUIREMENTS

Undergraduate
Typical entry requirements for our undergraduate courses can be found on our online course finder essex.ac.uk/subjects

International equivalents are available on our country-specific webpages. essex.ac.uk/international/country-specific-information

If you do not meet these requirements you may be able to join a pathway programme at the University of Essex International College, please see the course section in this prospectus for further details.

Some courses will have additional subject-specific requirements or additional requirements, such as auditions (East 15 acting courses), interviews or skills tests. Please visit our online course finder for further information.

Taught courses (PGT)
We will consider all applicants with a 2:2 or above, or equivalent international qualifications. For some courses there may be additional requirements.

Research degrees (PGR)
You will normally need a good performance in a Masters course in order to study a PhD in most disciplines.

A well-developed research proposal is required, in an area in which we can offer supervision.
English language requirements
If English is not your first language, you need to provide evidence of your ability to understand and express yourself in English for academic purposes.

If you have a score which is less than five years old (undergraduate applicants) or less than three years old (postgraduate applicants) in an internationally recognised test, such as IELTS or Pearson Test of English (Academic), please supply your results on your application (undergraduate) or a copy of your certificate with your application (postgraduate). TOEFL test scores must be less than two years old. Other tests or qualifications may be accepted, please visit our website for further details:
essex.ac.uk/undergraduate/applying-to-essex

essex.ac.uk/masters/applying-to-essex

If you do not have a current or acceptable score, your offer will be conditional upon you achieving an acceptable English language qualification.

The English language score required will vary by level of study and subject, please see our online course finder for requirements.

Please note that students who need a student visa to study in the UK must meet the Home Office minimum English language requirements, including component requirements.

If you do not meet the English language requirement for your course we offer pre-sessional English courses in partnership with University of Essex International College, please see essex.ac.uk/international/pre-sessional for further information.

PERSONAL STATEMENTS
Due to Home Office requirements, please ensure your personal statement makes it clear why you wish to study in the UK and why you’ve chosen the subject you are applying for. You should also tell us about your full academic history including any periods of time spent studying in the UK. If you have spent any time out of education, please also let us know what you were doing during this time.

IMMIGRATION AND APPLYING FOR A VISA
The UK government intends to introduce new immigration rules from 1 January 2021. The new rules will apply to all those wishing to come to the UK to study, regardless of nationality, after 31 December 2020.

We will publish more information on our website once details are known.

A new Graduate Immigration Route is due to be introduced in summer 2021. This route will allow eligible graduates to remain in the UK to work, or look for work, for two years after completing their course. Further information can be found online:
essex.ac.uk/international/new-graduate-immigration-route
Entry requirements
Auditions or interviews will be required. Please visit the department’s website for further information about audition and interview dates in your country and online auditions.

IMPORTANT INFORMATION

When we might make changes to advertised courses and other information
This prospectus tries to answer your questions about life and academic provision on offer at the University of Essex. It was prepared in 2020 and refers to courses which will be available in October 2021. The University makes every effort to ensure the prospectus is accurate at the time it is printed. Exceptionally, it can be necessary to make changes, for example to courses, facilities or fees due to legitimate staffing, financial, regulatory or academic reasons. Examples of such reasons might include a change of law or regulatory requirements, industrial action, lack of demand, departure of key personnel, change in government policy, or withdrawal or reduction of funding. Changes to courses may for example consist of variations to the content and method of delivery of programmes, courses and other services, to discontinue programmes, courses and other services and to merge or combine programmes or courses. If a course change or closure is proposed in such circumstances the University will take all reasonable steps to minimise disruption to students. This will include informing students of the changes in advance and giving them appropriate opportunity to comment on the proposals.

A course would only be closed in exceptional circumstances. If it is ever necessary to close a course the University’s preferred approach would be to continue to teach current students on that course until they have completed their studies. If exceptionally that is not possible, the University will explore other options with the affected students for example by considering whether those students can be offered places on alternative programmes, or whether their studies can be completed at another institution. Essex.ac.uk/subjects Essex.ac.uk/fees

No liability for matters outside our control
The University cannot be held responsible for failure/delay in performing obligations caused by things beyond its reasonable control, such as fire, flood or industrial action.

University terms and conditions, procedures, rules and regulations
Applicants are considered in line with the University’s Admissions Policy and the Regulations relating to Admission (listed under Academic Regulations), which can be found online at: Essex.ac.uk/admissions-policy Essex.ac.uk/admissions-regs

If your application to the University of Essex is successful, by accepting the offer you will be entering into a legal contract with us, subject to any conditions included in your offer. Your rights and obligations to us and our rights and obligations to you will be detailed in the information that we provide once the offer has been made. Applicants and registered students must comply with the University’s regulations, policies and procedures as part of their contract. A full set of the University Regulations is available at: Essex.ac.uk/regs

The full Procedures, Rules and Regulations of the University, governing how it operates, are set out in the Charter, Statutes and Ordinances and in the University Regulations, Policy and Procedures. Essex.ac.uk/about/governance/regulations/students.aspx

QUALITY ASSURANCE
The Quality Assurance Agency’s Higher Education Review of the University in December 2014 covered every aspect of the University’s provision and confirmed that the University had met all expectations and meets national requirements for standards and quality.

The University was commended for the strong focus on improving all areas of the student learning experience. The high-quality research environment and development opportunities offered to postgraduate research students were recognised, along with our commitment to listening and responding to student feedback, and to providing our students with opportunities to improve their employment skills and prospects. Qaa.ac.uk

POLICY STATEMENT ON EQUALITY AND DIVERSITY
The University of Essex celebrates diversity, challenges inequality, and is committed to sustaining an inclusive and diverse community that is open to all who have the potential to benefit from membership of it. We ensure equality of opportunity for all its members. We expect staff, students and visitors to be treated, and to treat each other, with dignity and respect regardless of age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex, sexual orientation, socio-economic background, political beliefs and affiliations, family circumstances or other irrelevant distinction.

TUITION FEE INCREASES DURING YOUR STUDIES
For full-time undergraduate students and postgraduate students on courses with a duration of more than one year with an international fee status, tuition fees normally increase for each academic year of study. This annual increase will be 5% or the annual increase in the RPI-X index, whichever is the higher. Essex.ac.uk/fees

WE ARE ESSEX. WE'RE ON THE SIDE OF PEOPLE WITH GUTS – REBELS WITH A CAUSE. WE'RE ABOUT PEOPLE WHO LOVE TO LEARN HOW, BUT WANT TO CHALLENGE WHY. BUT WHY DO WE HAVE TO STOP HERE? WHY CAN'T WE TAKE IT FURTHER, TO THE BIT WHERE IT REALLY GETS INTERESTING? WE'RE ABOUT THE PEOPLE WHO HUDDELL OUTSIDE A CLASS LONG AFTER IT'S FINISHED BECAUSE THERE'S MUCH MORE TO BE SAID, MORE ARGUMENTS TO BE HAD. WE'RE ABOUT PEOPLE WHO ARE BOLD ENOUGH TO CHALLENGE INEQUALITY AND THE STATUS QUO. PEOPLE WHO DON'T EXPECT THE WORLD TO CHANGE SIMPLY BECAUSE THEY LIKED A FACEBOOK STATUS OR NODDED WHEN SOMEONE ELSE SPOKE. AT ESSEX YOU’RE NOT JUST A STUDENT, YOU’RE A MEMBER, SOMEONE WITH GENUINE LICENCE TO SHAPE WHAT GOES ON AROUND YOU. TO US IT DOESN’T MATTER WHERE YOU’VE COME FROM. WE’RE INTERESTED IN HOW YOU WANT TO GROW AND WHAT YOU WANT TO CHANGE. WE’RE AFTER PEOPLE WHO WILL HELP US PUSH THE FRONTIERS OF KNOWLEDGE. CHALLENGING CONVENTION IS IN OUR DNA. ALL OF WHICH LEAVES YOU WITH A DECISION: ARE YOU GOING TO SIT AND WATCH THE WORLD GO BY? OR DO YOU HAVE THE COURAGE AND ENERGY TO SHAPE IT? WE’LL HELP YOU EXPLORE, QUESTION AND CREATE POWERFUL IDEAS. WE’LL INTRODUCE YOU TO PEOPLE FROM EVERY CORNER OF THE PLANET, A GENUINELY GLOBAL COMMUNITY THAT LIVES, WORKS AND PLAYS TOGETHER. IF YOU GIVE UP AT THE FIRST HURDLE, ESSEX ISN’T FOR YOU. IF YOU WANT TO BE SPOON-FED A DEGREE, ESSEX ISN’T FOR YOU. IF YOU ARE BRAVE ENOUGH TO HAVE IDEAS AND GENEROUS ENOUGH TO SHARE THEM, WELCOME HOME.
