Required Documentation

You’ll need to bring your original documents along to be checked in person and scanned, before you can start studying with us inside the UK.

<tr>
<td>I have a residence permit for another European country, not the UK, is that ok?</td>
<td>A residence permit for somewhere other than the UK does not give you the right to live and study inside the UK. You'll need immigration permission to study in the UK. <a href="https://www.gov.uk/check-uk-visa">https://www.gov.uk/check-uk-visa</a></td>
</tr>
<tr>
<td>I have dual nationality, European plus elsewhere, do I need a visa?</td>
<td>If you entered the UK before 31 December 2020, you should have applied for settlement. If you are entering the UK on or after 1 January 2021, you'll need immigration permission to study in the UK.</td>
</tr>
<tr>
<td>I was born outside the UK and I have settled status. However, I can't find the evidence.</td>
<td>If you are unable to locate documents in a reasonable time, we may be able to check your immigration status with the Home Office. You'll need to contact our <a href="https://www.gov.uk/check-uk-visa">International Services Team</a>. You won't be able to study until we receive confirmation that you have valid immigration permission that allows you to study with us and we must have that before the latest date the University requires you to be registered for this academic year.</td>
</tr>
<tr>
<td>Can I provide you with a letter/email from my lawyer?</td>
<td>A letter/email from a lawyer or 3rd party is not evidence of your immigration status. You will need to obtain documents as mentioned above. If you are unable to locate documents in a reasonable time, we may be able to check with the Home Office. You'll need to contact our <a href="https://www.gov.uk/check-uk-visa">International Services Team</a>.
