Selection process
Applications will only be submitted to the selection panel if you meet the eligibility criteria and hold an unconditional offer of study for a place at either of the MA Translation programmes by the closing date of 31st May 2019. Scholarships are awarded only on the basis of academic excellence, if you would not otherwise be able to take up a place at Essex. We will use the information you provide on your original course application and your scholarship application to make our selection.

The final selection is made by a panel of academic and administrative staff of the University of Essex.
Receipt of the scholarship is subject to applicants firmly accepting the offer of study, registering as students of the University of Essex for the 2019-20 academic year, and meeting all conditions of our offer. No alternative form of the scholarship is available and the award cannot be deferred to a later year from the one for which you are admitted.

**Successful applications**
Successful candidates will be notified by mid-June 2019.

**Scholarship payment**
The scholarships will be awarded in the form of a discount on tuition fees for the 2019-20 academic year only and cannot be deferred to a later year or a different course from the one for which you are admitted. You will be required to pay any balance of tuition fees from personal or other funds.

**Combining with other awards**
You may only receive one award administered by the University of Essex. In the event that you are a successful Latin American Scholarship applicant, but are already in receipt of another University award (including the Alumni Loyalty Discount), the larger of the two awards will be kept and the other released.

**Resolution of disputes**
Acceptance of this award constitutes acceptance of these terms and conditions. Registered students should contact the Student Funding Team in the first instance for guidance regarding this award. In cases not covered by the above terms and conditions, or where a student claims exceptional circumstances, or disputes a decision not to make payments due under an award, final appeals on decisions regarding eligibility must be made via the Student Complaints process. The Academic Registrar or his/her nominee will review the case and his/her decision will be final.

**Promotional activities**
By accepting the scholarship, you give the University permission to use your details for promotional purposes and may be asked to provide a case study which may be used in University publications or on the website.

**NOTE:** These terms and conditions apply to Latin American Scholarships awarded to students for the academic year 2019-20. The University of Essex reserves the right to update these terms and conditions as necessary.
