1. CAMPUS AND ACCOMMODATION TOURS

Our Open Day is chock-full of things to see and do so we like to keep your day as flexible as possible. Tours of our campus and accommodation run separately every 20 minutes starting at 9.30am. Each tour is guided by a current student, giving you the perfect opportunity to get the low-down on student life.

All tours will last around 40 minutes and will depart from our Tour Departure Point in The Gateway Building.

2. THE FORUM

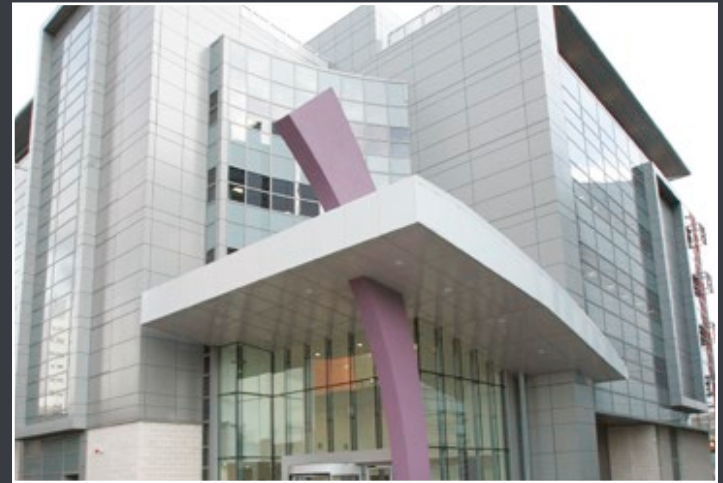

This swanky building is the hub of the University, with a library, teaching spaces and a 24-hour learning hub.

Check-in for the Open Day here! and grab yourself a hot drink in our Welcome Cafe! This is also where you'll find our Welcome to Essex and Student Finance talks, academics and Student Services.

3. THE GATEWAY BUILDING

Houses our academic departments and provides state-of-the-art teaching facilities.

This is where our Tour Departure Point will be, and some of our departmental talks will be happening here.

4. SU LOUNGE

Come and enjoy a cup of tea and cake with us, watch some student performances and get involved in a range of fun activities!

WE ARE ESSEX

"The School is a big source of pride for me, because of how innovative and pioneering it is. We run the only dental hygienist-to-therapist programme in the country and established an academic dental clinic where students can actually treat patients and learn first-hand."

Professor Phil Cannell
Professor of Oral Health Science

"Nursing is a career with lots of ups and downs, but I still think it's the best job ever. I would never do anything else. Some people say it's a funny move, to go from clinical practice to teaching, but I'm passing on my experience and knowledge to the next generation, so to me, it's really fulfilling."

Dr Annemarie Brown
Lecturer for Adult Nursing

"This is going to sound really cheesy, but my number one aspiration is to do something that makes me happy. My main goals are to travel as much as I can and make as much art as I can, and just see how it goes!"

Irina Anghel
BA World Performance

"In life, I'm looking forward to being independent and spontaneous and going on so many adventures. I've swapped to a year abroad so hopefully I'll get to meet new people and experience different cultures. Don't think too much, don't over-complicate. Just be in the moment."

Afaq Butt
BSc International Business and Entrepreneurship

We hope you've had a great day in Southend and have had all your questions answered! Your opinion is important to us so if you have a spare 5 minutes we'd love you to complete our survey which will be emailed to you shortly after your visit.
