Choose Essex for an education that’s focused on you. Study here for more than a great degree. Learn to value opinions that differ and develop the confidence to make your own decisions.

Use this prospectus to find out whether we are right for you.

We’ve got so much to offer...

- With over 160 clubs and societies to join, we’ll make sure your Essex experience is completely unforgettable.
- If you’ve got the Essex spirit of adventure you can study or work abroad as part of your Essex degree!
- Love to challenge why? You can get involved in the ground-breaking research our academics are undertaking.
- University life extends beyond lectures and exams, there’s so much to explore across the county you will never run out of new experiences.
- Preparing for life after graduation is tough, but we’ll help you feel ready to achieve your goals and give you career support for life.
- Whether you’re a full-time or part-time student, live on campus or further afield - whenever and wherever you need help, we’re here for you.

“Choosing Essex has been one of the best decisions I’ve ever made. The facilities are second to none, and the student support is excellent. I would highly recommend Essex to anyone looking for a challenging and rewarding education.”

SURAJ CHADHA
BSc Accounting and Finance

“One of the things I really appreciate at Essex is that it’s given me a chance to get a wide range of work experience. In my final year I worked as a Student Recruitment Marketing Frontrunner. It was a creative role which gave me a range of useful experiences, including blogging, managing social media, photography and interviewing students!”

ANIA ROMANKIEWICZ
BA Modern Languages

“My faith is my identity. It’s been a very personal journey - a journey of self-discovery. A lot of self-discovery happened for me at uni, I’m learning more about my religion and I’m understanding it more. Friends will ask me to tell them about being Muslim and I’m like ‘I don’t know myself, but I will find out and I’ll get back to you!’ That’s something that Essex brings - there’s a lot of diversity and people get to ask questions.”

RASHEEDAT OLARINOYE
BSc Computer Science

“The services provided for emotional and mental support here are excellent. Going through what I did I was able to speak to someone. You can tell that Essex cares a lot about their students and their emotional needs. There is so much available.”

- Essex Collection of Art from Latin America (ESCALA)
- Campus allotment
- Sports pitches and parkland
Located within Wivenhoe Park, our Colchester Campus is surrounded by beautiful landscapes and wildlife, providing the perfect place to study, live and relax.

The centre of campus is buzzing with life, from Thursday Street Market, to international cultural celebrations; it’s a vibrant hub bringing together students and staff from over 130 countries.

**THINGS TO DO**
Whether you want to catch a film at the cinema, compete in the pub quiz, watch a show in the theatre, have a BBQ by the lake or dance the night away in our nightclub; our Colchester Campus has it all.

**FOOD**
Keeping your brain fuelled for study is a high priority, so you'll never struggle to keep hunger away on campus. From fresh, healthy lunches at the STEM Centre, coffee shops (complete with pastries and cake), pub grub, fast food and restaurant-quality eateries, there’s something to satisfy every craving.

**STUDY SPACES**
- The Albert Sloman Library overlooks the lakes and parkland at the heart of our Colchester Campus. Open 24/7, it has six floors of resources and a variety of study spaces. We also provide free printing for all our students – we know you have better things to be spending your student loan on!
- Interactive and coffee-friendly group study spaces, such as the Limehouse, Silberrad Student Centre and the Orangery, are dotted around campus.
- Computers, scanners and printers are all available in our IT labs – we have screens in the centre of campus so you know where you can find an available computer.
You’ve got everything you need in one place at our Colchester Campus. With shops, restaurants, bars, a theatre, a cinema, a hairdressers, and even a nightclub; it’s possible to survive your time at Essex without ever actually leaving campus.

- The Silberrad Student Centre offers 24/7 access to computers and study pods. The Centre is also home to our Student Services Hub - your go to place for any questions.

- Our new Sport Arena has 1,655 seats and international standard facilities for staging televised sporting events. The Arena contains eight badminton courts, three basketball courts, three netball courts, five volleyball courts and two futsal courts.

- The Lakeside Theatre showcases student and professional productions. Whether you’re a keen actor, interested in production, or just enjoy an evening at the theatre, this is perfect for students interested in the arts.

- Essex is the world in one place, so we bring together a mix of faiths and beliefs from across the globe. Our multi-faith space is a place to practice or explore faith, either on campus or by connecting you to a local place of worship.

- You also have access to a NHS health centre on campus, and if you require childcare during your time at Essex, we have a day-time nursery.

- The STEM Centre includes a 180-seat wet lab for our School of Life Sciences and a learning space to enable collaboration between students in our Faculty of Science and Health.

- Essex Business School is the UK’s first zero carbon business school building, featuring a winter garden, café, quiet study spaces and a virtual trading floor.

- We have a functioning hospital ward with robot patients, which can simulate a range of medical conditions for our healthcare students.

- Essex Law Clinic offers initial legal advice to the local community. Law students have the chance to work alongside practising lawyers and advise real clients to gain hands-on experience.

- Our interpreting training lab can be used to interpret conferences of up to 20 people. You can use the lab as part of your studies, giving you the tools you need to become an expert interpreter.
Essex has got it all. From arts, culture and water sports, vintage shopping and ghost walks, to walks around the beautiful countryside, plus the best gigs around. The hardest bit will be fitting it all in...

- We are surrounded by coastline at our Colchester Campus, perfect for a sunny day out at Wivenhoe, or some water sports on Mersea Island if you're seeking an adrenaline rush.

- Soak up a little bit of culture in Britain's oldest recorded town; visit the Norman castle, delve into some contemporary art at Firstsite Gallery or enjoy a show at the Mercury Theatre.

- For lazy Sunday afternoons away from campus, head up to Castle Park for a breath of fresh air, pamper yourself at Aqua Springs spa, hire a rowing boat in the tranquil Dedham Vale or head to Colchester Zoo.

- Get your adrenaline pumping outside the gym with skating and roller disco at Rollerworld, trampolining at Jump Street or immerse yourself in the Ninja Warrior experience.

- For when you're heading out-out, check out Three Wise Monkeys for craft ales and the underground gin bar, dance the night away at one of the many bars with live music and DJs, or head to a concert at Castle Park.

- When that student loan comes in, shop 'til you drop in Colchester town. There are vintage markets, big names and department stores, as well as quirky indie shops tucked down the historic lanes.
1. THE FORUM

8. SEAFRONT
- Southend Pier
- Adventure Island amusement park
- Beach and promenade
Set on the Thames estuary with fantastic transport links, our Southend Campus is the perfect place for living and learning. The campus is based in the heart of the town, surrounded by more than 300 places to eat, a vibrant nightlife, independent boutiques, museums, an international airport, and of course a seven mile beach front!

**THINGS TO DO**
Nip to the beach – with a pier long enough to warrant its own train and seven miles of seafront, the seaside is calling, be it for a sunny Saturday or a winter stroll with a bag of chips. Shopping and lunching more your thing? No problem – we have that covered too. And if you get itchy feet and fancy an adventure, the train and plane links make weekends away easy.

**COMMUNITY SPIRIT**
As a smaller campus, Southend offers a close-knit community from all around the world. Our SU Lounge is fully run and owned by students and is the perfect spot to relax with friends. Whether you want to grab a coffee, play a computer game or just hang out between classes, this is your home away from home.
As a town-centre campus, studying in Southend gives you all the conveniences of urban living as well as university specific facilities, so you can really make the most of your time with us.

**STUDY SPACES AND FACILITIES**

- **The Forum** building offers a 24 hour learning hub with modern study spaces and access to over 150,000 books, ideal for an all-nighter spent essay writing (not that we'd recommend it of course).

- **The SU Lounge** is great for catching up on reading, settling down with your laptop or just relaxing with a good book.

- Make the most of being in the **town centre** and find yourself a cozy corner in your favourite café to crack on with some work with a cappuccino.

- **Our Faith Centre** in The Gateway Building is the perfect space to practice and explore your faith.

- Set in a converted Gothic church, **Clifftown Theatre** is home to our East 15 students and it’s where they showcase their work. Whether you’re a keen actor, interested in production, or just enjoy an evening at the theatre, this is the place for you.

- **Our Dental Skills lab** is equipped with phantom heads for our Oral Health Science students to practice using equipment such as ultrasonic scalers.

- Nursing students have access to a **mock ward** for practising clinical skills before placements. There is also a **multi-skills lab** set out like a living room and bedroom to replicate community-nursing settings, such as a care home.
Beyond

Southend seafront is an easy escape for when your studies are getting stressful. Aside from the pier and beach to enjoy, there’s also Adventure Island if you fancy a rollercoaster ride, or the aquarium for checking out some marine life.

Get some fresh air and explore one of Southend’s many parks and nature reserves such as Prittlewell Square Gardens, next to Clifftown Theatre. It’s a great alternative to the beach for enjoying the beautiful Essex sunshine.

If history is your thing, why not visit one of Southend’s four museums and discover the history of our seaside town? Nearby Hadleigh Castle dates back to the thirteenth century. Though much of it has been destroyed over the centuries, the ruins provide a fascinating place to explore.

With two train stations to choose from, both with links to London, the capital is just 50 minutes away. Whether it’s a trip to the West End, a proper night out, or a shop ’til you drop Saturday, it’s all just a train ride away.

Did someone say city break? Southend has its own airport with direct flights to Copenhagen, Ibiza, Dubrovnik and Prague to name a few. “books long weekend in Paris”
Dedicated to our East 15 Acting School, our Loughton Campus sits on the edge of East London. Just a tube ride away from the bright lights of the West End, but situated in the grounds of a picturesque Georgian house, our East 15 students enjoy the best of both worlds.

**FACILITIES**

- A beautiful Georgian house, Hatfields, is the heart of our Loughton Campus. Set in five acres of green land, the site boasts 28 rehearsal spaces, a dance studio, radio recording room, a large café and common room space, Mac editing suite, library, screening rooms and the school’s own, fully equipped theatre.

- **Roding House** is a £1.3 million facility containing the School’s Joan Littlewood Studio Theatre, 10 rehearsal rooms, a green room, sound recording studio, video editing suite and a costume department.

- **Home to our Stage and Production Management Department, Unit Four** is a £1.5 million facility containing a large workshop, paint shop, prop department and teaching spaces.

- **Based on the Hatfield site, the Corbett Theatre** is a unique performance and learning space. The theatre is a converted barn, transformed into seating for 130 people, equipped with dressing rooms and full technical facilities. East 15 host many public performances throughout the year here, alongside lectures, rehearsals and technical classes.

**BEYOND CAMPUS**

- It’s not all work and no play in Loughton. The campus is just a five minute walk from the nearest London Underground station, Debden. Take a thirty minute ride into Central London for West End theatres, shopping, and all other mainline stations for any last minute weekend trips.

- The campus is situated on the edge of Epping Forest, a 6,000 acre ancient woodland, ideal for a study break in the fresh air.

- The centre of Loughton is a short stroll away from our campus. Treat yourself to some shopping in the independent boutiques, or ditch the pot noodle one night and head out to one of the many restaurants and pubs.

**ACCOMMODATION**

Our Loughton students live off campus in the nearby town, giving you the flexibility to choose between a shared house, living with a landlord or letting a whole house. And don’t worry about figuring it all out, our Student Services Team will be on hand to help you find the perfect home.
OPEN DAYS
Open Days are your chance to find the place you will forever call your second home — they’re a pretty big deal. You probably think an Essex Open Day is the same as all the rest, and of course, we’ll show you all the important stuff, but we don’t stop there.

THE DETAILS

You are guaranteed accommodation for your first year of study – just make sure you've had your place confirmed, accepted your academic offer, any conditions have been met, your application is received by the published deadline, and you accept your accommodation offer.

Where price variations are shown, the price varies depending on how many rooms are in the flat.

LIVING ON CAMPUS
Included in your rent is Wi-Fi, heating, hot water, contents insurance, electricity and the cleaning of communal areas (such as kitchens) – so no need to argue about whose turn it is to hoover! Also included, for those living on our Colchester Campus, is an Essex Sport Silver membership package.

Rooms are normally let for the full academic year from late September to the end of June, which means that even if you’re away from the University during the winter and spring vacations, you don’t have to remove your things from your room.

We also offer:
- Single gender flats
- Adapted rooms
- Self-contained accommodation for single or double occupancy
- Shared twin en suite rooms and studios

We cannot guarantee accommodation for first year students who are accompanied by a partner, but we'll do our very best to help. Just make sure you get in touch as early as you can if you think you need to talk to us about any of this.

askthehub@essex.ac.uk

SETTLING IN
You'll have a Residents’ Assistant based in your area of university accommodation who'll meet you soon after you arrive. They’ll make sure that you have opportunities to get involved in university life and social activities, and provide support outside of office hours.

LIVING NEARBY
The Students' Union offers a house-finding service, SU Homes, from our Colchester Campus. They provide support for everyone moving off campus, including helping you to find your ideal property, and completing property and landlord checks to ensure your safety.

We won’t write your story, but in the words of our students, here are some of ours.

**GABIJA’S STORY**

I did my undergraduate degree here and I’m continuing with my postgraduate studies here; MSc Conflict Resolution. I feel like the University of Essex was a very big part in shaping who I am; shaping my confidence and shaping my interests. Not just in politics in general, but in life too. I think Essex gives you the opportunity to be who you want to be, and who you are. It gives you a chance to test yourself and do different things.

Gabiija

My biggest inspirations are my family and friends. The people I have worked with and the people I call best friends; they are doing so well. We keep encouraging each other to keep going and seek our dreams. As for my family, they have always been supportive of me, they always allow me to follow my dreams.

When I graduate I would really like to work with international organisations trying to make the world a bit more peaceful. I would really love to do some work with NATO, especially now NATO is very focused on Eastern Europe and Lithuania, my home country. I would like to be a part of that.

**ALEXANDRU’S STORY**

I’m really close with my brother, he was my motivation to come here. He would tell me stories about Essex and the things he’s done, like volunteering. I was a Red Cross volunteer co-ordinator back home. I’ve also volunteered at music and film festivals.

Here at Essex I’m part of the VTeam (Volunteering Society). I’m a project leader for a music project – we go to schools and teach kids how to play instruments. Outside of that, I am interested in volunteering that helps the community and environment.

RASHEEDAT’S STORY
My faith is my identity. It’s been a very personal journey - a journey of self-discovery. A lot of self-discovery happened for me at uni, I’m learning more about my religion and I’m understanding it more. ALEX’S STORY
I worked really hard last year because I was Head of Radio for the Students’ Union. I launched the station and had an amazing experience which should help in my future. It’s weird to think that in ten years’ time there will be that radio station that we created. I am really proud of being involved in the station, there are loads of people getting involved in our shows, all hours of the day.

NIYI’S STORY
I want a lot of things out of my acting and performance career. I want to do what I’ve been taught to do here – that community side of things – going to schools and doing Theatre in Education. For me, the reason people love theatre is because you get into character. I think there’s something special about creating a world to show children and saying ‘this is where your life could potentially go’. I’d like to think it affects them differently.

CAMILA’S STORY
I’m from Brazil and I’m the first in my family to study abroad, and the first to get a higher education too, so getting to Essex is one of my biggest achievements. My parents are very, very proud. They miss me, but they understand that it’s for a bigger purpose. If I could give someone starting their journey any advice I would say don’t compare yourself to others. You have your own path, your own life. Do your best, your own best, and that might not be the same as for others.

Outside the Classroom

We all know the importance of what you learn inside the lecture theatres and seminar rooms, but what about the stuff beyond it?
We know that university life isn’t always plain sailing. That’s why we’re here for you if you need some information, advice or support.

**STUDENT SERVICES**
Our Student Services Hub is a one-stop-shop for practical advice or confidential guidance, on everything from accommodation to how to cope with homesickness.

**ACCESS AND DISABILITY**
If you have a disability, medical condition or specific learning difficulty, a specialist adviser will be on hand to talk you through alternative exam arrangements, lecture recordings, assistive software, access and more. You’ll also have a specific contact within your department and an SU Disabled Students’ Officer to represent you.

**MENTAL AND EMOTIONAL HEALTH**
Everyone has mental health – sometimes good, sometimes not so good. You may have been diagnosed with a mental health condition, or you may be feeling low, stressed, depressed, anxious, angry or even like life isn’t worth living. Whatever your concerns are, our Student Wellbeing and Inclusivity Service is here to help.

**MATURE STUDENTS**
The mature student community is a diverse one and if you’re over the age of 21 at the start of your course, you’re part of it. Many of our students are mature students, so we have a real understanding of the challenges that come when combining studies with other responsibilities. At Essex there is a range of support and guidance available, and also an SU Mature Students’ Officer to represent you, so you can enjoy your studies and life as a student.

**COMUTING STUDENTS**
We have many students living in the local area and beyond who make the daily trip onto campus. It’s important to know that everything on campus is for you too, and that you can join in university life to the full.

For more information on our support services, including information for care leaver students, estranged students, student carers and students with children, visit our website.
ON CAMPUS
Our SU run an entire town on our Colchester Campus, complete with shops, cafés, bars, a nightclub, restaurants and even a hair salon. If you're based in Southend you can grab a coffee, play Xbox or PlayStation and chill out between lectures at the SU Lounge.

HEIRLOOM
When you join our SU you'll receive your Heirloom charm. Each Heirloom is inscribed with a number, which is passed on from alumni to undergraduate. That shared number shows that Essex students are a community, united by their desire to make a difference.

GET INVOLVED
At Essex, we want you to challenge everything and push yourself, but why stop in the classroom? Our SU offers membership to over 100 societies, catering to every taste. Plus if we really don't have a group for you, we'll help you set up your own.

STAY ACTIVE
Sport more your thing? We have over 40 teams from those you might expect like football, rugby and netball, to sports you have never tried before. From Fencing to MMA, we've plenty to keep you busy.

AND THAT'S NOT ALL...
We make sure you are never bored with activities day and night to keep you occupied. Our cinemas show the latest films, we have quizzes in the bar, open forums for heated debates and much more.

Students run the Students’ Union. You become an automatic member when you become an Essex student. You decide what gets stocked in our stores, what drinks we serve in our bars, and what we campaign for together. Whatever you want to do, we’re here to make it happen. Nothing is too big or too small.
Wannabe Olympian? Looking for a new sporting challenge? Or maybe you just like looking after yourself? Whatever your sporting level or interest, our facilities have something for you. No matter your skill level, no matter your experience and no matter which campus you study at, we are committed to making sport at Essex for everyone.

GYM AND FITNESS CLASSES
Our on-campus gym in Colchester is our most popular sporting facility, with 160 workout stations and more than 100 fitness classes per week – that’s enough to keep you busy whether you’re a gym newbie or a seasoned workout pro!

TRY SOMETHING NEW, WE DARE YOU
If you want to try a new sport but don’t fancy joining a team, no worries! Active Campus sessions are open to all and free for Essex Sport members. They’re a great way to dip your toe in the workout water without committing to regular training. Plus, our ‘Learn To’ courses are ideal if you want to try a new activity.

SPORTS TEAMS
Looking for something more? Our Students’ Union is home to the Essex Blades – over 40 sports clubs who compete locally and nationally. Be warned, you’re highly likely to develop a strong allegiance to the Blades, especially around Derby Day!

TOP OF YOUR GAME
If sport is more than a hobby to you, welcome home. At Essex we can support your personal development, offering coaching opportunities in an official or volunteer capacity. We also offer work placements within Essex Sport, plus our strong partnerships with sports organisations and national governing bodies mean we can help build your CV with practical sporting experiences.

Undergraduates can also receive sports bursaries worth up to £3,000 a year, aimed at those of you looking to combine education with the pursuit of a sporting career following graduation.

COLCHESTER FACILITIES
Covering 50 acres, our outdoor sports area includes an 18-hole disc golf course and all-weather tennis courts, plus there’s plenty of space to have a kick about with friends or enjoy a run around the lakes. In 2018 we opened our Sport Arena, built to international sporting standards. It boasts seating for 1,655 spectators and includes 20 courts for basketball, netball, volleyball, badminton and futsal.

SOUTHEND FACILITIES
As a student at our Southend Campus you’re bang in the centre of Southend with access to a vast range of activities. Kitesurfing and swimming are a stone’s throw away if you can brave the cold! Plus, our exclusive arrangement with Simply Gym in Southend offers you 24/7 access to the gym, equipment and fitness classes so you can keep fit around your studies at a time to suit you.
Study or work abroad and learn a new language – best start packing your suitcase, a whole world of opportunity awaits at Essex.

Want to travel the world as part of your degree – we don’t blame you. Many of our courses have study abroad options, where you can complete an additional year, or term, of your course at a partner university. We offer year abroad placement opportunities too!

Courses with the option for a study abroad year will have an A symbol on our subject pages.

How about learning a language on top of your studies? Our Languages for All programme gives you the chance learn a new language whilst at Essex, for free! All our students are offered the opportunity to learn a language alongside their studies, for a year, at no extra cost – so why not?

How better to prepare for building your career than by immersing yourself in the industry as part of your course? Many of our degrees offer the option of a placement year, giving you the opportunity to gain real-world experience relevant to your chosen career path. Your course will extend to four years, with year three taken in placement – in the UK or abroad.

Courses with the option for a placement year will have a symbol on our subject pages.

Fancy earning some extra cash throughout your studies – surely that’s a no brainer?

- Get paid to spread the word about Essex and share your student experience – apply to be a Student Ambassador. You’ll work at events such as Applicant Days and Open Days as the face of Essex… no pressure.

- If you’d rather bar work, waitressing or shelf stacking between your studies, there are plenty of roles available within our SU establishments. Our shop, SU Bar and restaurants are often recruiting.

- Perhaps you’d like to earn some extra cash gaining experience in a field relevant to your career goals – our Frontrunners scheme could be just your thing. We offer part-time, short-term placements in various departments across the University, giving you the chance to gain significant work experience right here at Essex!
We're giving every Essex student the chance to help others. Get involved in social action projects that you care about with support from Essex Change Makers.

We know that finance often prevents many of our students undertaking extra projects. Essex Change Makers removes the financial barrier to unpaid social action work, by providing bursaries to enable you to commit time to the projects and causes you feel passionate about.

This initiative will help you identify, deliver and evaluate a social action project that’s important to you. By getting involved, you will be supporting the causes you care about whilst building the skills, confidence and experience employers are looking for.

At Essex we offer a range of degrees with a Year Zero pathway (foundation year) for UK and EU students, so whatever your educational background, you could have a future with us.

If you don’t meet the entry requirements for a particular degree course, then a Year Zero pathway could be your way in. It’s designed to improve your academic skills and subject-specific knowledge, and fully prepare you for undergraduate study. If you successfully complete your Year Zero, you’re guaranteed a place on the first year of your degree.

Typically, courses with a Year Zero pathway require 72 UCAS points from at least 2 A-levels, with some courses having additional requirements. If this doesn’t quite fit your situation, we’d still like to hear from you. We approach our Year Zero applications on a case-by-case basis, so get in touch.

You can see which of our courses are available with a Year Zero pathway (foundation year) on the subject pages, just look out for the or icons.
Using our research to build a world that can tackle the challenges we face.

We're home to some of the most talented researchers on the planet. Across our academic departments, our students and staff are finding innovative ways to challenge the status quo and create new knowledge.

At Essex you are taught by specialists who are actively engaged in their field. This means that your learning stems directly from the latest knowledge in the subject area.

Looking ahead, if postgraduate study is on your radar, working alongside leading academics sets you up for a career in research.

We need to build a world that can tackle the challenges we face – whether social, economic or environmental. Being part of the Essex research community will give you the support and resources needed to make a difference.

OUR RESEARCH IS...

- Boosting sustainable food production
- Improving public sector accounting in emerging countries
- Ensuring reconstruction efforts in Syria comply with human rights
- Improving working conditions for women in factories in Sri Lanka
- Helping the police to combat ethnic and racial harassment
- Improving the management of mental health at work
- Using historical documents to solve today’s business problems
- Preserving European native oysters
- Changing the national debate and influencing pay-gap policy
Here’s the information you need about making an application and financing your studies.
Here comes the important part. For further information on any of the topics listed, visit our website. If you have any other questions, please get in touch with the Undergraduate Admissions Office.

admit@essex.ac.uk

THE APPLICATION PROCESS

How do I apply?
Applications for the majority of our courses can be made via either UCAS.com or our Direct Admissions Form on our website. If you are applying to other institutions or already have a UCAS application, you will not be able to use our Direct Application Form.

The exception to this is applications to BA/FdA Therapeutic Communication and Therapeutic Organisations, which must be made via our Direct Application Form.

The majority of our courses at East 15 Acting School require a direct application to the school as well as UCAS.

When should I apply?
If you are applying for October 2021 entry, you can do so from September 2020 onwards. The majority of our courses will remain open until 30 June 2021. A small number of our courses may close on or after 15 January 2021.

Next steps
When we receive your application, it will be considered by our Admissions team. We will take into account your whole application - including your qualifications, personal statement and reference.

If you applied through UCAS, your UCAS Track will officially inform you when a decision has been made on your application. You'll also receive information from us if we make you an offer. Once you've received a decision from all your choices, UCAS will ask you to accept one offer as your firm (first) choice and one offer as your insurance (second) choice via UCAS Track.

If you applied via our Direct Admissions Form you will receive all the information you need from us. If we make you an offer, via your myEssex applicant portal, you will need to follow the instructions provided in your offer letter to accept your offer.

Applicant Days
If you're based in the UK, you are likely to be invited to an Applicant Day which may include an interview (depending on your subject). These days offer you the chance to find out more about your course, meet our staff and students and have a look around our campus. Some of our courses require a compulsory interview, if this is the case it will be clearly stated on your invitation.

essex.ac.uk/applicant-days

Confirming your place
If your offer is conditional and you go on to meet the conditions specified within the communicated deadlines, we'll confirm your place if you have accepted us as your firm or insurance choice.

If your results don't quite meet the conditions, we may still confirm your place, or you may be offered an alternative course. You may be offered a degree with a Year Zero pathway if you are a UK or EU applicant (see page 57).

Flexible offers
Eligible applicants could receive a dual offer which includes a flexible offer. This means that if you choose Essex as your firm choice by the relevant deadlines, you are guaranteed to have your place confirmed should you meet the Flexible Offer stipulated in your offer letter.

A Flexible Offer will specify alternative entry requirements to those published in our prospectus and online, meaning that if your grades aren't what you hoped for when you receive your results, you could still secure a place with us.
Requirements for all applicants
Our general entrance requirements are a minimum of two full A-levels and five GCSEs at grade C/4 or above, including English or equivalent. Some courses may also have additional A-level or GCSE subject requirements which you’ll find on the relevant subject pages. If you don’t currently meet our requirements, contact our Undergraduate Admissions office for advice.

EU and international students
If you’re from outside the UK, we can make offers based on EU and international qualifications that are considered equivalent to our standard A-level offer.

English language requirements
You are required to have GCSE English at grade C/4 or above (or equivalent). You can demonstrate your level of English language by achieving a specified score in IELTS or another equivalent test that we accept. You don’t need to achieve this level before making your application, but it will be one of the conditions of your offer.

For current details of our English language requirements, including UK Visas and Immigration minimum component scores, visit: www.essex.ac.uk/see/ug-intl-english (for applicants who require a Tier 4 visa) and www.essex.ac.uk/see/ug-eu-english (for EU/EEA/Non-Tier 4 applicants).

Pre-sessional and English language courses
We offer pre-sessional English language courses at the University of Essex International College (in partnership with Kaplan International Pathways) which can be taken before your degree if you are an EU or international student and do not meet our English language entry requirements. Upon successful completion of the pre-sessional, you will be able to proceed on to your degree course without having to retake IELTS.

Languages
First-language speakers of a modern language will not be able to study that language as part of a Modern Language degree.

To study Portuguese as a major language, applicants must have either an A-level (or equivalent) in Italian, Spanish or Portuguese, or have a first-language fluency in Italian, Romanian or Spanish.

OTHER USEFUL INFORMATION

Admissions Policy
For information about our Undergraduate Admissions Policy, visit our website.

Disability and Health
When you apply you can declare whether you have a disability or health issues so we can provide support. Declaring a disability or health issue will not form part of our decision making and we are dedicated to offering equal opportunities to all. We have a team of disability and wellbeing advisors, dyslexia tutors, and other specialist staff. See page 46 for more information.

Transferring to Essex from another university
We’re happy to consider applications for entry to the second or final year of study for most of our courses. Further details can be found on our website.

DBS and Occupational Health Checks
Some courses require you to undergo a Disclosure and Barring Service check (DBS), when working with children and/or vulnerable adults, and an occupational health check.

DBS and Occupational Health Requirements
If you require a visa to study in the UK, you’ll need to apply under Tier 4 of the UK Government’s Points Based Immigration System (PBIS). The status of EU students may be subject to review should the terms of the UK’s withdrawal from the European Union change the status of EU students.

Immigration and applying for a visa
If you require a visa to study in the UK, you’ll need to apply under Tier 4 of the UK Government’s Points Based Immigration System (PBIS). The status of EU students may be subject to review should the terms of the UK’s withdrawal from the European Union change the status of EU students.

International College (in partnership with Kaplan International Pathways)
For information on pathway courses for international applicants at the University of Essex International College, please see page 119.

Deferred entry
The majority of our courses enable you to take a gap year. You can apply in the normal way but you should indicate your year of entry on your UCAS application. Applications for deferred entry will be considered on the same basis as those of entry in the year which you apply.
Your tuition fees are invested to provide you with a transformational education. They help us to create the stimulating and cutting-edge environment that supports the world-class research and education we offer at Essex.

TUITION FEES
UK and EU Students
- Our fees for the academic year 2021 - 2022 for UK and Channel Islands students will be £9,250.
- EU fees for the academic year 2021 - 2022 have not yet been confirmed. Updates will be available on the government website.
- Fees will increase for each academic year of study. For full-time undergraduate students with a Home fee status any fee increases during your programme of study will be limited to the annual increase in the RPI-X index.

International Students
- Our full time international fees for the academic year 2021 - 2022 are £16,850 - £19,670. For a full list of all international tuition fees please check our website.
- For students commencing their studies in the 2021-22 academic year, your fees will increase for each year of study. This annual increase will be either 5% or the annual increase in the RPI-X index, whichever is higher.
- If you would like advice on whether you’d be considered as an international student in relation to your tuition fees please contact our Undergraduate Admissions Office: admit@essex.ac.uk
- The UK Council for International Student Affairs (UKCISA) can also give you advice and information on fee statuses: ukcisa.org.uk

ACCESS TO LOANS FOR UK AND EU STUDENTS
- The UK Government provides UK students with a tuition fee loan (subject to eligibility criteria), meaning you will not have to pay your tuition fees upfront or during your course.
- With Brexit negotiations ongoing, at the time of publication it is not clear whether EU students starting their studies in 2021 will be eligible for a loan for the duration of their course.
- UK students can also take out a maintenance loan to help cover living expenses for your time at university.
- You will only start repaying a maintenance loan when your income reaches a certain level, and if your income drops below this at any point your repayments will be stopped.
- Funding will be offered to continuing students as well as new course entrants.
- If you require a Tier 4 visa to study in the UK, as part of the visa application process you may be asked to produce evidence of your ability to pay tuition fees and to cover living expenses during your course. Find out more about the current Home Office requirements on our website: essex.ac.uk/immigration
- If you’ve previously studied at a higher education institution this may affect the amount of financial support available to you. Please contact our Student Funding team with any queries about this or anything else funding related: funding@essex.ac.uk
- If you’re interested in earning some extra money during your studies there are plenty of part-time work opportunities at Essex. See page 54 to find out more about jobs offered within the University.

HEALTHCARE GRANTS
- From September 2020, students studying the nursing and allied health subjects will receive a non-repayable and non-means tested (universal) grant of at least £5,000 a year, in addition to existing mainstream student support. Funding will be offered to continuing students as well as new course entrants: thefundingclinic.org.uk/undergraduate

At January 2019 prices, the minimum sums required for living expenses (for a single student) in 2019-20 were estimated to be between £8,429 - £14,073 for a 39-week course. This includes the cost of a single room in University-provided accommodation, as well as an allowance to cover food and other necessary expenses: essex.ac.uk/living-costs
- We offer scholarships and bursaries to support students, including those from lower income households. Additional support for UK students includes bursaries for care leavers and students with refugee status. Find out more about funding opportunities on our website: essex.ac.uk/ug/scholarship
- If you are an EU student, we encourage you to research financial support offered in your home country. National grants or loans may be provided by your government or local careers service: gov.uk/student-finance
- The funding clinic can also offer advice on Tier 4 visas: thefundingclinic.org.uk/undergraduate
- Essex is one of the 15 universities that receive the most funding from the UK government: essex.ac.uk/fees

Every component of life is beautifully connected and studying biochemistry allows you to appreciate the processes of life at a molecular level. You are taught by an international team of experts at the forefront of their field, and in your final year you contribute to projects in our state-of-the-art research labs, learning to think and behave like a scientist.

"I had a great relationship with my research project supervisor, he was patient and always willing to explain. Essex has helped me grow in ways I didn't know were possible."

BIOMEDICAL SCIENCE

Biomedical science applies the concepts of biochemistry and cell biology to the study of disease. You learn about the onset, progression, diagnosis and treatment of diseases and are taught by research-active academic experts. You graduate ready to move into a career within the profession and with a strong grounding for entry on to postgraduate medicine programmes.

Children today face many challenges, from coping with unprecedented access to online media, to negotiating a more culturally diverse society. Many thrive whatever their circumstances; others find life more difficult to manage. You will build psychological, sociological and psychoanalytic knowledge and skills, laying the foundation for a career making a difference to children’s early experiences.

Victoria Lanum, BA Childhood Studies

“I chose Childhood Studies because I’ve worked with kids for years and it’s something I’m very fond of. Working with autistic children is the main focus of where I want to go with my degree.”

COMPUTER SCIENCE

Our lives would be unrecognisable without computing. Technology drives society, and computer science is developing faster than ever before. Computer games create imaginary worlds; AI and robotics enable you to understand how things and people behave and evolve. Social media, face recognition and cloud computing all have a basis in computer science.

CREATIVE WRITING

Are writers born or made? To write is to read widely, listen well and work hard. We teach you the skills you need to effectively express your ideas, and help you find and define your voice. You’ll learn from practicing writers who will nurture your imagination and promote experimentation in your work. We don’t believe good writers are born, they’re made at Essex.

The Times and Sunday Times Good University Guide 2020
If you’re interested in building a better, fairer society, criminology may be the course for you. You will engage with some of the most pressing dilemmas facing society today around crime, justice, social control, punishment, rights and citizenship. So be warned – adopting a criminological imagination will make you see your world in a completely new way.

Data is the new lifeblood of our society. From medicine to government offices, and market research to the environment; the collection and analysis of data is crucial to understanding how to create products and services. Data science, data analytics and statistics is about doing detective work, and your investigations will inform important decisions and predict new trends.

At Essex we don’t agree that “history is written by the victors”; we dig deeper, give voice to the powerless and work to uncover a true understanding of the past. We ask what makes history, what gets left behind – and why. History at Essex feeds your curiosity, provokes you to raise new questions and delves into hidden histories.

The Nursing and Midwifery Council (NMC) have set new standards for all pre-registration nursing courses. As such, our courses are subject to NMC approval and University of Essex validation. When validated, these courses are recognised by the NMC for the purpose of registration as a qualified nurse (adult or mental health).

You must also have a satisfactory Occupational Health Check and enhanced Disclosure and Barring Service Check (DBS) – both of these are organised by the University.

If English is not your first language you will require IELTS 7.0 overall with 6.5 in writing and 7.0 in all other components.

As part of the selection process, you will be required to demonstrate a good knowledge and clear understanding of the NHS Constitution and its core values.

## PHILOSOPHY

At Essex, philosophy is for the curious, for those who want to challenge received wisdom and creatively explore new ways of thinking and acting. We believe that philosophy is all about addressing the existential questions of human life, and gaining a critical perspective on the challenges we face today.

PSYCHOSOCIAL AND PSYCHOANALYTIC STUDIES

Are you a ‘people watcher’, fascinated by human behaviour and its meaning? Learn how psychotherapists work with troubled children or adults, and how to apply psychoanalysis to culture, politics and the arts. Looking beneath the surface, we explore the role of the unconscious mind in mental health, culture and society, and how psychosocial processes influence our everyday lives.

DOING OUR BIT

- We are currently committing £1 million per year to sustainability initiatives and projects and we are on track to hit our carbon emission reduction target of 43% by the end of the 2020/21 academic year.
- Our electricity is sourced from a company who supply only 100% renewable energy.
- The Green Impact accreditation programme helps us create effective sustainability plans.
- We have a dedicated Sustainability Team who are committed to improving the University’s environmental performance.
- Our campus food outlets offer compostable boxes and cutlery and biodegradable straws.
- #LittleChoicesBigChanges campaign encourages our students to save energy and recycle when living in university accommodation.
- Our Green Thumbs Gardening Society has a space for students to ‘grow their own’ on our campus allotment.

YOU CAN DO YOUR BIT TOO

When you’re finished with this prospectus, whether you’ve casually skimmed your way through or absorbed every detail, save the trees and pass it on to a friend, leave it in a careers library or pop it in your recycling bin.

The University of Essex International College, based at the University’s Colchester Campus, is operated by Kaplan International Pathways, a partner institution of the University of Essex. The college provides pathway courses and pre-sessional English language courses that prepare international students for progression to a University degree course. These courses are delivered and awarded by Kaplan.

Successful completion of a Foundation Certificate (available to international students in the subject areas of Humanities, Social Sciences and Science and Health) would enable progression to the first year of a relevant degree. An International Year One course (available to international and EU students, offered in Business, Economics or Law) would enable progression to the second year of a relevant degree at the University. Students who successfully complete their course at the University will graduate with a degree from the University of Essex.

Kaplan provides fantastic study opportunities to international students, and since 2005, thousands of students from every corner of the globe have started their path to success with a Kaplan pathway course.

For the most up to date course information, please refer to the Kaplan pathways website.

If your application to the University of Essex is successful, by accepting the offer you will be entering into a legal contract with us, subject to fulfilling any conditions included in your offer. Your rights and obligations to us and our rights and obligations to you will be detailed in the information that we provide once the offer has been made. Applicants and registered students must comply with the University’s regulations, policies and procedures as part of their contract. A full set of the University Regulations is available at: essex.ac.uk/regs
The full Procedures, Rules and Regulations of the University, governing how it operates, are set out in the Charter, Statutes and Ordinances and in the University Regulations, Policy and Procedures. www.essex.ac.uk/about/governance/regulations/students.aspx

QUALITY ASSURANCE AND TEACHING EXCELLENCE
We are registered with the Office for Students. That means we meet its requirements for course quality, student support and more. This includes meeting the expectations for standards and quality that are set out in the UK Quality Code for Higher Education. Our dedication to offering our students a transformational education has led to Essex being awarded the highest rating of Gold in the Teaching Excellence Framework. The gold rating shows the University delivers consistently outstanding teaching, learning and outcomes for its students and is of the highest quality found in the UK. Our top 20 ranking in the Research Excellence Framework means Essex is part of a very select group of universities that excel at both delivering excellence in education and research. www.officeforstudents.org.uk

COMPLAINTS PROCEDURE
The University is committed to equality of opportunity for all applicants, and the University’s admissions policies, procedures and processes are designed to ensure that all applicants are considered fairly, consistently and in accordance with professional standards. The Undergraduate Admissions Office strives to provide a high quality experience for all applicants throughout the admissions cycle. In the event that an applicant is dissatisfied with any aspect of the University’s admissions process, procedure or policy and wants to submit a formal complaint, they can do so via the ‘Complaints policy for applicants’. This policy can be found in full via the link in our Undergraduate Admissions Policy at: essex.ac.uk/admissions-policy

POLICY STATEMENT ON EQUALITY AND DIVERSITY
The University of Essex celebrates diversity, challenges inequality and is committed to sustaining an inclusive and diverse community that is open to all who have the potential to benefit from membership of it and which ensures equality of opportunity for all its members. We expect employees, workers, contractors, students and visitors to be treated, and to treat each other, with dignity and respect regardless of age, disability, gender identity, marriage and civil partnership status, pregnancy and maternity, race, religion or belief, sex, sexual orientation, socio-economic background, political beliefs and affiliations, family circumstances or other irrelevant distinction.

GOVERNMENT FUNDING
At the time of going to print, some detailed aspects of government funding had not been announced. As such, our figures are based on amounts for students entering in 2020, and may be subject to change or real-term increases. Visit our website for more information. essex.ac.uk/fees

TUITION FEE INCREASES DURING YOUR STUDIES
The tuition fees for 2021-22 have not yet been confirmed. We will publish them on the website as soon as they are available. essex.ac.uk/fees

For reference, the fees for UK and Channel Islands students commencing their studies in 2020 were set at £9,250. In previous years, the tuition fee has increased for each academic year of study. The 2020 fee was frozen but we do not know yet if, or when, this will change. Previous increases were limited to the annual increase in the RPI-X index.

Fees for full-time undergraduate students with a Home fee status (which currently includes EU students*) remain subject to UK Government approval.

For full-time undergraduate students with an international fee status, this annual increase will be 5% or the annual increase in the RPI-X index, whichever is the higher.

WE ARE ESSEX. WE'RE ON THE SIDE OF PEOPLE WITH GUTS – REBELS WITH A CAUSE. WE'RE ABOUT PEOPLE WHO LOVE TO LEARN HOW, BUT WANT TO CHALLENGE WHY. BUT WHY DO WE HAVE TO STOP HERE? WHY CAN'T WE TAKE IT FURTHER, TO THE BIT WHERE IT REALLY GETS INTERESTING? WE'RE ABOUT THE PEOPLE WHO HUDDLER OUTSIDE A CLASS LONG AFTER IT'S FINISHED BECAUSE THERE'S MUCH MORE TO BE SAID, MORE ARGUMENTS TO BE HAD. WE'RE ABOUT PEOPLE WHO ARE BOLD ENOUGH TO CHALLENGE INEQUALITY AND THE STATUS QUO. PEOPLE WHO DON'T EXPECT THE WORLD TO CHANGE SIMPLY BECAUSE THEY LIKED A FACEBOOK STATUS OR NODDED WHEN SOMEONE ELSE SPOKE. AT ESSEX YOU'RE NOT JUST A STUDENT, YOU'RE A MEMBER, SOMEONE WITH GENUINE LICENCE TO SHAPE WHAT GOES ON AROUND YOU. TO US IT DOESN'T MATTER WHERE YOU'VE COME FROM. WE'RE INTERESTED IN HOW YOU WANT TO GROW AND WHAT YOU WANT TO CHANGE. WE'RE AFTER PEOPLE WHO WILL HELP US PUSH THE FRONTIERS OF KNOWLEDGE. CHALLENGING CONVENTION IS IN OUR DNA. ALL OF WHICH LEAVES YOU WITH A DECISION: ARE YOU GOING TO SIT AND WATCH THE WORLD GO BY? OR DO YOU HAVE THE COURAGE AND ENERGY TO SHAPE IT? WE'LL HELP YOU EXPLORE, QUESTION AND CREATE POWERFUL IDEAS. WE'LL INTRODUCE YOU TO PEOPLE FROM EVERY CORNER OF THE PLANET, A GENUINELY GLOBAL COMMUNITY THAT LIVES, WORKS AND PLAYS TOGETHER. IF YOU GIVE UP AT THE FIRST HURDLE, ESSEX ISN'T FOR YOU. IF YOU WANT TO BE SPOON-FED A DEGREE, ESSEX ISN'T FOR YOU. IF YOU ARE BRAVE ENOUGH TO HAVE IDEAS AND GENEROUS ENOUGH TO SHARE THEM, WELCOME HOME.
