How to apply

If you meet all the eligibility criteria, you will automatically be considered for this award. You don't need to complete an application form. ITESM and the University will assess your eligibility based on the academic transcripts and certificates you submit with your application for your place at Essex.

Selection process

All students who meet the eligibility criteria and hold an unconditional offer of study for a place on any of the Masters courses specified in the link/partnership agreement between the University of Essex and ITESM by the end of August 2024 for October 2024 start, and by the 11 October 2024 for January 2025 start will be included in the final selection.

A panel of staff of ITESM campus Monterrey will make the final selection using the information students provide on their original course application.

Scholarships will be awarded based on academic merit only and will be given to the three students with the highest CGPA. In the case of more than three students having the highest CGPA, the selection panel will also consider the marks obtained in those modules more relevant to the Masters course the students are admitted into.

Receipt of the scholarship is subject to applicants firmly accepting the offer of study, registering as students of the University of Essex for the 2024-25 academic year, and meeting all conditions of our offer. No alternative form of the scholarship is available and the award cannot be deferred to a later year from the one for which you are admitted.

Notification

Successful applicants will be informed through their confirmation letter, by end of September 2024 for October 2024 entry, of any award to be offered.

Payment arrangements

- These scholarships will only be made as a partial waiver on the tuition fee that is payable on registration at the University.
- If you intermit from your course, you may, at the discretion of the University, be entitled to a pro-rata payment of the remainder of your award on your return to study. Please contact the [Funding Team](#) for further information.
