What is “Ordinary Residence”?

For the purposes of assessing eligibility for the scholarship, you must have been ordinarily resident in an EU country, for the three-year period prior to commencing your course. Ordinarily resident means that you must have been habitually, normally and lawfully, residing in the EU, from choice, for the specified period. The three-year period for courses starting in October 2024 is calculated as 1 September 2021 to 1 September 2024. Temporary absences during this three-year period may be permitted at the discretion of the relevant University officer. Students may be asked to provide

documentary evidence to determine ordinary residence and an assessment of whether a student meets the ordinary residence criteria will normally be made by the Head of Admissions or their nominee, and their decision will be final.

How to apply

If you meet all the eligibility criteria, you will automatically be considered for this award. You don't need to complete an application form. The University will assess your eligibility based on your country of domicile and fee status that you submit on your application for your place at Essex.

Payment arrangements

- These scholarships will only be made available as a reduction on the tuition fee that is payable on registration at the University.
- If you intermit from your course, you may, at the discretion of the University, be entitled to a pro-rata payment of the remainder of your award on your return to study. Please contact the [Funding Team](#) for further information.

Resolution of disputes

Acceptance of this award constitutes acceptance of these terms and conditions. Applicants should contact the [Postgraduate Admissions Team](#) in the first instance for guidance regarding this award. Registered students should contact the [Funding Team](#). In cases not covered by the above terms and conditions, or where a student claims exceptional circumstances, or disputes a decision not to make payments due under an award, final appeals on decisions regarding eligibility must be made via the [Student Complaints process](#). The Academic Registrar or their nominee will review the case and his/her decision will be final.
