

# Electrical hazard warning

## Adaptor plugs which have no fuse are strictly forbidden by the University

Travel adaptor plugs must comply with UK safety standards

Fused travel adaptor plugs which meet UK safety standards can be purchased from everythingEssex at the Colchester campus or online at [www.everythingessex.co.uk](http://www.everythingessex.co.uk)

Electrical equipment must be compatible with UK mains voltage: 220-240v, 50Hz

For more information, see [www.essex.ac.uk/support/hsw/electricalsafety](http://www.essex.ac.uk/support/hsw/electricalsafety)
