

ISEP

INTERNATIONAL STUDENT EXCHANGE PROGRAMME

ACCESS A WIDER NETWORK OF UNIVERSITIES ACROSS THE GLOBE

ESSEX IS NOW A MEMBER OF THE **INTERNATIONAL STUDENT EXCHANGE PROGRAM (ISEP)**. ISEP IS A US BASED PROVIDER WHICH OFFERS A BROADER EXCHANGE NETWORK COMPRISING OF OVER 200 PARTICIPATING UNIVERSITIES GLOBALLY.

HOW DOES IT WORK?

If you apply to study abroad with ISEP, you won't be able to apply to Essex Abroad's exchange programme. Your application is made online and you can select up to 10 universities.

COSTS INVOLVED

Application fee

This is a non-refundable fee of \$100 paid directly to ISEP.

Placement Fee

This is a non-refundable fee of \$325 paid directly to ISEP. It covers the cost of customised matching and placement conducted by ISEP staff.

Programme Fee

This fee is paid directly to Essex. It covers fees, housing, 19 meals per week, pre-departure orientation, arrival orientation and general student services at your host institution. Costs can vary annually, in 2018/19 Essex students studying abroad through ISEP for the full academic year paid £7,100.

By doing this, you are creating a 'space' for an exchange student who comes to Essex. When you arrive at your host institution you will have guaranteed accommodation and a food plan for the time you are there. Think of it as a swap between you and an ISEP student who comes to Essex for their exchange.

IS IT FOR ME?

ISEP is a great study abroad option to consider. It offers you:

- A wider network of universities, with some in counties/regions where Essex may not have exchange partners
- A stronger chance of securing a place in more competitive destinations (typically Australia, USA, Canada and New Zealand)
- A **sometimes** more cost-effective study abroad experience if choosing to study in a country with a higher cost of living than the UK
